Hogs.—The hog market developed additional strength during the week, select hogs sold from \$16.00 to \$16.50 per hundred, fed and watered on Monday. The outlook is for steady prices for the next market.

MONTREAL.—Cattle.—There was a fair demand for butcher cattle by the local trade. This demand coupled with very light receipts, caused an appreciable advance in prices amounting in some cases to 50 and 75 cents per hundred.

There was very few sheep and lambs on the markets. Prices for lambs were about the same as during the previous week, while sheep sold about \$1.00 lower, or at \$9.00 per hundred.

Hogs.—The hog market is showing more strength and while nearly all sales were made at \$17.00 off cars, the demand was much better than for some time.

WINNIPEG.—Despite an increase in receipts amounting to five hundred head compared with the offerings of the previous week, the market for all classes of cattle was keen and prices were stronger by 25 cents to 75 cents per hundred, the high end of the range being paid on finished stock. The week's run showed a quality superior to that on any other run of the season. Good quality females were from 25 to 50 cents per hundred higher compared with prices on the previous market. Many cattle sales were made for shipment to the United States, over two thousand head going out to American points during the week. Local packers operated more freely than during the previous week, although still conservative buyers. The price realized by butcher cattle was \$15.50 while most of the quality staff of good weights sold from \$13.50 to \$14.75. Butcher cattle weighing from ten hundred to twelve hundred pounds sold up to \$14.75 and generally from \$12.75 to \$13.75. The top cattle of light weights sold at \$13.75, the more strength and while nearly all majority of those of good grading from \$11.00 to \$12.25, and common stock from \$9.75 to \$10.75. Butcher heifers also sold at higher prices reaching \$11.50 per hundred, and selling generally from \$10.50 to \$11.25 for quality stock. Cows of good grading sold from \$8.50 to \$9.00, while common stock was weighed up at prices ranging from \$7.00 to \$7.75.

If you are losing confidence in men read the Thirtieth chapter of first Corinthians.
If people seem unkind, read the Fifteenth chapter of John.
If you are discouraged about your work, read the 126th psalm.
If you find the world growing small and yourself growing great, read the Nineteenth psalm.
If you cannot have your own way in everything keep silent and read the Third chapter of James.
