"ENCHANTMENT" TRACES LOVE IN TWO RACES

With an unusual and appealing romantic theme, Samuel Goldwyn's production, "Enchantment," co-stars David Niven, Teresa Wright, Evelyn Keyes and Farley Granger...

The RKO Radio release has its setting in a stately old home in London. The first of the two love affairs that motivate the action takes place around the turn of the century...

In the earlier romance Niven and Miss Wright are the principals, but family jealousy breaks it up, and Niven is a disappointed and lonely old man at the period of the second affair...

Province's Name The province of Saskatchewan was named after the Saskatchewan river, whose name is an Indian term meaning rapid river.

On Tuesday afternoon a ditch was dug around the school grounds to prevent cars from parking there.

Such an action was brought to a head when one student suffered a severe gash when he fell on a broken bottle, necessitating his removal to the hospital.

It is intended to place some signs forbidding trespassing, so that those trying to cross the ditch will do so at their own risk.

It is the hope of the school authorities that this will have the support of the citizens in this important and perhaps personal matter.

A recent item appearing in a Florida paper will be of interest to citizens in this community.

Mr. Robert MacNeil Sims recently received a scholarship from the woman's auxiliary of Gorgas American Legion in Birmingham.

Mr. Sims is a graduate of Melhian High School. The scholarship will provide tuition for the student with his senior year at Birmingham Southern College where he has majored in Chemistry.

During his years there he has been editor of the College newspaper "Hilltop News", President of Kappa-Phi-Kappa; honorary educational officer in his social Fraternity Theta-Phi. He is active in campus music and dramatic production, and started last spring in the campus production of "The Gilbert and Sullivan operetta 'H.M.S. Pinafore'." He was recently tapped by Omicron-Beta-Kappa, upper class leadership outstanding service to the school. Mr. Sims is a cousin of Mr. and Mrs. Beecher Dewar in Brudenell.

Mr. Clark of the Prince Edward Island Fur Pool in Summerside was a business visitor to Georgetown on Wednesday, where he listed the various ranchers in the district who are ranching minks.

This is done to enable the Fur Pool to distribute their literature and market reports to the ranchers. From here Mr. Clark motored to Fortune where fox ranching is extensively carried on.

The first sailing schooner of the fall shipping season entered Georgetown harbor on Monday, October 3rd and proceeded up the river to Montague, piloted by Mr. Temple Goteil. In Montague she will take on a cargo of produce loaded by Poole and Thompson.

The monthly meeting of the Georgetown Community Welfare League was held in the Council Chambers on Monday night. President F. J. Solomon occupied the chair. A large attendance of members was on hand for the meeting. The minutes and financial reports were read by the secretary and treasurer and both adopted. The League's Entertainment Committee has increased its number to eleven and to this will be added representation from the Town Council. Future entertainments to raise money to augment the building fund of the new Recreational Center were discussed and it was decided to hold a card party and dance on Monday next, which is Thanksgiving Day. A committee of five was appointed to contact various Maritime firms in the interests of the League and to make arrangements for the holding of a lottery, for which a really first class prize will be offered. At the conclusion of the general meeting the various committees met and dealt with the numerous matters under their responsibility.

PHILLIPS MILK OF MAGNESIA LAXATIVE

SO GENTLE FOR CHILDREN SO THOROUGH FOR GROWN UPS

Here is a DISC HARROW that really levels!

You know how many tandem discs dig in on the outside and dig up ground in the middle? This disc is designed to prevent this trouble. Try this disc, and you'll find it leaves the ground flat and level and well pulverized.

Best of all, with Ford Tractor Hydraulic Tractor Control, you angle the gangs or straighten them... with finger tip ease... for turning, creating long grass or gullies. Gears wear on the disc, tractor fuel and time. Study the picture, then see us.
