PROVED IN MOUNT FOREST.

Every doctor in this town tried his best to relieve Mrs. J. Wilton of asthma, none succeeded. "For years, she states, "I was a dreadful sufferer; nothing gave relief. At times I found it necessary to have all the doors and windows open to get my breath. When in despair I heard of "Catarrhoxone." I used it and now am perfectly cured." This proves beyond doubt that any case of Asthma is curable with Catarrhoxone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try "Catarrhoxone" yourself; it's guaranteed.
