## THE HOUSEWIFE —AND— HER ACTIVITIES

**THE HUMAN TOUCH**

It is the human touch in this world that counts. The touch of your hand and mind. Which means for mere to the faintest hair.

Then speller and bread and what else? I came when the night is dark.

And the light of the day and the light of the sun.

So on in the old way.

### COMMON SENSE HINTS

Do not boil kettles with the spout towards you.

Do not have handles of saucepans and frying pans overlapping.

Do not utter bread with the cutting edge of the blade towards you.

Do not open this away from you but the other way.

Do not have coconuts at the top of chairs.

Do not stand on the edge of chairs.

When you won't scald, knock over the kettle and get out of the way.

### CATERING FOR HOME

**AND Public Functions**

Is a Leading Feature of our Business.

During the past year we have catered for numerous private families and public bodies to their entire satisfaction.

**DINNERS TEAS AT HOMES** purveyed for at moderate rates.

### THE NOBANA RESTAURANT

Great George Street Telephone 1374.

### TO POLISH BRASS

For engraved brassware cut a lemon and rub it well all over the brass and then pour boiling water over freely up. If all the lemon is washed up, do it with a soft cloth and you have a beautiful polish.

### HAIR RIBBONS

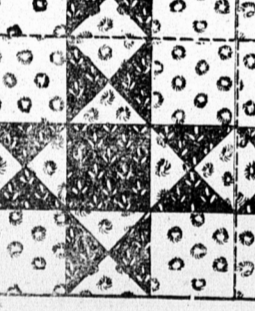

With the school children there is always a ribbon or two to press. Try running them through the steam of the kettle spout. It is just as good as ironing them.

### INSTEAD OF EGG

Mix one heaped teaspoonful of cornflour or arrowroot with three-quarters cupful of milk and use instead of beaten eggs, when making cutlets. Sufficient for two pound cutlets.

### TEAS AND CHICKENS PATCHWORK QUILT

DESIGN NO. 648

Miss Aimes receives at least 200 votes for each design before it is accepted for this column. Send us your votes. We print all the popular designs.

Dear Readers: The patch-work-quilt-block vogue has invaded the living room. Smart Christmas gift seekers are using silks for the patches, sewing four blocks together and making quilted pillow tops. This interesting pattern is perfect for this purpose. After Christmas, use the design for a full-size quilt. Most attractive and very easy to make.

The pattern includes complete cutting patterns, piecing instructions, assembling directions and material requirements.
