**CANOE COVE**

The people of Canoe Cove along with many residents of the surrounding districts are pleased to see Mrs. Archie Campbell up and around after her long and serious illness.

The stork paid a visit to John D. McLean and left Mr. and Mrs. Malcolm McEachern a baby boy. Congratulations.

Much credit is due to the young people of Canoe Cove who built an open air rink. About a dozen of the active ones called a meeting in the hall in the latter part of November for the purpose of erecting a place to skate and did not then believe that they would have as good a rink when finished as they now have. They have given to the young people and also to many in the district, who thought themselves old, the pleasure of gliding night after night over a good sheet of ice and enjoy themselves immensely. The rink is by no means the best on the Island. Its size is 120 feet long by 52 feet wide and is enclosed by a board fence 5 feet high and to that is added small trees about 6 feet high, giving it a very pretty appearance. There are also two rows of electric lights from one end to the other and a promenade on one side of the rink to hold upwards of 100 fans. We must take our hats off to the young people and residents of the district who co-operated to make such a nice place of amusement.

Mr. Everett McKenzie of Calgary, Alberta, is visiting in Canoe Cove the guest of Mr. and Mrs. Malcolm McFadyen.

An interesting game of hockey

took place in the new rink between the Beavers of Long Creek and the Truesports of Canoe Cove, which resulted in a win for the Beavers 7-4.

The rink had the pleasure of seeing the Bull Dogs of Nine Mile Creek and the Pups of the same place, play a nice game of hockey which was very interesting to the fans, the score reading, Dogs 3, pups 2. Welcome to the rink boys; come again.

An interesting game of hockey is to take place soon in the rink between the single men and married men. The married men want to win but the single men say no.

Much credit is due our referee, Mr. John McDonald, Rice Point, for the way he handles the games only one penalty handed out so far keeps them straight John.

Mr. John McLeod and son Leslie of Long Creek, attended the Beaver-Truesport game.—Com.

**IN MEMORIAM**

**JOHN ROSS**

With the passing away of Mr. John Ross, of Surrey, on Thursday, January 26th, Belfast and the neighbourhood, is the poorer of one of its most prominent and best loved citizens. It was the earthly end of a long and useful career, he having reached his ninetieth year; the last seventy of which, he spent on his farm home at Surrey, where also dwells his son, John A. Ross and his family. The late John Ross was born in Valleyfield in 1843, and while still a young man, came to Surrey, where he soon married

his first wife, Elizabeth McDonald, of Uigg, of which marriage there is one child, Mrs. A. McArthur, Pittsburgh, Mass. Some years after the death of his first wife, Mr. Ross married Miss Jessie Nicholson, Belle River, who predeceased him in 1924. Of this union there are five children: Mrs. Elizabeth Prior and Miss Mary Ross, both of Boston, Mass.; Mrs. Angus McKenzie, Pinette, P. E. I.; John S. Pittsfield, Mass.; Daniel, in Alaska; and the above mentioned John A., who with Mrs. McKenzie were the only two able to attend the funeral. There are also living, twenty grandchildren, and six great grandchildren. The late Mr. Ross, who had been a farmer all his life, was an elder of the Belfast Presbyterian Church for over thirty years, and was known as a man of Christian piety and exceptional faithfulness to that which pertained to the Kingdom of God. Next to the home, he will be missed most by his church associates.

The funeral, which took place on Saturday, Jan. 28th, was conducted by his pastor, the Rev. D. L. Griffiths, at the church and the graveside. The Rev. gentleman appropriately based his discourse upon Rev. 14:13 "And their works do follow them." The church choir rendered suitable selections, and Mr. Dave E. Griffiths sang effectively the gospel solo "Only waiting till the shadows be." The pall bearers were chosen from among Mr. Ross' fellow elders of the church.

"Thy work is done, thou'lt laid thy armour down,  
Fought the good fight, and gained the eternal crown."

**HOCKEY AT LONG RIVER**

On January 25th, an interesting game of hockey was witnessed by a large number of fans, when the French River Ramblers crossed sticks with the Long River Maroons on the latter's new out-door rink. Both teams scored twice in the first period, Ken Pidgeon realizing for the Ramblers when he batted a loose puck into the cage three minutes after the opening whistle. Less than two minutes later, Bell, fast left winger of the

Maroons, scored the equalizer on a long wing shot, the period ending one all.

In the second period, after ten minutes of play, Chick Paynter grabbed a loose puck, circled his own net, rushed down right wing, evaded the defence and drilled a hard one at McLeod, who rushed from his citadel to make a spectacular save, but who was not quick enough to clear, before Ken Pidgeon, who proved to be Johnnie on the spot, batted in the rebound, making the score read 2 to 1 in favor of the Ramblers. In the third period the Ramblers, not content with a one goal lead, and refusing to play defensive hockey, threw everything but the goal posts at McLeod in an effort to increase their lead, but the big blonde goalie proved to be unbeatable and the game ended, Ramblers, 2; Maroons, 1. Total stops, Meek, 7; McLeod, 39. Referee—Charles Paynter.

Ramblers—Goal, H. Meek; Defense, Dennis, A. Pidgeon, O. Bernard; Forwards, G. Stewart, Chick Paynter; Subs, Meek, Dennis, Stewart and McLeod.

Maroons—Goal, G. McLeod; Defense, E. Johnstone, F. Campbell; Forwards, R. Johnstone, A. Bell, N. Johnstone; Subs, W. Bell, E. McLeod.

**Georgetown**

On the morning of Feb. 1, wedding bells once more chimed in Georgetown Catholic Church, when Rev. O. Kiggins united in the holy bonds of matrimony, Josie Gallant, daughter of Mr. and Mrs. Gallant, of Rustico, and William Martell, son of Mr. William Martell, of Georgetown. The charming young bride looked very winsome gowned in brown. She was attended by Miss Ann McLean, gowned in blue, while Mr. Irving Sampson ably performed the duties of groomsmen. After the wedding ceremony, the bridal party motored from the church at the door of which they were showered with good wishes, to the home of the bride's aunt, Mrs. Henry Sampson, where, with a number of the friends of the contracting parties, they partook of a bountiful wedding breakfast served in Mrs. Sampson's usual charming style. Their many friends wish them a long and happy wedded life.

The Whist Party and dance held in St. James Hall on Jan. 30th, was largely attended. The ladies' prize was won by Mrs. Wm. Burke and the gentlemen's by Mr. M. Donovan. A delicious luncheon was served by the ladies in charge.

Yes, stamp collecting is educational, said the fond mother to the visitor. For instance, where is Hungary, son?

Without looking up from his stamp book, the young philatelist answered, promptly, two pages in front of Italy.

**17 MILLIONTH TIRE MADE BY GOODYEAR**

President C. H. Carlisle of The Goodyear Tire & Rubber of Canada is an interested spectator as tire number 17,000,000 is taken from its mold in the New Toronto factory. This production figure, which does not include bicycle tires, represents an all-time high-water mark for Canadian tire factories. Mr. Carlisle is in the extreme RIGHT of the picture, while in the right background is C. S. Watson, advertising manager of the company, and at the LEFT are H. O. Allman; E. H. Koken, general superintendent and J. E. Brack.

**DOMINION SCOUT REGISTRATION**

A special effort is being made to have as many Scouts in P. E. I. as possible register with Dominion Headquarters during 1933. Last year only 31 per cent of our Scouts were registered, while in some provinces 74 per cent were registered. The fee is 50 cents per year and each Scout receives in return a neatly prepared card signed by the Chief Scout for Canada, the Provincial Commissioner and the Scoutmaster.

Registration of individual Scouts and Rovers has a two-fold purpose:

- 1—To ensure that only bona fide Scouts and Rovers shall bear the name and wear the insignia of the Boy Scouts Association.
- 2—To provide money through the registration fee, for adequate Field Service of a missionary character for extending and improving Scouting in localities all over Canada.

**PROVINCIAL COMMISSIONER'S VISIT**

**6TH CHARLOTTETOWN TROOP**

Meeting of 6th Charlottetown Troop, Monday Jan. 30th, 1932. Meeting opened with flag break and prayer.

**ZION CUBS**

Increased interest is being shown by these Cubs and the usual high attendance is keeping up.

Cub Brown was invested at a special meeting on Monday, Jan. 23rd. At this same meeting a Cubmaster's warrant was presented to Mrs. R. C. Parent, the Cubmaster, by Mr. Wm. Warren, assistant Commissioner.

At the meeting last Monday 12 Cubs passed their Hygiene test while special instruction was being given to the new Cubs on Knot Tying.

During the week Allison Rodd and Gordon Gay passed their Flag Test. This is the most difficult test of the First Star work.

The only Cub to pass his skipping test to date is Waldo Dingwell of the Reds.

On Sunday night next the Zion Cubs are attending Zion Church in a body as it is Young People's night.

**HOCKEY**

Owing to heavy ice a slow but thrilling game was played at the Arena, Thursday night between the Highfield Second Granites and the Superiors—the latter winning by the score of 7-0.

From the face-off the Superiors outplayed their opponents, although combination was missing, who seemed a little bewildered by their strange surroundings but nevertheless put up a hard game.

This gives the teams a game each and a deciding game will probably be played at Highfield next week.

Farmer Lund refereed to the satisfaction of all.

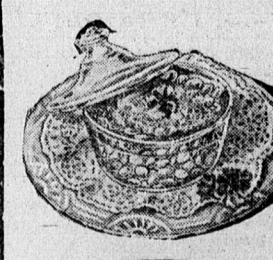

Line-up:—Superiors, Goal, J. McEachern, Defence, Diamond, Warren, Forwards, Carmody, MacEwen, Lafferty, Peters, Bryenton, Dowling.

**OVER THE SEA**

Written in memory of my friend, Lloyd Godfrey, who died in 1932.

Over the sea, to that happy land,  
Safe, safe from the storms of life,  
His barge is moored on a peaceful strand  
Where the wild waves cease their strife;  
And when day is spent and shadows steal silently over the sea,  
A vacant place in our hearts we feel,  
For one who has crossed the sea;  
And thoughts which I cannot write still rise  
For my friend who has gone from me.

Over the sea, to that home of love,  
He sailed with the morning tide;  
The orders came from his God above  
To cross the Great Divide;  
So Angels came from the starry skies  
And carried his spirit there;  
And with hands unseen they closed his eyes  
From this vale of troubled care,  
Across the sea, where the ransomed dwell,  
Our dear friend that home will share.  
—F. H. M., Lorne Valley.
