**Catarrah Cannot be Cured**  
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrah is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrah Cure is taken internally, and acts through the blood on the mucous surfaces of the system. Hall's Catarrah Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrah Cure is what produces such wonderful results in catarrah conditions. Send for testimonials free.

"MR. R. R. HOWLETT is Guardian agent for Annandale and vicinity."

"ANNANDALE. — The fishermen are doing very well lately. Mr. James Robertson had a fine catch of cod the other day, but there are no mackerel at all. The farmers have finished the grain, and are busy threshing. Mr. A. D. McDonald, Durrell, had a fine train-load of early potatoes to Annandale last evening, the first of the season. Reports of the potato crops are good. They are keeping quite green yet, which is a good sign of sound crop. Mr. George Allen, of J. Francis & Sons, Fortune Bridge, was a visitor to Poplar Point lately, the guest of Capt. Richards. Mr. John Howlett is having his residence painted. The work is being done by Mr. E. Jeffrey, Little Pond. There was a nice missionary meeting held in Baptist church on Wednesday evening. After the meeting refreshments were served. The affair proved a financial success. Rev. R. N. Rand will preach his farewell sermon a short period before leaving to take a term in college. Mr. J. M. Morrow, merchant, Annandale, went to Georgetown in his gasoline boat last evening. U

### False Economy of Cheap Spectacles

Sight is too precious to trifle with. When buying spectacles buy a good pair. We use perfect lenses. They cost a little more than the commoner kinds, but the difference in comfort is worth many times the difference in price. Eyes examined scientifically and properly fitted.
