—WEDDING BELLS.—The home of Mr. and Mrs. Mathew Callbeck, Tryon was a scene of a very pretty event on Wednesday evening, July 16th, at 7 p.m. when their daughter Carrie Jewell was united in marriage to William M. Sentner, Glenside, Sask. The bride was becomingly attired in white voile with silk trimmings and carried a bouquet of white geraniums. The bridesmaid was Margaret Lovelace, cousin of the bride, who was daintily attired in white. The groom was supported by Mr. W. E. Callbeck, mother of the bride. Rev. A. Hurn performed the ceremony in the presence of the immediate friends of the contracting parties. The groom's gift to the bride was a gold chatelaine pin with pendant attached and to the bridesmaid a gold ring with garnets and pearl settings. After the ceremony they all repaired to the dining room, where a sumptuous repast was served. The large number of presents testified to the popularity in which the young couple was held. Among the presents was a check from the groomsmen and several envelopes of money, besides a number of other beautiful articles and congratulations from their hosts of friends wishing them a long and prosperous journey over life's pathway.

—FERNWOOD.—That the people of Fernwood are very much interested in the Women's Institute movement was shown by the representative audience that came to the schoolhouse on Thursday afternoon. The supervisor gave a detailed account of the new work, as it has been carried on with success in the different provinces of the Dominion. Almost all of the ladies present took part in the discussion which followed and everyone, realizing the benefits of such a society, was in favor of organization. However, owing to the small number of families in this district, it was decided to discuss the matter with the people of Lower Bedouque with a view to organizing one Women's Institute to include the two sections.

**THE GREAT PROGRAM FOR THE HALIFAX EXHIBITION.**

The Crowning Feature of the Great Fair Will be Aeroplane Flights on a Machine for Two Men, one of Whom Drops With a Safety Pack While the Aeroplane is Moving a Mile a Minute.

The Provincial Exhibition Commission announces the opening of the Seventeenth of its splendid exhibitions for Wednesday, September 3rd, and to continue for seven days thereafter. The record of the years that have passed will be surpassed at the forthcoming Exhibition.

Efforts have been made and will be redoubled to obtain a complete display of exhibits so that every Department will have a highly interesting show.

The Horse Racing will, as previously, constitute one of the chief attractions of the Fair and these speed competitions promise to be keenly contested. The horses were named for the Stake races last Tuesday. The guaranteed amount of these races is \$2,400 and the purses for the whole amount aggregate \$6,800.

The Vaudeville program will embrace ten distinct acts of varied interest. The great sensational feature will be the demonstration of the Sten's Safety Pack, Harry B. Brown and Arthur Lapham will enter the Aeroplane and make an ascension. While they are speeding almost a mile a minute Lapham leaps from the Aeroplane and descends to the earth in a Safety Pack. Nothing like it has ever been seen before in this Province.

The Fireworks display will be magnificent. The attendance will likely reach large proportions and Manager Hall has made arrangements for a Lodging Bureau to place visitors who may require its services. 422-7-22ME11.
