**Hospital Grants To Insure Isolation Of Infectious Diseases**

Grants of \$15,000 each to Prince Edward Island Hospital have been made by the Department of Penitentiaries and National Health to provide isolation accommodation for infectious diseases, according to information received by Dr. J. A. Clark from Dr. Ross Miller, an official of the Department, at Ottawa this week.

Dr. Clark, who is superintendent of the Experimental Station, returned last night from attending an agricultural conference and postwar rehabilitation planning at the Central Experimental Farm at Ottawa.

Present were ten Experimental Farm Superintendents from five eastern provinces, the agricultural engineers and other representatives from four agricultural colleges and Dr. E. S. Archibald, the Director and Staff at Central Experimental Farm. 28 carefully prepared 15 minute papers, were given at the conference, with 15 minutes or more of discussion following each paper. A lunch was provided each day by Experimental Farm Cafeteria.

Dr. Clark's paper was on an agricultural engineering training and postwar rehabilitation. It indicated that there is an increasing demand for agricultural engineers, and that the University of Saskatchewan is the only one in Canada granting degrees in agricultural engineering. Most of the colleges and universities give courses in science for which credit will be given toward a degree and several expressed regret that they did not have an agricultural engineering option in 3rd or 4th year courses.

In the Maritime Provinces, reclamation and soil erosion alone will call for the services of engineers and other trained men for this work. Dr. Clark emphasized, it is believed that Canadian Legion Education Services and correspondence courses in agricultural engineering and motor mechanics offered by the universities will fit many of the returned men for this work.

Dr. Clark was present at a refresher course in farm mechanics at the Agricultural College in Charlottetown, and consulted with Dr. Patterson and staff at the meteorological office in Toronto with the object of securing additional equipment for the meteorological station at the Charlottetown farm.

Dr. Clark was present as one from the delegation from this Province to the Agricultural Colleges Board meeting in the Chateau Laurier, Ottawa, Dec. 6-8. At the close addresses were given by the Ministers of Agriculture of the several provinces, except Hon. J. A. Aulic, Hon. J. G. Gardiner, Minister of Agriculture gave the closing address setting forth the Agricultural program for 1944. In the main, objectives are equal to or greater than those for 1943, Dr. Clark reports.

A picture is as good as its stars—and when you're talking about "Coney Island" the gay new Technicolor musical due Monday and Tuesday at the Prince Edward Theatre, you're saying something—right up there at the top of the cast are Betty Grable, George Montgomery and Cesar Romero. They add much to the varied goings-on of the film which has been called tops in entertainment.

**Local Pythians Celebrate Their 44th Anniversary**

An enjoyable dinner function was held last night by members of the Empire Lodge, No. 19, Knights of Pythias, in celebration of the 44th anniversary of the founding of the Lodge.

Bro. J.H. Williams, a charter member, presided in his opening remarks gave an interesting review of the organization and early history of the Lodge. Lt. Col. C. L. MacKay, only other surviving charter member, was unavoidably absent.

The following toasts were duly honoured: The King, the National Anthem, the Grand Lodge, proposed by Bro. Lloyd Yeo, Empire Lodge, proposed by Bro. H.R. Gillis, responded to by Bro. J. T. McKie; the Press, proposed by Bro. J. D. MacKay, responded to by Bro. Neil Matheson; Silent toast, "Our departed Brothers."

Bro. Harold D. McLean, vice grand chancellor, who was to have responded to the toast to the Grand Lodge, was not able to be present.

Following the toasts, an interesting talk on the activities of the Order was given by Bro. B. F. Timney.

This was followed by an exhibition of motion pictures by Mr. E. Graham Rogers.

A fine film of the Sicilian campaign was shown, also views of Prince Edward Island in technicolor.

The Sicilian picture was of special interest in view of the fact that Sicily was the scene of the ancient Greek legend of Damocles. The picture shows the Knights of Pythias derive their name and fraternal inspiration.

The celebration which was largely attended, closed with "O Canada".

**CAPT. WEIL VISITS CITY**—Capt. W. G. Weil of the National Staff of Red Cross Blood Donor Service has been loaned to the Red Cross by the Army to conduct a scientific survey of Blood Donor stations in Canada. A visitor to Charlottetown this week, Capt. Weil's report on the work at the local clinic was very favorable. He expressed great satisfaction with the progress made and commended those in charge, but emphasized the urgent need for more donors, stating that the number should increase to 100 per week. Dr. Weil left by plane yesterday on return to Toronto.

**LEARNS OF SISTER'S DEATH**—Mrs. J. Flemming, Stanley Bridge, received by wire the sad news that her sister Laura, Mrs. C. P. Bonness, had passed away at the Charlotte Hospital, Michigan, on Dec. 8. She had been ill since July but seemed to be improving. Mrs. Flemming was making final arrangements to visit her sister in the hospital when she had suddenly passed away. Mrs. Bonness' many friends of this Province will hear of her death with sorrow.

**EXPECTED HOME**—Mr. and Mrs. Ira M. Brown of Charlottetown have received word that their son, Seaman I. C. Brown, R.C.N.V.R., has reached this side of the Atlantic and is now on his way home. Leading Seaman Brown who was in the Dieppe operations with the Navy commandos has been serving in the Mediterranean area for the past two years. It is understood that Leading Seaman Charles Michael, son of Mr. Thomas Michael of Charlottetown, is also on his way home with Brown. The two boys have been serving together in the Middle East.

**REPORTED KILLED IN ACTION**—News was received from Ottawa yesterday by Mr. Walter Currie, provincial treasury department, City, of the death of his nephew, Sgt. Ewen Cameron Currie, R.C.A.F., who was reported killed in action on Dec. 7. Sgt. Currie was a wireless gunner and enlisted in Sydney, N.S., about two years ago. He graduated from the same training centre and at the same time as Sgt. George Acorn, Charlottetown, who was recently reported missing.

Plans were made for a communique exchange scheme with the following conveners: Worship, Miss Elsie Hooper, Milton; Elfric, Mrs. Vernon England, Alberton; Fellowship, Miss Elaine Harrison, Summerside; Work, Mrs. Yeo, Port Hill.

A committee was appointed to enquire into the possibility of holding a Summer School.

Plans were made for a competition between the various branches for presenting the best one act play in the early summer. After a few other items of business were handled, Rev. S. J. Davies paid tribute to the fine work of the executive committee under the leadership of Mrs. Nowe which had drawn up an excellent agenda and shown such interest in the progress of the A. Y. P. A.

After enjoying a bountiful lunch the meeting was closed with the Benediction by Ven. Archdeacon G. R. Harrison.

**Former Charlottetown Man Buried In Quincy**

QUINCY, Mass., Dec. 10—(CP)—Funeral services were held today for John E. Gillis, 55, native of Charlottetown, who died Wednesday at his home in South Quincy, after a long illness. The funeral was held at St. John's Church. Mr. Gillis, a resident of South Quincy for 20 years, is survived by his wife and two daughters, Eleanor and Florence.

employment and a steady expansion of our capital equipment and our trade.

With all its faults, the economic system which we have evolved and are constantly striving and improving comes near enough to fulfilling its promise that it would be folly to let it be torn to pieces. The system is far from perfect. But it is up to us to perfect it, and it can be perfected by co-operative endeavour under the supervision of the State. This requires only that every element in the community accept the responsibilities which are the price of freedom; and that the Government so knit these elements together as to bring their efforts into harmony with the highest social purpose. That is what the Progressive Conservative Party stands for—this vision of an expanding co-operative economy is the core of our political faith.

Every Bureaucrat A Burden

Two things are sure: one is that we can no longer permit competing groups to create scarcity in

order that they may bargain for advantage. We must expect the Government to harmonize the conflicting interests of our community, so that abundance, not scarcity, may be our portion. The second is that the needs of the average man cannot be fully satisfied by the creation of a vast and centrally controlled administrative machine. Every man and woman who is taken out of productive employment to join the army of civil servants and administrators that such a system requires is an added burden on the back of the farmers and other workers; for the bureaucrat and his legions must be fed and housed, clothed and transported; yet many of them contribute nothing to the necessities of life.

The watchwords of the future, I suggest, must be decentralization, not centralization; co-operation, not state dictation; expanding production, not scarcity; and widening areas of trade not restrictive practices. The alternatives are continued chaos, on the one hand, or regimentation on the other—chaos with its frustrations or regimentation with its deadening effect on the impulse to produce, its inevitable tendency toward dictatorship, and the certainty that all material increase will be skimmed off to nourish a growing bureaucracy.

**A. Y. P. A. Local Council Meets**

On Thursday, December 9, the newly formed Local Council of the Anglican Young People's Association held their first official meeting in Summerside.

Before the business session the officers were installed at an impressive service in St. Mark's Church. In the absence of the Chaplain of the Council, Rev. J. B. Nowe, the installation was conducted by Rev. S. J. Davies, Dean of Summerside. The following officers were installed:—

President - Mrs. J. B. Nowe, Alberton.  
 Secretary - Treasurer - Miss Eleanor Birch, Port Hill.  
 Corresponding and Publicity Secretary, Miss Gladys Hooper, Milton.

After this service the delegates retired to the hall where a full agenda was considered. Representatives were present from the following branches: Alberton; Port Hill; Summerside; Summerside; Rustico and Milton. It was stated that branches were being formed at O'Leary, Kildare Capes, and St. Peter's, Charlottetown.

The constitution for the Local Council drawn up by the executive committee was discussed and after a few changes was accepted by the Council.

Plans for the future were discussed and committees appointed on the following proposals: a

**Travel to Berlin in a Tank!**

Where will you be when the Allies march through the streets of Berlin? You can be there, right up in the vanguard, chugging triumphantly along in a tank, if you join the Canadian Armored Corps right away.

Right now Canada's mighty land dreadnoughts are beating back the Germans in Italy and other theatres of war. But their tank crews need reinforcements. They require more Drivers, Gunners, Wireless Operators and Motor Mechanics. Require them badly and require them AT ONCE. So climb aboard and get into the fight with the rest of the fellows. Then you may travel to Berlin in a tank!

**INFANTRY**  
 Here more men are wanted to be trained as signallers, mortar-men, machine-gunners, wireless operators, armorers, drivers, motor mechanics.

**ARMORED CORPS**  
 Highly skilled drivers, gunners, wireless operators and motor mechanics are also needed to form part of the tank crews.

**ARTILLERY**  
 Still another group of specialists is required for anti-aircraft, anti-tank, field, medium and survey regiments.

**IN MEMORIAM**

In loving memory of Ada M. Llewellyn, who departed this life December 11, 1942.

Gone dear Aunt, gone forever  
 How I miss your smiling face  
 But you left me to remember  
 None on earth can take your place  
 A happy home we once enjoyed  
 How sweet the memory still  
 But death has left a loneliness  
 The world can never fill  
 I often sit and think of you  
 When I am all alone  
 For memory the only friend  
 That grief can call its own  
 Like ivy on the withered oak  
 When all other things decay  
 My love for you will still keep green  
 And never fade away.

**This Home-Mixed Cough Relief Is Hard To Beat**

Very Easy To Make. No Cooking, Saves Big Money.

No matter what you've been using for coughs due to colds, you'll be the first to admit that this surprising relief, mixed in your own kitchen, is hard to beat, for real results.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. Then put 2 1/2 ounces of Pinex (obtained from any druggist) into a 16 oz. bottle, and add your syrup. This gives you 16 ounces of really excellent cough relief—about 4 times as much for your money. Tastes fine—children love it—and it never spoils. You can feel this home mixture taking right hold of a cough, loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Eases soreness and difficult breathing, and lets you sleep. Once tried, you'll swear by it. Pinex is a special compound of proven ingredients, in concentrated form, a most reliable soothing agent for throat and bronchial membranes. Just try it, and if not satisfied, your money will be refunded.
