"H. J. MABON Druggist & Optician, Souris, P. E. Island

remaineth to the people of God" at the age of 73 years. Life in the home, the church and community is the poorer for her departure. She was a member of the Vernon River Methodist Church from her youth up, interested and helpful in all its activities, but especially in the work of the Women's Missionary Society, of which she was a life member and also for some years president of the Vernon River Auxiliary.

Greatly beloved and held in highest esteem by all who were privileged with her acquaintance; it was in her home and also outside it she cheerfully displayed the qualities of a high and holy womanhood. In prosperity and adversity, her sympathy soothed, her wise counsels directed to right ends by righteous means. Quiet, unobtrusive, patient, courageous and in her tongue was the law of kindness.

Her last illness was marked by a holy patience and sweet resignation to the will of God, and when the summons came it was but the breaking of the fetters, a loosening of the cable when the soul sailed away to its desired haven.

She leaves to mourn her, three sisters, Mrs. John Hayden, Mrs. Daniel Marchon, Mrs. Samuel Genny, a number of nieces and nephews and a large circle of friends. The funeral service was conducted in the home and church on Thursday 7th by Rev. T.W. Hodgson and was attended by a large and representative gathering from the community and surrounding district.

"MOTHER! DON'T TAKE CHANCES IF CHILD'S TONGUE IS COATED" IF CROSS, FEVERISH, SICK, BILIOUS, CLEAN LITTLE LIVER AND BOWELS. A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

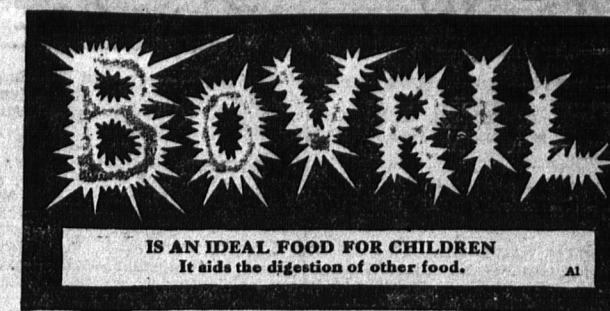

"Look at the tongue, Mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipated poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" oftentimes all that is necessary. It should be the first treatment given in any sickness.

"Beware of counterfeit fig syrups. Ask your druggist for a 60-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

"After an earthly sojourn which extended from July 8th 1842 to Sept. 27, 1915, Mrs. Albert Boswell passed peacefully to the realm of spirits, beloved as a wife, mother, sister and friend. Her illness was protracted and peculiar, but she bore it with patience and humble resignation to the Divine Will. She was gentle, kind and reserved and will be greatly missed in the home. Mrs. Boswell was the youngest daughter of the late Samuel Lane, of Mt. Mellick (near Pownal) and fifty four years ago she was united in marriage with Mr. Albert Boswell of the same place. To this union thirteen children were born. Five sons and five daughters with the heartbroken husband survive. The sons are Henry and Almon, of Marshfield, George and Albert of Dunstaffnage and Lane on the homestead, Mt. Mellick. The daughters are Mrs. Samuel Stewart, Dunstaffnage; Mrs. Lincoln Irving, Cherry Valley; Mrs. Wallace Wood, Alexandria; Mrs. Richard Stewart, Mt. Albion and Mrs. Nell Darrah, Marshfield. One sister, Mrs. James Jenkins and one brother Mr. J. Cooney Lane, both of Glenfinnan, also survive. The funeral service was conducted in the home of the deceased, Rev. E. S. Wooker, and was largely attended. Interment was at Pownal Cemetery.
