

Bigger Crops

More profit from POTATOES, better LAWNS, FLOWERS and VEGETABLES.

No matter where you use Soilgro—on your potatoes, corn, grain—on your lawn, flowers or in your garden, you'll be amazed at the growth it promotes.

Soilgro feeds any plant that has roots. It is the new scientific method of hastening and increasing growth. It is cheap—for six dollars you get a package that will do for a good sized lawn and garden, or an acre and a half of roots or grain—for all summer. It is easy to apply and eliminates for the man in town, the difficulty of procuring and the objection to applying barnyard manure or other fertilizer. On farms it can be used with manure with splendid results.

Here's what one man says about Soilgro
"I take much pleasure in saying that I got very good results from Soilgro as we had a very bad summer here. I am pleased to say that my flower garden took first prize at the Exhibition and as there is but one other here that has used Soilgro we both had the best gardens."

The original of this letter is in our files. We will be glad to give the writer's name if desired.

To make two blades grow where only one grew before is the work of Soilgro

THE MARKETS

MONTREAL, May 3.—The demand for coarse grains from foreign buyers here on Saturday was a fairly good and cables were in an advance of 1 1/2¢ to 2¢ per quarter which resulted in some business being done for May shipment, but the volume was not large as the further advance in prices at Winnipeg checked exporters from accepting orders they had on hand. There was a steady demand for oats in the domestic market and sales of No. 2 feed grades were made at 1 1/2 cents per bushel over the Winnipeg May option C.I. P., Montreal, with holders in most cases asking 1 1/2 cents per bushel over. A little business was done in car lots with local and country buyers and at the close of the Winnipeg session, prices here were advanced another cent per bushel. Owing to the continued strength in the Canadian cash wheat situation at Winnipeg a stronger feeling developed in the local market for spring wheat grades of flour and millers generally marked up prices twenty cents per barrel, which is the first change that has been made for two weeks. There was no further change in the condition of the winter wheat flour market, but the quotations were firm at the late adj. strong in wheat as the small offerings of flour from Ontario millers (a fair amount of business continues to be done in millfeed and the market was moderately active with a firm undertone. The market for rolled oats was very firm with a small trade passing in standard grades. The egg market was moderately active and prices were

steady. Prices for butter were well maintained at the recent declines noted and the trade volume was fair. There was some demand for English importers for Canadian cheese during the past week and a moderate amount of business was done for shipment by the first vessels sailing from this port, but the tone of the market on the whole has been easier and prices have ruled lower, with sales for western No. 1 white at 18 1/2 to 18 3/4 cents per pound No. 1 colored at 18 1/2 to 18 3/4 cents per pound, eastern No. 1 white at 17 1/2 to 18 cents per pound, and No. 1 colored at 17 1/2 to 17 3/4 cents per pound, with No. 2 grades at one cent per pound less.
OTTAWA, Ont., May 3.—The egg market continues firm. Offerings of lots are fairly heavy from western Ontario and from the prairie provinces but are not being taken up as readily as usual at this season. Indications point to receivers at country points, who usually consider among the small shippers to the Toronto and Montreal markets, are not shipping out all their receipts from day to day, but seem to be putting them away to their own order at the nearest storing points. The car lot sales to Montreal are reported small. A Quebec City, Toronto firm, receipts lighter. Jobbing specials 35, firsts 31, second 29. Western car lots offerings 1/2 cents higher, Montreal eggs steady, unchanged. Poultry market more active. Western markets unchanged. St. John, N. B., reported light, small quantities going into storage.

DOINGS AT "Y"

BASKET BALL

Tonight at the "Y" Basket ball lovers will be treated to two real games which are going to prove very interesting.

The return match between West Kent and Prince Street Girls will take place at 8 p.m. The last meeting of these teams gave West Kent Girls are out to win the game and a battle royal is expected.

At 9 p.m. the newly organized Business College team will clash with the fast travelling P. of C. team. And a real lively game is assured.

Basket ball is on the come-back now and the boys are all in splendid shape and the game is speeding up a great deal.

JUNIOR LEAGUE BASKET BALL

At the Y Friday night. First game was between teams No. 1 and 4 resulting in a win for No. 4 by the score of 9 to 4.

No. 1
W. Henry P. Campton
J. McLeod E. Stentford
G. McLeod A. Brown
E. Offer C. Walker
W. Burnett W. McEwen
E. Mallett
No. 4
P. Campton W. Henry
E. Stentford J. McLeod
A. Brown G. McLeod
C. Walker E. Offer
W. McEwen W. Burnett
W. McEwen E. Mallett

In the second game team No. 2 won from No. 3 by the score of 8 to 3.

No. 2
J. Squaredriges T. Hall
J. McLean W. Owen
K. Acorn B. Cox
E. Johnson W. Goss
G. Partridge
No. 3
T. Hall J. Squaredriges
W. Owen J. McLean
B. Cox K. Acorn
W. Goss E. Johnson
G. Partridge G. Partridge

These Junior games are producing some good players and the games are clean and hard fought and enjoyed greatly by the boys.

Y. SING SONG SERVICE

A large number of young folks attended the usual after church sing-song last night and were treated to a very able, interesting and farewell address by Dr. George Dr. George has won the hearts of the students and their well wishes will go with him in his new sphere of service.

Miss Pilot was the subject of Dr. George's address and it was a forceful appeal to the young folks present to early take on life's pilot Jesus Christ.

Mr. Harry Porter rendered two very pleasing violin solos.

Miss Gertrude Vaughan acted as accompanist for Mr. Porter and also played for the evening's sing-song.

BOWLING

Zion won from Central Christian on the "Y" Alleys Saturday afternoon by the small margin of 34 pins in the regular match game.

Central Christian.

STUDENT DAY AT THE "Y" SATURDAY

Saturday night at the Y.M.C.A. was the scene of the Annual Banquet of the Cabinet of Prince of Wales College.

The twenty cabinet members and their guests sat down to a sumptuous supper served in a very capable manner by members of the Prince Street School Basketball team.

After full justice had been done to the supper a novel program of toast stunts etc., was carried out. Each member and guest had a card at his or her plate stating what was to be done. Mr. Alex. Stewart was chairman for the program parts and Mr. Harold Mellish was the toast master. The toast to the King was responded to by singing God Save the King and the toast to Canada was replied to by singing O Canada.

The other toasts were as follows. The Prince of Wales and Faculty, responded to by Prof. G. D. Steele.

The S. C. M. responded to by Miss Dixie Mathieson.

The Y.M.C.A. responded to by R. A. Pendleton.

The Ladies, proposed by Harold Mellish responded to by Mr. Cedric Yeo.

During the supper Miss B. Judson favored the group to two very fine violin solos.

The final Student Social of the season was most successfully carried out at the Y. M. C. A. Saturday night from 8 to 10.30.

The program consisted of musical numbers, readings, contes/s, games, etc., and a most pleasing evening was brought to a close with the serving of refreshments.

About 150 students attended and voted it the best social for the year.

From Around the World Back To P. E. Island

Dr and Mrs Miles Martin of Boston arrived in the city the other day for a visit to the doctor's brother Mr S. M. Martin, Heath-berde and other relatives and friends in the province.

Dr. Martin is a native of Heathberde and is a graduate of McGill University. Mrs. Martin is a native of Boston. Mr. Martin, shortly after graduation, some twenty years ago went to Boston where he practised his profession, was married and until about ten years ago resided in the Hub. Since that time Dr. and Mrs. Martin have travelled extensively, visiting Europe and the Orient. In 1922 they witnessed the performance of The Passion Play at Oberammergau, in Bavaria. Naturally in their many journeys Dr. and Mrs. Martin had many interesting experiences, probably the most thrilling being that of Mrs. Martin during the war. She had gone to visit relatives in Rio de Janeiro and, the visit over, she was returning home in the autumn of 1914, on board the British ship Vandyke of the Lamport and Holt line. There were a number of Americans on board. When off Bahia, Brazil, near the mouth of the Amazon, four ships were sighted on the horizon and at the same time the British starting signal, "Haul down your flag, stop your engines and destroy your wireless," came by wireless message. While a number of the Vandyke's men counselled to make a run for it, Captain Cadogan, in charge of the number of women and children on board, decided that his ship was in no condition to escape. The engines were stopped, the British flag hauled down and the wireless destroyed as ordered. The Vandyke had a million dollar cargo on board, consisting of beef, cotton, mica, precious stones etc. The four ships which were now identified as the Karlsruhe, the Rio Negro and two others shortly arrived and surrounded the Vandyke. A boat from one of the German ships came up, her officer asked the women and children to be placed on that barge and taken somewhere. The barge was soon alongside and it proved but a miserable shelter in view of the fact that they were to occupy it for an indefinite time. As a matter of fact they were ten days on board, and numbered in all over 100 persons, many of them women and children. They were provided with a German captain and crew and the scanty provisions provided soon spoiled under the tropical heat, with no ice and no refrigeration. After a few days the provisions became exhausted, starvation threatened and mutiny by the German crew followed as they were of the opinion that the passengers were having food while they themselves were not. The remaining part of the voyage was a most trying one, a compulsion of a gun in the hands of the German captain. They landed at Para on the Amazon. The British and French consuls came on board, learned the story and made provision for the care and transportation of the passengers who finally reached their homes.

Dr. and Mrs. Martin spent the past five winters in Honolulu, Hawaiian Islands, one of the finest climates in the world and where the eastern flavor greatly predominates. Although they have visited many countries and many islands they, as often as time permits, invariably return to Prince Edward Island, always assured of rest, hospitality and a healthful, invigorating climate. They purpose spending a few weeks in Charlottetown and are making their home at The Russ.

THE CENTRAL GUARDIAN

SHOP from Holman's Catalog. CEMENT—Carload of Cement just received. Fennell & Chandler. 809

BOAT DUE—The S. S. Greta, Munsen line, is due to arrive from Boston this morning for Buntain & Bell. She will load a cargo of potatoes shipped by the Potato Growers Association for the Southgate Import and Export Company.

A MEETING of Strathcona Egg Circle will be held at Hazelbrook School House Tuesday evening May 5th at 8 p.m. An illustrated lecture and grading demonstration will be given by F. M. Nash, Dominion Egg Inspector and I. G. Davidson, Dominion Poultry Representative.

NEEDS REPAIRS—Yesterday afternoon many hundreds of citizens walked or motored across Hillsborough Bridge and enjoyed the bracing air from the River. The enjoyment of the pedestrians was perhaps a little marred by loose boards in the sidewalk leading from Grafton Street to the Bridge, and in some places on the bridge. Perhaps the authorities responsible will have repairs effected speedily.

RECOVERING, Mrs. (Rev.) Christopher Graham of Winslow has recovered sufficiently from her recent serious illness to leave the P. E. Island Hospital where she has been for the past eight weeks. Under the skillful hands of Dr. R. F. Seaman a successful abdominal operation was performed. Mrs. Graham speaks very highly of the treatment received by the doctors, Hospital Superintendent and nurses.

PLAY NICELY STAGED.—The Vernon River Dramatic Club presented the play, entitled "Dust of the Earth" at Cornwall Hall on Friday evening, April 24th, before a large and very appreciative audience. The different members of the cast upheld the various roles with the success which has marked their previous efforts and called forth marked applause at the end of each act. The specialties consisting of vocal and instrumental music were well rendered and included several violin selections by Mr. Alfred Stewart, accompanied by Mrs. Stewart with the piano, which especially merit mention. The fourth and final scene brought to a close a performance much enjoyed by all present.

FUNERAL OF LATE MRS. BURHOE.—The funeral of the late Mrs. Theophilus Burhoe took place yesterday afternoon. A short private family service was held at her late residence at Alexandria at 1.45. A public funeral service was held at 2.30 in the Alexandria Church. The late Mrs. Burhoe took very active part in the work of this church, and it was very fitting that her funeral service be held there. The services were conducted by her pastor Rev. Mr. Lindsay assisted by Rev. Geo. C. Taylor. The pall bearers were Layton McCabe, Seymour McLennan, Benj. Wood, Lemuel Wood, Henry Jones and George Judson. Just two weeks ago yesterday the late Mrs. Burhoe's own mother Mrs. Nicholas Cousens was laid away in Pownal Cemetery.
