### New Planes Land In Winnipeg

MONTREAL, Que., Oct. 14 — Flown from Vancouver, where it was delivered last Friday, the second of the fleet of new planes for the trans-Canada Air Lines arrived in Winnipeg on Tuesday. Like the first, which remains at the coast, it is being used for training pilots.

A third plane, expected from the builders any day now will also be taken to Winnipeg, according to Phillip G. Johnson, vice president in charge of operations. The planes are Lockheed Electra 10's capable of carrying 10 passengers, pilot and a co-pilot. They have a wing span of 55 feet, an overall length

of 38 feet, seven inches, and weigh 10,500 pounds fully loaded. Maximum speed is 206 miles an hour, with cruising speed of 183. Fuel capacity is 207 gallons. Installation of three ground radio stations at Winnipeg, Regina and Leithbridge is proceeding. Johnston stated. They will be equipped with ten-channel sets, 500 watt transmitters, two way voice communication will keep the pilots in touch with the ground and enable them to receive weather reports and special directions.

THE BAPTIST CHURCH—The Rev. H. L. Denton preaches tomorrow morning on "The Upward Look in the Dawning." The Misses Down sing, at this service, a selected duet. At the evening service Mr. Denton gives attention to a consideration of the liquor habit, the sermon is "The Cross—and the Cocktail." The choir will present a selected anthem. Growing out of some years of experience of meeting with people and learning of their problems, and having been able, by God's help, in personal conference to encourage some who were discouraged, ease some light on life's problems, and help in various types and conditions of people, the Pastor of the Charlottetown Baptist Church has decided to set apart a certain period each week for such personal conferences. Each Thursday afternoon, from 3 to 6 o'clock he will be in the church study (door fronting on Fitzroy Street) and will be glad to meet and talk with any who desire to make use of this conference period.

### Restored To Health Grateful Tribute

Mr. W. E. Enman, who has just returned from Halifax, and will be in Charlottetown for about ten days, reports that many splendid cures are being effected throughout the Maritime Provinces by means of the Farador. For example, Mrs. Henry Arsenault, wife of the janitor of the Knights of Columbus Home, Halifax, states: "By means of the Farador treatments I have been entirely relieved of goitre, stomach trouble and general ill health. On account of my relief my brother and sister in Newfoundland also purchased Faradors and are well satisfied with the results."

Excellent cures have been obtained in cases of rheumatism, eczema, piles, asthma, catarrh, etc.

Ask for literature with long list of healed and satisfied users.

Those who want a Farador, or who want their Farador looked after, should apply at once.

### Powers Likely To Meet In Brussels

WASHINGTON, Oct. 15—(AP)—There were unofficial predictions today that Brussels will be selected as the place for conference of Nine-Power Treaty signatories to deal with the Sino-Japanese conflict.

No public confirmation of this came, however, from conferences in which President Roosevelt canvassed the international situation.

The President talked over foreign affairs generally, including American participation in the proposed parity, with Sumner Welles, undersecretary of state, and William Phillips, American Ambassador to Italy.
