SPECIAL ADDED ATTRACTION

CHARLIE CHAPLIN IN "A Dog's Life"

THE CENTRAL GUARDIAN

DR. ROBBINS, Dental Parlors, Royal Bank Buildings. 6821-36MEtf.

MURRAY HARBOR CIRCUIT.—Services February 22 White Sands at 11, Cape Bear at 2.30, Harbor at 6.30.

CLIFTON SERVICES.—Rev. H. Pierce will conduct services, Sunday Feb 22nd as follows:—Clifton 11 a. m., Mt. Herbert 2.30, p. m. Pownal, 7 p. m.

"WHY SHE LOVED HIM".—There will be a rehearsal tonight of all the principals, soloists and adult choruses in the Lyceum Hall at 1 o'clock. 2i Fri.Mon

RECEIVING CONGRATULATIONS.—The popular bank manager, Mr. Bennett of Murray Harbor has recently joined the ranks of the benedicts, and is receiving the congratulations of his friends.

ORPHANAGE TEA.—The tea in the market hall last evening in aid of the Mount Herbert Orphanage was largely patronized. A splendid repast was served including such good things as cold roast beef, cold ham and tongue chicken and potato salads, all kinds of cake and other delicacies. The proceeds will net a substantial amount for the purpose intended.

BOYS CONFERENCE.—Every older boy over fifteen years living in North West Queens Sunday School District should plan to attend the District Boys' Conference, Hunter River on Saturday February 21st. The day session will be held at the Presbyterian Church opening at ten o'clock. The homes of Hunter River will furnish dinner. There are four things which appeals to every boy!—Straight from the shoulder talks from the leaders; the group games in the afternoon; the big banquet and the jolly sing song. Every man interested in the betterment of boys should attend, and urge the boys of his church to come with him.

FIRES AT HUNTER RIVER.—On Saturday, 8th inst., a destructive fire occurred on the farm of Mr. John McPherson. It started about three o'clock in the morning in an outbuilding in which was stored a considerable quantity of lime. This building together with two other barns containing farm machinery, stock, 11 head of cattle and one horse, besides hens, pigs and about 400 bushels of oats and five or six tons of hay, etc., were all destroyed. The loss is estimated at about $3,000; insurance only $600. Because of the thaw and abundance of water and hard work the house was saved. Just when the fire was over, another fire broke out in the stable of Mr. Gordon Brown, whose farm adjoins Mr. MacPherson's. It was fortunately discovered in time and was soon extinguished. On the same night, P. J. Noy & Co., also of Hunter River, lost a building and quantity of goods—about $1,000 worth—by fire. This was also caused by wet lime heating and igniting.

VALLEYFIELD SERVICE.—Rev W. H. Spencer will preach in Valleyfield next Sabbath and on Monday following at 2 p. m.

NEW GLASGOW AND BRADALBANE.—There will be preaching services in the churches of Christ on next Lord's day 22nd as follows: New Glasgow 11 a. m., Fredericton Hall, 3.30 p.m., Bradalbane, 7 p.m.

THE CAR FERRY.—The car ferry steamer left Borden at 9.10 yesterday and arrived at Tormentine at 1.45. She left there at 3.50 and got back to Borden at 6.15 p. m. The train arrived in the city about 10 o'clock.

FALSE ALARM.—For the second times yesterday the firemen were called out when the alarm sounded at 9.45 for a supposed fire at the residence of Capt John Hughes Water Street. There was nothing more serious than a few sparks from the chimney.

BAD FIRE YESTERDAY.—The fire alarm sounded at 3.40 yesterday afternoon for a bad fire on Water Street in a double house owned by Mrs. Gertrude Doyle. This house was tenanted on the western side by Mr. Fenton Higgins and at the eastern end by Mr. Joseph W. McDonald. The fire started in Mr. Higgins end of this house, no person being in at the time. It appears to have caught in the wall underneath a stairway near the front of the building. The fire spread with rapidity through the walls and for awhile the firemen had an exceedingly difficult job to get control of the flames. It was not before the house was very badly damaged that it was finally extinguished. The side occupied by Mr. Higgins will be uninhabitable for some time, the damage from water alone being quite heavy, and a good deal of the contents of the house were ruined in this way and by smoke. The other end of the house was chiefly damaged by water and smoke. Nothing but the concerted efforts of the firemen saved the building from being a prey to the flames, a heavy gale being in progress at the time of the fire.

PERSONALS

Miss Annie Mullin, city, left yesterday on a trip to Montreal.

Mr. Heber Large was a passenger by yesterday morning's train, going to Mattadogan, N. B.

Miss Genoa Lewis, Newport, spent the week end at De Gros Marsh the guest of Miss Mary McLean.

Mr. James Thompson, of the Sheep and Goat Division, Ottawa, who has been on the Island for the past two months, leaves this morning on return to Ottawa.

Miss S. Alexandria Ross, professional nurse of New York City, has arrived home to be at the bedside of her mother, Mrs. J. M. Ross, Wheatley River, who is seriously ill.

HOCKEY

P. W. C.—10 C. B. C.—0

P. W. C. won an easy victory over C. B. C. in the Arena Wednesday night by the score of 10 to 0. The game was fast notwithstanding the heavy ice. A feature of the game was the speculative stopping by Campbell for P. W. C., while Hale for C.B.C., lived up to his usual reputation as a goal tender. This is the second large victory for P. W. C. this season, they formerly defeated U.C.C., by the score 11 to 0. P. W. C. are anxious to play the bankers of Charlottetown as soon as arrangements can be completed. The game was ably handled by "Chic" Williams.

The line up was as follows:—

P. W. C.		C. B. C.
	Centre	
McIntyre		Phillips
	L. Wing	
Anderson		Crawford
	R. Wing	
Gordon		B. Wonnacott
	Subs.	
McDonald		Sellis
Howatt		Furness
F. Campbell	Goal	W. Hale
	Defence	
Love		Large
Craig		L. Wonnacott

Over There—
Over Here

STAG Chewing Tobacco is appreciated by both of Canada's war units—those who fought in Flanders and those who served at home.

It is also enjoyed by civilians of all classes throughout Canada and is recognized as being

Sample box free if you mention this paper and enclose 2c stamp to pay postage.

The Fisherman's Engine

—an engine built exclusively for salt water boats—designed to meet every need of the Atlantic Coast fisherman—simple, sturdy in construction—equipped with make-and-break ignition and plunger pump for water circulation. These are a few of the points which have established the

Fairbanks-Morse Type "M" Engine
3-5-8-10 or 16 H.P.

as the practical engine for fishing and work boats. Back of all this is a service that is rendered by experts who have studied every detail of the Atlantic Coast fisherman's requirements—men who have lived with and among you. They will advise you—they will help you select the right engine for your boat.

Consult them today.
