

Give Them VINOL

Good for the aging folks and the weak ones. This palatable preparation benefits by building a resistance to the destructive disease forces which are most active on "Sun-Set" side of life—it keeps the well strong and strengthens the weak.

Good For The Children

When little bodies—weakened by study or some other cause—stand in the shadow of those contagious which can best be prevented by resisting power from within give Vinol. There's nothing so effective.

HOME FROM THE WAR

Following are brief sketches of the Island soldiers from overseas who arrived home this week:

Pte. Earle McLean.

Pte. McLean is a brother of the late Jack McLean of this city, who was one of the first Island boys to fall in the war, having been killed in action on Oct. 1st, 1915. Both brothers fought in the 26th, in France. Earle had enlisted in the 105th and was transferred to the other battalion. He served nine months in France and was wounded on the 2nd, Sept. 1918, at Canal du Nord, being hit by shrapnel in the right hip. For a time he was with the 73rd, Winnipeg Grenadier Guards, but in September last was transferred back again to the 26th. He went overseas as a Bandsman. While with the 26th and 73rd, he was most of the time around Amiens and Arras. McLean like many other soldiers has the highest commendation for Major (Rev.) George C. Taylor and the related instances showing what that beloved chaplain had done to help the men.

McLean was in Buxton, in the Granville Hospital, where Russel Chandler is convalescing at present. He met Mr. Charles H. Chandler, when he was overseas recently. There are several other Islanders in the Hospital, who are expected home soon, including Ike Pound, who enlisted at Winnipeg, Capt. C. J. Stewart, M. C., son-in-law of Hon. Benj. Rogers of Alberton, Charles Batt, J. Saunders of Charlottetown, Batt, who was with the 26th was wounded at Amiens.

Gnr. C. R. McDonald.

Gunner McDonald was decorated with the Military Medal and Mons Cross and Star. He is a son of Mr. Joseph McDonald of Souris. He was among the first group of five leaving the Island. He went first to Sydney with the Artillery Detachment and left there for overseas with the original 17th, Battery arriving in England on November 14th, and reaching France in Feb. 1915, with the First Contingent. He fought for three years and eight months in France, on various parts of the front, taking part in the battles of Neuve, Chappell, second battle of Ypres, Messines, the Somme, Hill 70, Vimy Ridge, Amiens and Arras. In September, 1918 he left France on leave for England and was in the Convalescent Home at Epsom when the armistice was signed. He was decorated with the Military Medal by General McDonnell for bravery in the field after the Battle of Hill 70.

Pte. F. H. Watts.

Pte. Watts is a son of Mr. Fred Watts of York. He enlisted in the 105th, was transferred to the 13th; fought nine months in France at Lens, Vimy Ridge and Hill 70. On August 15, 1917, while at Hill 70, he received a severe bullet wound in the face and spent five months in the hospitals. After recovering he was taken on the staff of the Infantry Reserve Depot. He has two brothers overseas, namely Corpl. Reuben Watts, who also enlisted in the 105th, being with his brother in the 13th in the same company, the same platoon. In Sept. 1918 he was badly wounded by shrapnel in the knee in the battle of Cambrai. The other brother is Gunner George Watts who is with the 8th Siege Battery, and is at present "Somewhere in Germany."

Pte. A. J. Horton.

Pte. Horton of Murray River enlisted in the R. C. R's. at Halifax and fought for eighteen months in France. He was severely wounded by shrapnel in the face at Passchendaele Nov. 1917, and was obliged to spend thirteen months in the Hospital.

Sgt. Brien.

Sgt. Brien although coming to Charlottetown is a sturdy son of Erin being born in Cork, Ireland. He was in Halifax when the war broke out and went overseas with the 9th, Siege Battery, and was also with the Second and Heavy Battery. He fought for twelve months in France until trench fever obliged him to return to England. He came out to Canada on the Aquitania and as his papers were made out requiring him to report at Charlottetown, he came on to this city.

Pte. P. C. Young.

Pte. Young of Wood Islands, enlisted in the 105th, was transferred to the 26th, fought seven months in France, on the Somme, Arras and Amiens. After being a while at Amiens, the regiment was sent back to Arras, and here Young was put on the casualty list on the 7th of August, being blown up. He was sent to England suffering with trench concussion. He was in the Hospital at Buxton when the armistice was signed.

Pte. P. J. Bourke.

Pte. Bourke, of Charlottetown enlisted in Glace Bay, went overseas with the 186th, was transferred to the 85th, in England; fought eight months in France with that Regiment until he received a machine gun wound in the right hip and was also gassed at Amiens, August 10th.

Pte. Ernest Taylor.

Pte. Taylor of Kingsboro, is another R. C. R. man. He fought four and

a half months in France and left there in the middle of December after having spent sometime in Mons.

Pte. Edward Gallant.

Pte. Gallant of St. Louis enlisted in New Brunswick in a French Battalion the 22nd. He also fought with the 26th, and the 87th; he was three years in France and four times wounded. He received two machine bullet wounds through the left thigh, at Cambrai, also a shrapnel wound in the leg at Amiens.

Private A. Clarke.

Private Clarke whose home is west of Summerside was two years in France with the Canadian Railway Troops.

On arriving in the city the boys were met at the stations by Mayor Wright, Premier Arsenault and a number of citizens and accorded a hearty welcome. They were then driven to the G. W. V. A., Rooms, where addresses of welcome were given by Major Wright, ex-mayor Brown, and Lieut. Norman Lowther. They were also tendered hot coffee, cake and sandwiches by the Ladies' Auxiliary.

YESTERDAY'S ICE RACES A GREAT SUCCESS

The Charlottetown Driving Club races yesterday afternoon were a decided success. The splendid weather brought out a large attendance of spectators from city and country. Every one seemed to enjoy the sport and went away resolved to come again. The Club are always happy to see their friends from town and country at their races as it increases the interest in the "King of Sports." The ice was a bit slushy so that the time made was really very good.

Mr. Hammond Kelly made a very popular win in the trot with his fast Colorado L. 2:10—his third heat in 1:06 was beautifully trotted.

Mr. McDonald's horse "Troublemaker" was not as good as usual. The pace brought out a new one for the fast classes in Barney Mac owned by Mr. W. P. Fox. Barney won by a nice margin after losing the first heat to Mr. Wood's pacer, Sweet Echo. The following is the summary:

CLASS A. 2:20 TROT

Colorado L. (H. Kelly) 1:11. Commodore Boy (McKinnon Drug Co.) 2:22. Troublemaker (J. McDonald) 2:33. Best time 1:06

2:40 PACE CLASS A.

Barney Mac (W. P. Fox) 4:11.1. Sweet Echo (H. Wood) 4:13.1. Nutwood (P. Byrne) 3:22.3. Lady (R. White) 2:34.2. Best time 1:10 1/4

The British Soldier 2:15 1/2 owned by Mr. W. S. McKie, is being prepared for the big Free-For-All trot next Wednesday, February 12. Fred Cameron the noted reinsman will hold the ribbons over the Chestnut whirlwind. Won't it be pleasant to see the soldier trot?

Mr. W. S. Grant of the Telephone Co., is installing an electric timer for the races on Feb. 12 and 13. Merchants races are going to be up-to-date in every respect.

Mr. Paynter, owner of the fast pacer Ona 2:19 is getting her ready for "Merchants Races" next week. Gavin Harding of Grahams Road will likely be in with Queen Catherine for "Merchants Days" racing next week Feb. 12 and Feb. 13.

Mr. Henry Hooper will enter and start his splendid trotter Brenton H. 2:16 1/2 in the free-for-all trot Feb. 12.

STOCK QUOTATIONS

THE CENTRAL GUARDIAN

BAND.—At the rink tonight.

FROM MONTREAL.—Mr.

A REST ROOM.—It is very pleasing to learn that the firm of Reddin Bros are making plans to meet the need of a rest room in this city. In their new store in the premises formerly occupied by Stanley Bros, which is to be opened in the course of a month or so they have provided 200 feet of floor space to be devoted to this object. Here will be found writing desks, telephone, lounges for the comfort of the weary shoppers. There will be a separate retiring room at the head of the spacious stairway for ladies where a mirror and other conveniences may be found. The carpenters and plumbers are now busy getting Messrs. Reddin Bros new store ready for occupation. This store they claim when finished will be second to none in the Dominion, embracing features altogether new in the drug business here. The firm of McDougall and McAuley are doing the remodelling work and J. A. Trainor the painting.

PARIS, Feb. 5.—From the moment of the first discussion of the League of Nations, France's one fear was that such a League would not be strong enough to protect its members against secretly prepared aggressions. Now that the formation of a League is assured, the following editorial statement in the semi-official Temps leaves no doubt on this subject: "Every Government affiliated with the League of Nations must have the will and power to sign a simple agreement according to which it would agree to take the field instantly with its entire strength against any state that threatens attack. France is ready to sign, the United States is doubtless also ready. No other interpretation can be given to Mr. Wilson's speech on Monday and there will be rejoicing when this interpretation is confirmed by facts."

France Has Faith In League of Nations

Permanant Force Being Reconstituted

LONDON, Feb. 4.—Every Canadian unit is to submit a return of non-commissioned officers and men, members of the permanent force, who wish to re-engage or have still one year and upwards to serve since their last renewal. The Canadian Associated Press correspondent has been notified that the permanent force is being reconstituted and will have a strength not exceeding 5000 men. The terms of new enlistment will be two years with pay the same as the expeditious forces.

House of Representatives For League of Nations

PARIS, Feb. 3.—An international people's House of Representatives to be established in connection with the League of Nations is a striking proposal contained in a memorandum submitted to the Peace Conference by Charles J. Doherty, Canadian Minister of Justice through the British League of Nations commission of which he is a member. Every nation in the world would be represented on this body and the delegates would be representatives of the people themselves. This plan is to be presented to the various delegations in the peace conference. Mr. Doherty's view is that it would be a vital mistake to declare at this time the principle that the interests of humanity are to be confined only to sovereign states. He believes that the present time is opportune to interest the people of the world directly in methods for the prevention of war and that the opportunity ought to be seized.

Another Great Picture At Prince Edward

Manager Gallagher, delighted his patrons with a decidedly attractive bill-board at the Prince Edward Theatre yesterday which is to be repeated today. This is nothing more or less than William Fox's massive and thrilling photodramatic romance "The Conqueror" based on the life of one of America's frontier heroes, General Sam Houston of Texas, whose life is depicted on the screen in a wealth of realism and detail. The Mexican marauders of the early 40's and their depredations and their repulse by the Cavalrymen and Indians under General Houston is one of the most picturesque battle scenes ever filmed.

DISLIKE FOR FOOD

Every healthy man and woman should have a natural desire for food at meal times. This means that the digestion is in working order and that the blood is in good condition, but if you feel a dislike for food—the sight and smell of wholesome food repels you—then you may be sure that nature is telling you that all is not well. If after a night's rest you have no appetite for breakfast, your digestion requires attention. If your food is distasteful, or if you feel that it is a trouble to eat, your stomach is rebelling. You do not digest properly the food you are taking and are therefore not hungry.

All these symptoms of a disordered digestion mean that the blood is not absorbing proper nourishment from the food, for the work of the blood is to collect proper nourishment from food and impart it to the system. The stomach tries to refuse food the nutriment from which the blood cannot absorb, and this causes the lack of appetite. If you force yourself to eat, the undigested food becomes a clog to the system. Nature is warning you. Dr. Williams' Pink Pills alone give the blood the richness and purity that it requires to perform its natural function. That is why Dr. Williams' Pink Pills cure the most obstinate cases of indigestion—why they will cure any trouble due to poor blood.

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Canadian Ministers Busy in Paris

(Special to the Guardian) PARIS, Feb. 5.—The Canadian Ministers at the peace conference are kept busy by their various duties. There is a daily meeting of the Ministers. Sir George Foster and Hon. Mr. Doherty have had a conference with representatives of the French Government and with the delegates of Roumania at the Conference. Sir Robert Borden had a conference with Sir George Riddell, who is head of the British press section here about the proposed Imperial press conference in Canada next September.

"Tiz"—A Joy To Sore, Tired Feet

Use "Tiz" for aching, burning, puffing up feet and corns or callouses

Good-bye, sore feet, burning, swollen feet, tender feet, tired feet, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudate which puff up the feet. Use "Tiz" wear smaller shoes. Use "Tiz" forget your foot misery. Ah! how comfortable your feet feel. Get a 26-cent box of "Tiz" now any druggist or department store. Don't suffer. Have good feet, feel feet that never swell, never hurt, never get tired. A year's comfort guaranteed or money refunded.

Acid in Stomach Sours the Food

SAYS EXCESS OF HYDROCHLORIC ACID IS CAUSE OF INDIGESTION.

A well-known authority, says that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and most folks believe, from a lack of juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts fermentation, then our meals like garbage in a can, forming fluids and gases which inflate the stomach like a toy balloon, then get that heavy, lumpy feeling in the chest, we eructa a sour, belch gas, or have heartburn, or, waterbrash, or nausea.

He tells us to lay aside digestive aids and instead, get any pharmacy four ounces of Salts and take a tablespoonful glass of water before breakfast while it is effervescent and use more to continue this for one week. While relief follows the first day, it is important to neutralize acidity, remove the gas-madness, start the liver, stimulate the kidneys and thus promote a flow of pure digestive juices. Jad Salts is inexpensive and made from the acid of grapes and lemon juice, combined with sodium phosphate. This less salts is used by thousands of people for stomach trouble with excellent results.
