SOCIALISTS SNOWED UNDER IN BRITISH WELSH ELECTIONS

Liberals and Conservatives Combined to Defeat Them—Women Candidates Among Slain.

LONDON, Nov. 4—In the municipal election held in England and Wales this week the Liberals and Conservatives entered on a strenuous campaign against what they termed the danger of socialistic propaganda.

This has resulted in the overwhelming defeat of the socialists throughout the country. Under the act passed at the last session of parliament, there were a number of women candidates, for election to the municipal councils, but very few of them were returned.

LONDON, Nov 4—The complete returns from the municipal elections held in England and Wales last week, augument the already enormous Conservative gains and emphasize the defeat of the Socialists. The returns from 145 boroughs show the following gains:

Conservatives, 125; Liberals, 21; Socialists, 4; and Independence 4.

THE LANDSLIDE WILL AGAIN VISIT TOWN OF FRANK

It is Feared That Whole Mountain Side is About to Fall.

FRANK, ALTA., November 4.—Report is current here that there is danger of another land slide, such as the one which caused such devastation here four years ago. A crack has appeared in the mountain back of Coal Creek and alarmists say it is widening at the rate of several feet per day. They claim the whole mountain side is about to fall on the town, but experts say, however, that even if a piece does fall down, it will not touch the coal creek.

DON'T USE GREASY LINIMENTS

A century ago they were popular. Today people want something easy to apply, certain in results, and above all a clean liniment. When Nerviline is applied aches and pains disappear as the pores absorb its soothing healing properties. Nerviline penetrates to the core of the pain, eases instantly, and leaves no oily bad smelling memory behind. Good to take in, capital to rub on, and five times more powerful in destroying pain than any oily liniment. Don't fail to get a large 25c bottle.

MOTHER TROD ON RUSTY NAIL

BLOOD POISON AVERTED!

A punctured wound, properly treated, will heal quickly if Zam-Buk is applied according to directions, but if carelessly treated may result in death through blood poisoning.

Mrs. Hammond (the mother of the children cured of Mumps) was wise in applying Zam-Buk when she trod on a rusty nail. She says: "I trod on a rusty nail, which caused a very painful sore. Two applications of Zam-Buk ended the pain and removed the inflammation." No wonder she decided to do what thousands are doing, viz.: "Keep Zam-Buk handy as the household remedy."

THE BOHEMIAN

Is devoted to the brightness, the cleverness, the wit, the humor of life. The November issue proves this statement beyond all dispute. Its ten stories have each snap, grip and a teasing plot; its special articles have their own bright reason for being; its pointed anecdotes and its twenty-two pages of pure fun in Bohemiana are a shield against "that sea of troubles." Following are some of the features in the NOVEMBER BOHEMIAN.

MY YESTERDAYS
by Robert Edeson

THE AUTOBIOGRAPHY OF CUPID
(Second paper)
Wherein the little god of love goes deeply into his long, busy career. It's spicy.

HUMOROUS COLLEGE JOURNALISM
I. "The Harvard Lampoon." The first of six illustrated articles on the college funny papers.

THE "DEPITY" SHERIFF'S STAR
by W. A. Frost
A tale of a one-time outlaw turned sheriff; of his tempting by old pals, and of the epic events that followed. It's red-blooded.

THE DOMINANCE OF AMERICAN BEAUTY
by Perriton Maxwell
The well-known art critic. It tells why the American beauty is supreme. Magnificently illustrated with portraits of a score of women, here and abroad, famous for their beauty, and with reproductions of well-known paintings and sculptures.
