Friday evening, May 12th, was Hobby Night at the meeting which the Cape Traverse Young People's Union held at the home of Mildred Muttart.

Miss Mary Allison Doull was guest speaker and at the close of the devotional and business periods she gave an intensely interesting talk on her work with pottery, which she really began as a hobby. She

brought along some of her modeling clay, and specimens of her work in the various stages, and she deftly illustrated and described her mode of fashioning the Island clay into the lovely finished product which is associated with her name.

At the close of her demonstration, she received a sincere vote of thanks.

Committees were appointed for next meeting as follows: Devotional—David Murphy, Program—Evelyn Bell and Mrs. Kenneth Muttart; Lunch, David Murphy, Evelyn Bell and Ruth MacDonald. To look into the matter of bringing a suitable play, Margaret Woolner, Eleanor Bell, Mrs. Kenneth Muttart.

The lunch committee served de-

licious refreshments. Mr. Barker played some delightful piano selections. After which the meeting closed with the benediction.
