J. W. Stewart has returned to his home in Mt. Ryan from the P. E. I. Hospital, where he was undergoing treatment for his hands which were frozen.

The Jas. Stewart Mfg. Co. Ltd., of Woodstock, Ont., makers of "Good Cheer" stoves, ranges and furnaces, have their advertisement on another page of this issue. This firm which is one of the largest in Canada has appointed Gordon L. Cohoon, manufacturer agent of this place their maritime representative.

There was a fair market yesterday, butter sold at twenty-four to twenty-five cents per pound, eggs per dozen twenty-four to twenty-five cents, pressed straw per ton five fifty and pressed hay eight fifty, loose straw per cwt. thirty cents and loose hay forty five to fifty cents, white oats per bushel thirty eight to forty cents and black oats forty to forty-two, pork per pound seven and one half to eight cents—and turkey per pound sixteen to eighteen cents, geese each one dollar to one twenty-five, chickens and ducks per pair seventy-five to one dollar.

James Cumins of Footroy, a suburb of Melbourne, Australia, and brother of C. B. Cumins, engineer of the S. S. Northumberland here, is an ardent patron of sport and especially of football in his antipodean home. He visited Charlottetown some months ago, on which occasion the Guardian had a pleasant call from him. It so happened that while Mr. Cumins was here he received a cable despatch telling that the Footscray Football Team had won what is there called the Premiership among the football teams of the Commonwealth. On his return in December last from a tour which had included Great Britain, Canada and the United States, Mr. Cumins entertained the members of the club at a "smoke night" in honor of their triumph, the proceedings being reported and described at great length in the Footscray Advertiser of December 19. A large hall, elaborately decorated as if for a ball, was the scene of operations. Mr. Cumins presided. One public man present told the Advertiser the following resolution of condolence was unanimously passed signed by P. Davis, John McKenna and S. American fleet in Sydney. This will give some idea of what the celebration was like without further reference to the elaborate program. Mr. Cumins distributed the twenty-one gold medals won by the club, "adding our congratulations, a sovereign to each that the members of the L. P. U. extend their sincere sympathy to the club. It also adds that Mr. Cumins, "year after year has been a veritable pillar of strength, and his financial assistance, his words of kind encouragement, and his entertainment of the players, always generously lavish, have had a wonderful stimulating effect." All of which will be of interest to each and all who had the pleasure of meeting Mr. Cumins when he visited this Province. There were 4,000 spectators present when the Footscray team for the fourth time won the premiership at Melbourne in December last.

The Halifax Maritime Merchant says: "The Hewson Wollen Mill people seemed bristling with optimism and the expectancy that 1909 would be the biggest year in their history. All through the period of depression the factory ran full time due largely to the hold on the trade their Tweeds got in the heyday of prosperity, and the gratifying Knickerbocker business that has been handed to them from every corner of Canada. During 1908 the West opened a new town every day. This year they expect to double the number, and almost before we realize it, the rolling prairies will be grid-ironed with steel and dotted with prosperous towns and cities. The centre of population is moving with the sun, and next to the most appreciated field, the Maritime Provinces, the Hewsons are seriously cultivating the trade of the West."

At the regular meeting of the L.P.U. held in their hall on Jan. 25th, the following resolution of condolence was unanimously passed signed by P. Davis, John McKenna and S. American fleet in Sydney. This will give some idea of what the celebration was like without further reference to the elaborate program. Mr. Cumins distributed the twenty-one gold medals won by the club, "adding our congratulations, a sovereign to each that the members of the L. P. U. extend their sincere sympathy to the club. It also adds that Mr. Cumins, "year after year has been a veritable pillar of strength, and his financial assistance, his words of kind encouragement, and his entertainment of the players, always generously lavish, have had a wonderful stimulating effect." All of which will be of interest to each and all who had the pleasure of meeting Mr. Cumins when he visited this Province. There were 4,000 spectators present when the Footscray team for the fourth time won the premiership at Melbourne in December last.

Summerside night, Tuesday Feb. 2nd, your friend from the western capital will be at the big Arena, meet them there and have a good time.

SILKS Guaranteed, black French Taffeta 69c. Special at

AND WHEN we say "guaranteed" it is not just a trifling figure of speech. It is not a more or less doubtful factory guarantee—it just means that we become personally responsible for every yard that we sell. That is to say—if you buy a dress or waist of this taffeta—and it splits or cracks within three months—we replace the silk free.

As to the silk—it is a fine soft French taffeta—19 inches wide—black only. The finish is bright and lustrous and the quality is equal to anything we have previously been able to offer you at 85c. Many stores—most stores—in fact would regard it as good value at a dollar, our price..... **69c**

Beware of imitations—our name is woven on every yard of the selvedge of the genuine goods.

And still Remnants

We have just been looking the matter up—and find that this has been the biggest remnant sale—in point of amount of sales that we have ever had—and we have been having Charlottetown's one great remnant sale for fifteen years.

Just want to remind you that we have still a lot of most attractive bargains that are well worth looking into.

There are dress goods, muslins, prints, white cottons, laces, veilings, ribbons, trimmings—and a host of other nice goods at prices that are simply a joke.

Summer Muslins
 going at one third off

On the second floor we have placed a big table full of last season's muslins and wash goods—dainty—fetching—trim patterns for street or evening wear. We have been selling a tremendous lot of these—but we thought perhaps you have not heard about them—hence this little reminder.

WHITE SALE.

Of course you are waiting for the table linens in the white sale at Paton's. And of course we shall not disappoint you. You needn't take printers' ink for it, you can take observation, you can bring with you the best knowledge obtainable regarding values; the better, the better we will be pleased, the more liberally you will buy. Some of the linens: 64-inch heavy cream laid linen table damasks, a dozen patterns, neat to bold scroll designs, 55c. 63-inch bleached Irish linen, table damasks, slightly, nice linens, these, and 50c. 64-inch heavy Scotch homespun table linens, damask effects, reversible, 55c. 1-29d2f.
