Splendid Record Sales War Savings Stamps

Reacers have become so accustomed to hearing public officials speak of money in terms of astromonical figures that small amounts now receive very little attention. But amidst all the demands for hugh sums, and the credit which goes to those who produce them the great number of Canadians who contribute small sums which in the aggregate prove to be great, must not be forgotten.

Prominent among these are school children. Under the School Plan as instituted by the National War Finance Committee truly amazing results are being observed. As an instance Kilmuir school, with an average attendance of only fifteen pupils, has purchased 738 War Savings Stamps since September. An example of thrift and patriotism which is a credit to the pupils, and their teacher, Miss Doris MacPherson. Many other schools throughout the province are doing a fine piece of work and when the present term is completed, and the year's report made up, the schools of Prince Edward Island will present a record of achievement equal to any established by their elders.

Sudden Death Of Bedeque Man

The death occurred suddenly about 5.30 yesterday evening of Mr. Frank Gaudet of Bedeque. The late Mr. Gaudet was working at the home of Mr. George Henderson Fernwood, tending a circular saw. He appeared to be in good health and up to the moment of his death was talking and joking with those present. Suddenly he staggered and fell backward unconscious. A doctor was immediately summoned and pronounced him dead. Death was probably caused by a heart attack or a stroke, the doctor said.

The deceased man was well known in that district where he had lived most of his life although he was born in Miscouche. He was about 67 years old and was respected and admired by everyone.

He is survived by his wife the former Mary Ann Bernard of Summerside, and ten children five boys and five girls. Louise and Mary married in Rustico, Mabel and Margaret in Summerside and Julia. The boys are Charles and Cyrus in the army, George in Bedeque and Benjamin and John in Western Canada also two brothers, John and Cyrus in Bedeque. The funeral will probably be held on Thursday morning from his late residence to Seven Mile Bay Catholic Church—S

Death Of Mrs. W. H. Harding

The many friends of Mrs. W. H. Harding were saddened to learn of her death last evening at her home on Belmont St. at the age of 84 years. The late Mrs. Harding was predeceased several years ago by her husband, the Rev. W. H. Harding for some years pastor of the Central Street Christian Church at Summerside and who made a host of friends throughout the province by his Sunday afternoon radio talks.

The late Mrs. Harding, who before her marriage was Susan Elizabeth Myers, was born in Halifax and moved to Summerside when her husband assumed the pastorate of his church here. A great deal could be written about her many fine qualities but the host of friends which she made during her life in the town was the surest indication of the high esteem in which she was held in the community.

She leaves to mourn two sons and four daughters to whom the sympathy of all is extended, namely Paul in Hamilton, Ont., and Marshal in Denver, Colo., Mrs. Carmony (Grace) in Illinois, Harriette, Mrs. Marlette, (Mary) in Auburn Mass and Rosamond in Needham Mass.

The funeral will be held on Wednesday afternon at 2 o'clock from her late residence to the peoples cemetery.—S

A very pretty wedding of local interest took place in St. Mary's Cathedral, Halifax last week when Miss Margaret Ryan, daughter of Mr. and Mrs. Timothy Ryan of Tignish became the bride of Mr. Vernon Clow, son of Mr. and Mrs. Joseph Clow of Summerside. Father Mills performed the ceremony and celebrated the nuptial mass.

The bride looked very charming in a sand suit trimmed with red fox and carried a corsage of red roses. Matron of honor was her sister, Mrs. Albert McInnis and the groom was ably supported by Mr. Albert McInnis.

After the ceremony the happy couple left on a honeymoon spent on Prince Edward Island where they visited their friends and relatives.

Upon their return a shower was held in honor of the bride by their many friends in Halifax.

'Pied Piper' Great Hit

AT CAPITOL, SUMMERSIDE

—20th Century-Fox's "The Pied Piper", featuring Monty Wooley, Roddy McDowall and Anne Baxter, is now at the Capitol Theatre. Those who have seen the film consider it a milestone in the march of great films which have been built around chases. "The Pied Piper" offers one long and thrilling chase—but in reverse! The villain, this time, pursues, rather than flees!

The villain also happens to be the arch-fiend of mankind—Hitler — in the collective person of the Gestapo and its henchmen. Our hero is a strong-willed but gentle Englishman whose sole worry is to convoy a pack of refugee children through occupied France to England— then to America and safety. The time is June 1940, and the Nazi horde is sweeping down from the north to cut off his path from south-western France to the Brittany coast.

Humorously, tenderly, courageously this man makes his forced hegira and succeeds in outwitting the "master minds" of the Gestapo. Fade-out! But the film has much more to say for itself. It becomes a symbol of all that the United Nations are fighting for, embodied in the spirit of one man. He plays the secondary role in a double feature program. The Nazis have become the old cattle rustlers—but in spades!

Are You Lacking In 'PEP' Appeal?

Do people gossip about your lack of pep? If you feel dull, listless, only half-well, look to your liver. For unless it produces enough liver bile to digest fatty foods and help eliminate poisonous food waste from body daily, you can expect headaches, indigestion, biliousness, that "always-tired" feeling which often adds years to appearance.

Instead, why not look forward to bright days full of zest and pep, by taking Bile Beans—small, extra-gentle laxative pills with a 4-way action on system. Made from 10 purely vegetable extracts, Bile Beans work on stomach, liver bile, upper and lower bowel, pleasantly, ever so gently—not harshly like cheap laxatives.

See what a difference Bile Beans can make in your "pep appeal". Be convinced—get Bile Beans at any druggist, only 50c. Over 7 million boxes sold last year, proof of sensational popularity. 10

Andrew, Escanada, Michigan; Rotarian Frank Hilton, Thorton, England; A. C. Taylor, Toronto; W. H. Slackford, Summerside and Capt. F.W. Hyndman, Charlottetown.

CAR FERRY MOVEMENTS— The SS. "Prince Edward Island" completed nine successful round trips before midnight last night. The ferry transported 50 loaded cars and 34 empty refrigerator cars to Borden and on the return trips to the mainland carried 22 cars loaded with potatoes and turnips and 22 empties. This left 30 loads of freight and 35 reefers at the Tormentine terminal awaiting transportation here. All the freight and empties were cleared away from the Borden terminals by midnight. Crossings yesterday were made on an average in one hour.

FISH MARKET IMPROVEMENTS—Alterations to the Fish Market in the Market Building are in progress at present. The interior is being completely rearranged, re-decorated and converted into a first class, sanitary fish market. When the work is finished suitable equipment for keeping fish fresh will be installed and up-to-date show counter will be added. The work is being done by city employees under supervision of I. Y. Reddin, assistant city engineer. On completion the stalls will be rented according to the practice being carried on at present.

PROVINCIAL A.R.P. MEETS — Progress of medical services organization in Charlottetown was the theme of an interesting talk given by Dr. J. A. The Gyros plan to attend in a body the Sanatorium meeting being held at the Charlottetown Hotel tonight. Capt. Walter Hyndman and Lieut. Don Scott both former Gyros were guests at the meeting. Dr. Eric Found was the chairman.

A.R.P. ALERTS — A.R.P. officials offer the following comments on practice alerts:— School children should go direct to their homes after the alarm is sounced and they are dismissed from school Yesterday afternoon many of the children remained where practice matters were being carried out. Another point citizens are asked to remember is not to crowd out of their homes or to go near any place that may be used as a practice spot or in the case of a real raid to remain away from any building or other place where incendiary or other bombs may have fallen. Some time ago everyone was asked not to use the telephones after the air raid signal is sounded as calls that are not absolutely essential block the lines and make it extremely difficult for wardens and other workers to get vital messages through. In the practice yesterday there was quite an improvement in this respect but there is much to be desired yet. A warning was sounded about the severe penalties imposed by law against those who steal or interfere with any form of A.R.P. equipment Fortunately there has been very little of this here and it has not been necessary as yet to have these very severe penalties imposed.

MANY FORGET EXTRA POSTAGE — More than 600 letters handled here during the past four days have been minus the additional cent of postage necessary since April 1, Mr. H. L. Pickard, Supervisor of Mails at the Charlottetown Post Office stated last night. Of this total 500 have been outgoing letters and the remainder incoming. Yesterday's mail however, showed considerable improvement, showing that people are becoming accustomed to the new regulation. The new four cent postage stamps are expected here by April 19. The supply of fours on hand throughout Canada was limited when the regulation came into effect and soon ran out. At Charlottetown they are now selling twos as there was a large stock of these on hand.

EASTER THANK OFFERING — Miss Marie MacDougall, Deaconess, was the guest speaker at the Annual Easter Thank offering service of the Evening Auxiliary W.M.S., held in Heartz Hall last night. Miss MacDougall gave a most interesting address on "The Church's Work Among New Canadians". Mrs. Hugh Miller presided at the meeting. The devotional study period was under the leadership of Mrs. P. A. Creelman and Mrs. B. Waller. The study was a chapter from "Christ's Alternative to Communism" Using dialogue form one of the speakers told of the Russian methods and the other emphasized the Christian additions needed to make these desirable. The meeting was well attended, members of the W.M.S. and King's Daughters being present as guests of the Evening Auxiliary. At the close of the meeting all adjourned to the Board Room where refreshments were served and a social hour enjoyed.

The crown of olive leaves in ancient times was comparable to present-day medals of honor.

In Memoriam

MR. ISAAC HOLMAN

Friends throughout the province will learn with regret of the passing in the Prince Edward Island Hospital early yesterday morning of Mr. Isaac Holman, retired Charlottetown grocer and former farmer, and shipper of Winsloe, Death, which came in his 84th year, followed a short illness although he had been suffering from a heart condition since his retirement about two and one-half years ago.

The deceased was the father of His Worship Mayor B. Roy Holman.

The late Mr. Holman, a man of retiring nature, had a wide circle of friends throughout the province. He was noted for his business integrity and before coming to Charlottetown had proven himself a successful farmer in his native community of Winsloe South. While at the latter place and later during a short residence in York, he carried on an expanding shipping business. The latter enterprise consisted of farm produce and livestock which he sent by sailing vessel and steamers during the boom shipping days of Sydney, N. S.

Thirty years ago, he retired and came to the city where he opened a grocery store. He continued to operate this business up until a little more than two years ago when he was forced to retire owing to ill health. He suffered an attack about three weeks ago and was taken to the hospital where he rallied somewhat but failed to recover.

He is survived by his wife, the former Annie Horne, and two sons: Mayor Holman and C. Claude Holman who is with the Burns Packing Company, Limited, Calgary, Alberta. Two sons Fred J. and John Brenton and one daughter Mildred, predeceased him.

There are also left to mourn their loss three sisters: Mrs. Everett O'Fiske, Brooklyn, Mass., Miss Charlotte T. and Miss Sarah C., Pasadena, Calif. The two latter are retired missionaries who spent 40 years in India.

Mr. Holman was a member of Trinity United Church.

The funeral will be held from his late residence, 257 Queen St. this afternoon at three o'clock to Winsloe South cemetery.
