### Have You Seen The Domestic Vacuum Cleaner?

It is one of the 20th Century wonders. It cleans carpets, rugs, furniture, upholstery, mattresses, draperies, in fact it will clean almost anything that carries a particle of dust. It is simple of construction and easily worked and is used by more than 100,000 house-wives in all parts of the world with the greatest of satisfaction. We have three models in stock, a description of which is submitted below. Ask to be shown these goods when in town on display at our hardware counter.

Model A--Has three bellows and similar in construction to Model B, except that it is somewhat smaller and is not equipped with ball bearings. It has been found most satisfactory in smaller homes. Weight 9 1/2 lbs. Price....\$10.00

Model B--Made of three ply veneered wood, beautifully finished. This machine is substantially built--requires no oiling and with a reasonable amount of care will last a life time. The handle bale and other metal parts highly nickled. Equipped with three powerful bellows, Case hardened ball bearings throughout, and a tilting bar. Less than 7 inches high and will go under most any furniture in your home. Weight 10 1/2 lbs. Price.....\$15.25

Model C--Has three bellows and is similar to Model B, except it is smaller and is not equipped with the adjustable nozzle roller. It is a very effective cleaner, and well worth the price asked. Weight 9 1/2 lbs. Price \$12.50
