

NO 40-CURE
\$1 SPENT IN ZAMBUK CURED

This was the experience of Pte. C. Oakley of the 96th Highlanders, Saskatoon. He writes:

"While employed in a stone yard, I cut my leg very badly. I immediately went to doctor who sewed up the wound and attended me for five weeks, during which time I was obliged to give up my work. At the end of that time the wound had not healed, and the doctor advised me to go to hospital. As the doctor's charge was \$40, and he had done me absolutely no good, I determined to try something on my own account, and hearing Zam-Buk highly recommended, I commenced using it. In two weeks the wound had healed that I was able to return to my work and a complete cure. One dollar's worth of Zam-Buk did what a forty-dollar treatment had failed to do! I shall never be without Zam-Buk again—Am taking a supply with me to the front, and think every other soldier should do the same."

Profit by others' experience, and when you sustain an injury, apply Zam-Buk in the first place, and save yourself needless suffering and expense.

Zam-Buk is equally good for burns, bruises, and all other injuries; also for eczema, ulcers, abscesses, eruptions, boils, pits, running sores and blood-poisoning. Best for children's sores. All druggists sell, but for \$1.25, or direct from Zam-Buk Co., Toronto. Send 1c. stamp and trial box will be mailed you.

—HOCKEY.—What was probably the last game of hockey took place Thursday night, in the Alberton rink, between the Tignish and Alberton teams, and resulted in a victory for Alberton, the score being 9-1. The Tignish boys put up a good fight but were labouring under disadvantages in having no practice for three weeks, their open air rink having been spoiled owing to weather conditions. In the first half each team scored but in the second half the Alberton team scored 2. Ozani feels a trifle discomfited, but then he has been having things his own way all winter and he must expect a set back sometimes. Alberton played a good game and the boys are willing to be beaten by such opponents. The line up was as follows:—Alberton: George Profit, Goal; Foster Skerry, Defence; Hubert Rogers, Defence; R. McArthur, Rover; David Miller, Centre; F. Dunn, R. Wing; G. Bowness, L. Wing. Tignish:—Geo. Gallant, Goal; Claud Murphy, Defence; James Scott, Defence; Ozani Melancon, Rover; John MacFadyen, Centre; Harold Hackett, R. Wing; Clarence Whalen, L. Wing.—Y.

ITCHY SALT RHEUM

Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, oozes, crises and scabs, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering, which is commonly worse at night.

Local applications may do some good, but they cannot permanently relieve. The disease will continue to annoy, pain and perhaps agonize, until the blood has been purified and the general health improved.

Ask your druggist for Hood's Sarsaparilla, the good old reliable family remedy. It has given perfect satisfaction in thousands of cases. Insist on having Hood's Sarsaparilla, for no substitute acts like it. Get it today.

—WANTED.—A quantity of Island Grown Seed Wheat also Buckland Wheat. Submit samples and price to Kennedy & Co., O'Leary, 8030-31-M61.
