Aquiri 40.051

Aquiri a beautifully-gaited, level-headed natural born trotter. The rich inheritance of speed and all other race-winning qualities that he has received from both sire and dam should enable him to become the most successful sire of early and extreme race-winning speed in the Maritime Provinces. Most of the disappointments in breeding trotters are the results of faults throwing back as it is termed, and inheriting the characteristics of one or more ancestors, three or four and sometimes even more generations away. Not a single "accident" can be found among the ancestors of Aquiri, he when a foal by him inherits the characteristics of some of his remote ancestors cannot be otherwise than a good one a foal.

I am Grateful to the Independent Order of Foresters especially to the members of Court Minnowawa, Bedeque, for their kindness to me during the long illness of my husband the late Leslie Gould. While he was in the hospital, for the insane the dues were paid by the members. At the funeral everything that a society could do for a member was done, and soon after the amount for insurance was promptly paid, and I here tender my sincere thanks to the Foresters for their kindness. ADA E. GOULD Bedeque.
