

Pimples

THEIR CAUSE AND CURE

When the skin breaks out in boils, pimples, and eruptive sores it is due entirely to an impure condition of the blood. In all such cases BURDOCK BLOOD BITTERS should be used as soon as possible. If your blood is out of order, you require B.B.B. to neutralize the poisons and build up the system. B.B.B. has stood the test of time, and is unquestionably the most marvelous remedy for purifying the blood in existence to-day.

HERE IS PROOF:

Feb. 19, 1900.
Mrs. JAS. MACKMULLEN, Norwich, Ont., writes: "I was terribly troubled with pimples on my face, and was advised to try B.B.B. After using it the pimples disappeared and I can highly recommend it as a blood purifier."

May 30, 1900.
IDA LANGHILL, Brule Shore, N.S.: "My face was covered with pimples, and I was so weak I could not walk

across the floor. I tried two doctors but found little or no relief, but after using BURDOCK BLOOD BITTERS I was completely cured, and have not been sick a day since. I can say from my heart that B.B.B. has done me good."

Jan. 28, 1900.
HERBERT J. DUDLEY, Ludlow, N.B.: "I was troubled with pimples on my face, and after using B.B.B. they disappeared, and I am completely cured."

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.
