THE Charlottetown Guardian is more than satisfied with both the Scott Act and the P. E. I. Prohibitory Act. The Prohibitory laws is not a failure. The Scott Act is not a failure. Both Charlottetown and the Island have less drunkenness because of these laws than they had under the license system. The records of the police court from year to year show this.—Truro Daily News.

AT Souris on the 5th of Aug. a Strawberry Festival was held on behalf of the Ladies' Aid Society of the Methodist church. The hall was well filled with an appreciative audience. YESTERDAY at Mount Stewart, was laid to rest all that was mortal of Henry M. Sterns, who died on Tuesday, August 5th, 1902. Although not in robust health for a few weeks, yet not until Saturday last did he give up his faithful labors, and after three short days, a kind husband and affectionate father was called away.

To the wife who feels the blow so keenly, and the three children who were so attached to a loving father, we offer sincere sympathy. Mr. Sterns was a son of William Sterns, formerly of Morell, and a brother of our fellow-townsmen, A. W. Sterns, Harry Sterns and E. D. Sterns. He was a man extremely industrious, a good citizen and respected by the community, as was evidenced by the large numbers who attended the funeral. The service at the house was conducted by Rev. A. Craise and Rev. Mr. Wallace. The burial arrangements were carried out by the Independent Order of Foresters of which the deceased was a member. Seven years ago the dear mother of an unborn family of seven, was taken away and the sad event now chronicled again breaks the circle and our kindest feelings go out to the aged father and the sorrowing brothers and sisters.
