TODAY'S PROGRAM.

Dinner at Government House at 8 p. m.

A royal eastern welcome greeted His Royal Highness, Arthur, Duke of Connaught, yesterday afternoon on his first visit to Charlottetown as Governor General of Canada, and Princess Patricia, his charming daughter.

Practically oall of Charlottetown and certainly all who could get within seeing or hailing distance of the line of march of the royal procession took part in one of the most generously wholehearted demonstrations witnessed on the city's streets. That the reception was a popular and a loyal one was attested to in the lusty greetings which assailed the ears of the party as they detrained at the depot and proceeded along the streets.

Visitors to the city from all parts within reasonable access swelled the population to a point where an estimate would be injudicious. While the greeting was vociferious and eagerly energetic in its tendering the order was all that could be desired, accidents peculiar to crowded and noisy streets were unknown and the arrangements of the committees were well appointed and well carried out—giving the royal party and the public every satisfaction.

The Royal train drew into the Charlottetown depot at 1.20 p. m., having left Summerside at 11.20 a. m. The following composed the Royal party:

His Royal Highness the Duke of Connaught.

Her Royal Highness the Princess Patricia.

Miss Adam, lady-in-waiting to Princess Patricia.

Lt. Col. H. C. Lowther, C. M. G., M. V. O., D. S. O.

Capt. T. Rivers Bulkley, C. M. G. M. V. O.

Capt. H. C. Buller, A. D. C.

Owing to her convalescent state Her Royal Highness the Duchess came to Charlottetown by the Earl Grey accompanied by Miss Pelly, Major E. Mortington and Lt. the Hon. H. Ramsay.

The trip from Summerside was a quiet one, everything being done by Supt. McEwen, who was on board the Ducal train, tending to the comfort and convenience of the party. At various points along the route cheers were given the party and at Emerald a pretty scene was enacted when a number of school children lined the platform and cheered lustily as the train slowly moved by.

On board besides the Royal Party were the following: Hon. Senator Yeo, Premier and Mrs. Mathieson, Hon J. E. Wyatt and Miss Wanda Wyatt, Hon. James A. McNeil, Hon. A. E. Arsenault, John Richards, M. L. A., Dr. P. C. Murphy, John Agnew, Superintendent McEwen and a Guardian representative.

Its near approach heralded by booming of cannon crackers placed on the rail and the distant roll of cannons at Victoria Park as the Royal Salute pealed out, the train slowly backed

THE ROYAL VISIT TO SUMMERSIDE

(Special by Phone)

SUMMERSIDE, July 29— At nine a. m. H. R. H. the Duke of Connaught, accompanied only by her Royal Highness Princess Patricia owing to the indisposition of the Duchess, attended by his aide camp and captain of the Earl Grey was formally welcomed to Summerside by Mayor Morrisson and the Councillors, The Duke expressed his pleasure in revisiting the Island and visiting Summerside for the first time. The militia and the boy scouts took a prominent part in the performance and the high school pupils sang the usual patriotic song

Bouquets were presented by Miss Mary McLeod, daughter of Judge McLeod, and by Miss Patricia McLellan, daughter of Dr. McLellan.

Among those who assisted in welcoming His Excellency were, Hon. Judge and Mrs. McLeod, Neil and Mrs. McQuarrie, Henry and Mrs. Wright, Capt. Richards, Hon. J. W. Richards and the councillors and their wives. After these had been presented, several other citizens were presented to their Royal Highnesses by Mayor Morrison,

The Royal party, escorted by Mayor Morrison and accompanied by the councillors, and their wives, then drove out to the McNeil, Allan and Saunders for ranch, a distance of about two miles, from Summerside. The ranch was appropriately decorated with bunting and Union Jacks at the outer gate, which was adorned with an arch of maple leaves. Their Highnesses were met by Hon. Chas. Dalton, Dr. Alexander and Mrs. McNeil, J. and Mrs. Allan and A. C. and Mrs. Saunders.

Princess Patricia gracefully consented to christen the ranch, choosing the name St. Patrick in honor of His Excellency her father and of herself. Their Highnesses were greatly interested in the foxes and the method of raising them,

The keeper brought one out on his arm, where the fur was examined, and its qualities explained by Hon Charles Dalton. They then proceeded to the Holman and Hinton Ranch where they saw another ranch similiar to the one above referred to. After these ceremonies the Royal Party progressed to the hospital where in a few well chosen words by Hon. Judge McLeod, His Royal Highness was presented with a gold key with which he formally opened the hospital.

Their Highnesses and other guests were then shown through the Hospital, by nurses in uniform, His Excelency showing great interest by asking many practical questions. After the departure of their Highnesses amidst tumultuous cheers the hospital was thrown open for inspection by the public.

At the suggestion of Mrs. McLeod a collection in aid of the hospital, resulting in the realization of the sum of $50, the gold key was presented to the Duke as a souvenir of his visit in Summerside.

LONGBOAT BEATS TRACK RECORD

Defeats F. S. Cameron in Ten Mile Grind-His Time 53.10

The great Cameron-Longboat ten mile road race was pulled off under the most favorable circumstances at the Abegweit grounds in Charlottetown yesterday afternoon.

A beautiful day, an immense and enthusiastic crowd were the two outstanding features tending to ensure its complete success and that the attraction was well worthy of both the attendance and the enthusiasm goes without saying.

Longboat, famed as one of the world's greatest runners, and Cameron, plucky, popular and good rival in his past reputation were well worth seeing in action and competition.

Long before the race was scheduled to start the grandstand was filled and the oval lined with eager spectators.

At the outset Longboat took the lead and was never headed. The dusky Indian to the time and tune of "Red Wing" played by the 4th Regiment Band, started at once to work away from Fred and at the fifth mile had lapped his rival once. His first mile for a starter was done in 4.41, his second in 9.56, fourth in 20.33 and fifth in 26 min, 5 1-5 secs, beating the track record of 26.55 held by F. S. Cameron, his rival His time for six miles was 31-24; seven, 36.55; eight, 42.22 gaining another half lap on Fred here; nine, 48.49 and ten miles 53.10. This mark beat the old track record of 56.04 and was only two minutes and five seconds slower than Longboat's best ten mile performance.

Freddy Cameron finished in 55.38-2-5 and finished strong. Longboat's wonderful endurance was evidenced by his strong finish and absolute disregard for any assistance. He is a running machine of almost unlimited powers. His wife was an interested spectator on the grandstand and Michael Thomas and other P. E. I. Indians were among the keenest of the admirers of the redskin.

A quarter mile bike race, flying start, was run off and was won by George Prowse in 31.2-5 secs. J. Trainor, 2nd and J. Gaudet third.

A half mile bike race was captured after an exciting finish by J. Trainor J. Blanchard being second with N. Winchester third.

Among the audience on the grandstand and in carriages in the field were many more than the usual number of prominent ladies and gentlemen, and they manifested great interest in the developments of the race

Lancaster Bill Declared Ultra Vires-Decision Gives Rise to Speculation

(Canadian Press)

LONDON, July 29—Judgment was rendered today by the Privy Council in the test case submitted by the Dominion Government on the Marriage Question.

The holding is substantially to sustain the Supreme Court's decision in its leading points.

The Lancaster Bill, seeking to impose uniform marriage Laws on all Provinces, is declared Ultra Vires and the narrow limits within which the Dominion Legislators must work when approaching the Marriage Question are defined.

Lord Haldane said that, in their Lordship's opinion, there was no reason why what they considered to be a natural construction of the words "Solemnization of Marriage," having regard to the Law existing in Canada when the B. N. A. Act was passed, should not prevail. This conclusion disposed of the question.

Their Lordships avoided answering the questions relating to the validity of marriages of two Catholics before a Protestant, holding that such a point could be decided according to the broad constitutional interpretation they had laid down when such occasion came before the Courts in Canada.

(Canadian Press)

OTTAWA, July 29—There is some disposition in political circles to speculate on what is likely to happen now.

While many believe that the agitation for a Dominion marriage law will not be revived, there are others inclined to think that there will be an agitation for an amendment to the B. N. A. Act, which would give the Dominion Parliament the authority which the Courts have decided it does not at present possess.

The British protest was aimed at the provision to grant free passage in the Canal to certain American ships. It was believed to have been made largely in the interests of Canada. The British Government's decision to act further at this time is thought to have been brought about by the recent debates in the Senate, which have developed considerable endorsement of the British contention.

Senator Brandle, in charge of the Panama Bill today gave notice in the Senate that he would call up the measure for further consideration Monday. He declared he would keep the Bill before the Senate until finally disposed of. SIGNS OF WELCOME TO THE ROYAL PARTY

Pleasing features of the visit of the Vice Regal party are the many evidences of loyalty and patriotism which showed along the mapped out route of procession of the party from the station to the Government House. In the decorations of public and private properties and the display of bunting At the station the party alighted from the train and proceeded along a decorated walk protected from the crowd by railings, to the stand erected for their reception. This stand was nicely trimmed with red white and blue and carpeted and fitted appropriately. The station was decked with flags and chinese lanterns and candles were provided for night display. Other railway buildings, the stores department, freight shed and shops were gay with streamers and flags. Along Water Street private residences were decorated and the Victoria Hotel, Charlottetown Steam Navigation Company Offices, Charlottetown Club and Marine Offices were all nicely trimmed, especially the latter two. Queen Square School welcomed the visitors with a large sign of greeting and the Bank of Nova Scotia drapings were to be admired. The Colonial Building had its display of flags and the Post Office was dressed in red, white and blue streamers and emblematic flags of all varieties, the two edifices being joined by flags strung from one to the other. The Market and Peoples Theatre was appropriately draped and stores opposite on Richmond and Queen Sts, both by window and exterior decoration, vied with the public buildings in outward appearances of joyful greetings. The Canadian Bank of Commerce, the Royal Bank, the Caledonian Club, Union Commercial College, and Bank of Montreal were all splendidly dressed and so on to the City Hall where most impressing evidences of artistic draping were apparent on the Kent Street side.

Rochford Square strung with lanterns, West Kent School's Arch of Welcome, the Drill Shed in exterior decoration were all admirable tokens of warm welcome and the Government House entrance, from which the smoke of the salute had but recently drifted, was ovesshadowed by flags floating kindly in the breeze.

The Park roadway is strung for light effects and the Pavilion is a credit to its builders.
