Farmers Need Beware Sale Press for Mixed Feeds

There is a great variety of ready mixed feeds on the market for all classes of live stock and poultry, and it is a mistake to believe that W. R. White, Plant Product, Quebec City, Dominion Department of Agriculture, told the Quebec Live Stock Breeders' Association at their recent meeting in Quebec City that Government control, keen competition, and a better knowledge of animal nutrition, he said, have all contributed in recent years to a substantial improvement in the general quality and suitability of such feeds.

FINANCE

By Frederiek Gardner Associated Press Financial Writer. PLANET MERCURY UNUSUAL SIGHT IN FEBRUARY SKY

(Prepared by the Hayden Planetarium of the American Museum of Natural History in New York City) On February 20, the planets Jupiter and Saturn will be in conjunction for the third time within six months, an unusual sky event as the last time such a series of conjunctions appeared in the heavens was 258 years ago. The years 1682-1683. These two bright planets will be a beautiful sight in the western sky in the early evening, quite close together with Jupiter a little more than a degree north of Saturn.

Two camped soldiers from the Imperial army have arrived at Camp Borden to take important appointments with Canada's 1st Armored Division. They are men whose combined service includes soldiering in England, France, Egypt, India and Palestine. Col. J. F. Farrington might have been in the R.A.F. had not the last war ended when it did. He was in Egypt as a student pilot with a training career and he returned to work with armored cars. He will be A.A. and Q.M.G. of the 1st Armored Division. Lieut.-Col. E. L. Fanshaw (right), who will be Major-General E. W. Sansom's G.S.O. 1, carried out a "special appointment" with the B.E.F. in France in the days before the republic capitulated.

Toughened by three years of guerrilla warfare with Arab terrorists, 8,000 young Palestine Jews have joined various branches of the empire's fighting forces. Their tiny homeland has become one of the strategic spots for British defence in the eastern Mediterranean. Here are shown some of the 1,500 Jewish recruits to the R. A. F. on parade. Their comrades are already fighting in Egypt and Greece.
