BENNY LEONARD WINS FROM LEW TENDLER

Last night at the Yankee Stadium, Benny Leonard successfully defended his title as king of the lightweight division by winning from Lew Tedler on points in their fifteen round bout.

This was Tedler's second chance at Leonard, having fought him at Jersey City last summer and in which he gave the title holder the toughest battle of his career.

The above report was made possible through the courtesy of Mr. Keith Rogers who received the result by radio.

U. S. Senator Says League Of Nations Unsuccessful

WASHINGTON, July 23.—Disposition of democratic candidates for the Presidency to back away from the League of Nations is causing coment here.

Senator Under wood of Alabana, who is all but an avowed candidate for the democratic nomination, has issued a statement, following his recent return from Europe's present trouble. At the same time while not attacking the League of Nations, he leaves no doubt of his view that the League at this time is not functioning in such a way as reach to the gravest of the European difficulties.

He takes a stand for a strong U. S. foreign policy which would deal with each of Europe's serious problems as threy arise, and not hold sloof. At the same time, he is against political entanglements.

Meantime, Former Secretary of the Treasury McAdoo is dealing gently with the League issue. He is holding it at arms length.

Other democratic aspirants for the most part are doing the same thing. Former Governor Cox of Ohio is for the League but it is generally conceded he cannot be renominated for President.

This attitude of democratic aspirants toward the League, in view of the fact Mr. Wilson still is for it, may lead to some surprising results in the democratic convention next year. The friends of the League and the World Court will not calmly see anyone nominated who is cold toward league and court.

Meantime, the republican national committee continues to hammer on the idea that the U. S. is well out of the league and to take flings at the idea of the United States joining the world court. It is regarded as doubtful here whether the Harding arminist ration presses the world court question except in a perfunctory way the coming session.

BULGARIAN PRINCESSES ENGAGE IN CHARITABLE WELFARE WORK

SOFIA, July 23.—The Princess Nadejda (the name means Hope) and Evdokia, sisters of King Boris and daughters of Ferdinand, former king of the Bulgarians, are endearing themselves to the charitable workers of Sofia by their active interest in the welfare work in and around the Bulgarian capital.

Accompanied only by a servant the two sisters of the king make frequent visits to hospitals, nurseries and similar establishments. They paid a visit to the Red Cross Hospital, on the outskirts of the city, recently, spoke to every patient and inquired of the physicians and nurses as to the delicacies which the patents might be permitted to accept. These delicacies were afterwards sent from the palace.

SHOES MORE COMFORTABLE

If you polish them well with "BLACK-O" immediately before you wear them. This glycerine polish softens the leather, which then yields to the foot's pressure and much discomfort is avoided.

BLACK-O gives a wonderful black soft lustre to the shoes without much rubbing. Use Tan-O for tan boots.

MADISONS TAKE LAST GAME FROM ABEGWEITS

By Score of 7-3. Abbies Play Fair Ball in First Part of Game But Fail to Come Through Later.

Putting up a fair brand of ball during the early part of the game, but only to fall down miserably later on the Abegweits were again turned back by the champion Madisons last night at the A. A. A. grounds by a 7 to 3 score.

A. Arsenault made his first appearance on the mound this year for the Abbies and notwithstanding the score made against him, pitched a great game throughout but no hurler can survive with a poorly balanced team behind him juggling and booting the ball as though they were paid for it—the result was they never had a chance after the fifth inning.

Lou Campbell was back on the mound again for the Madisons and demonstrated that there is still a number of good games yet in his make-up, for with snappy fielding behind him he kept the hits well scattered and came through as in the days of old.

With last night's game added in, the Madisons have now annexed twelve consecutive wins and no defeats and if they meet with the same opposition as they did in last evening's game——"The babbling brook." Nuff sed!

The ball players of both teams certainly appreciate the thoughtfulness of Mr. "Ed" Acorn, who generously supplied them with cooling refreshments during the game.

Along about the fifth inning the fans on the stand were deluged with a shower of Beach Nut Gum apparently coming from nowhere, but on closer observation they discovered "Santa Claus" in the person of Mr. J. H. Winters representing the Beach Nut Co. of Hamilton Ont. Mr. Winters also supplied the ball players with a generous donation of this popular brand. His act was no doubt appreciated especially by the young ladies who started to show real life by "chewing" for the first time during the game.

The diamond was in good shape last evening, in fact a little too fast for some of the infield.

There was eleven errors in last evening's game; the Abbies making seven and the Madisons four.

Whistling Cure For Stuttering

BOSTON, July 23. —Whistling stops stuttering, according to Dr. Walter B. Swift, who has opened a free clinic for speech correction at the Wentworth Institute. He says the peculiar action of the mouth muscles during whistling aids correction of vocal impediments.

"Whistling and vowels for an hour a day.

Will drive by and by your stuttering away."

says Dr. Swift, substituting for M Coue. Slow and steady grinding out of words beginning with "g", "gl" and "cl" will help, too, he asserts.

POLICEMAN COMES OUT WITH FACTS IN THE CASE

Arthur Tache, 424 Rachel St., East, Montreal, a well known policeman on a busy traffic thoroughfare, is another who upholds the merits of Tanlac with his personal endorsement.

"My experience with Tanlac has been of such great satisfaction," said Officer Tache, "that I am glad to give out the facts in my case for what they may be worth to others.

"I suffered from rheumatism in my legs during a period of six months, and was in such bad shape that I could hardly stand on my feet.

"A friend told me about Tanlac and besides I saw statements from so many people praising it that I determined to try the medicine myself. It's a fact, the treatment has rid me of rheumatism completely and has me feeling perfectly well in every way now. Yes, Tanlac has been so convincing in my case I am glad to give it my highest endorsement."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.
