BIBLE SOCIETY FELLOWSHIP. — There is today a deeper fellowship between the Parent Bible Society and the Dominion Bible Societies than ever before and this is not all. There is also a deeper fellowship than ever before between ourselves and the American Bible Society. All this may be due in part to our common ancestry and in part to the dangers and sorrows we have shared together through long years of war, but even this is not all. Ancestral voices doubtless call us together; the present struggle binds us together; and more important still, the hazards of the future will hold us together. Help the Bible Society and its cause through the P. E. I. Auxiliary or branch.

**Radio Advertising Brings Immediate Results**

AT CFCY, recently, an announcement was given as follows: "Wanted immediately twelve men to work in lumber woods in Nova Scotia. Good wages will be paid and board will be provided."

This was scheduled for the Outposts on Saturday, January 4th at 5:35 and again for noon on Monday, January 6th. On Saturday evening at 7:15 the sponsor of the announcement called the station to cancel the Monday flash, stating that he had already had more applications than he needed and was being deluged with telephone calls which is what we would call prompt action!

**Parkdale**

Mrs. Roy Dixon of Kingsboro is in Charlottetown visiting her sister, Mrs. Percy Gay.

Mr. Edwin Cook of Cook's Cannery is busy doing weather-stripping, after a very busy summer canning fruit and vegetables for people all over the Island.

The Parkdale firemen are busy sheathing their fire hall, under the leadership of Capt. P. J. Scener.

Mrs. Fannie Bertram and family spent Christmas with her parents of Brockley. Mr. and Mrs. Sellick are now visiting their son, Mr. Lester Sellick in Halifax.

It is regrettable that a number of people in the Parkdale District are confined to their homes with an attack of the flu.
