THE Guardian Victoria Cross correspondent writes:—It is seldom anyone writes anything regarding Victoria Cross in your valuable paper.—The school here is progressing rapidly through untiring efforts of our efficient teacher, John Gillis.—Speaking of those who keep their affairs fully abreast with the time we refer to A Hynes our local blacksmith, carpenter and painter.—We are pleased to see the buildings formerly owned by John McQueen and for a long time vacant now in the possession of John A. McDonald, general merchant and machine agent who is doing a rushing business.—The Montague Head Lodge I. O. G. T. is gaining rapidly in membership; there are upwards of fifty-five members enrolled now. Splendid entertainments are given each night. The Guardian is a very welcome guest to Victoria Cross and the temperance people should take it as it is one of the greatest temperance helps imaginable.

A CORRESPONDENT writing The Guardian from Springton says:—On Wednesday the 21st ult., a respected resident of Springton, Miss Christy Stewart, was called to her immortal home at the age of 77 years. She was a daughter of the late John Stewart and his wife Christy McLean who immigrated to this country from the Isle of Skye, Scotland, in the early thirties; they both having preceded her to the land of spirits, the mother 56 years ago and the father 32 years ago. Miss Stewart was of a kind and charitable disposition and the stranger was ever welcome to the home, which she along with a sister by their industry and frugality continued to keep. Deceased was for about 50 years a member of the Presbyterian Church, and was a devout and sincere Christian giving of her means to the cause of the Master whom she loved. When the messenger came, she departed with confidence to the Saviour in whom she trusted. Besides a large circle of friends she leaves to mourn one brother, Donald, in Denver, Colo., and two sisters, Ann, widow of the late Murdoch McQueen of Mount Vernon, and Catherine at home, to whom the community extends their sincere sympathy.

The Guardian's correspondent at Murray Harbor furnishes the following: A very interesting lecture was held in the Methodist Church on Friday the 2nd ult. The lecture was given by Rev. Mr. Dawson on the "Pilgrim's Progress," and was illustrated with magic lantern views.—We are very pleased to learn that Prince Albert Lodge is increasing rapidly in members and other respects as well. Our enterprising farmer James LeLacheur will construct a new barn in the near future and is now engaged in getting lumber, etc.—We are pleased to report that Lemuel Brehaut and Wyllie Jordan, who have been sick and recovering.—Fred White recently sold a valuable carriage horse to H. Kelly, Southport.—We are pleased to see our genial citizen G. R. Montgomery with us again, after a few weeks sojourn in the city.—What might have proved a serious accident occurred last Saturday, when two of our prominent young ladies were driving through the village, having obtained a horse and sleigh by strategic movements. As they were driving up the Main Street of the village, shouting and waving their hands, it is supposed that the horse took fright, and running one runner on a snow bank one of the young ladies was thrown out, but the other bravely held on to one rein, thus making the horse go around in a circle. When she saw that she could not stop the animal she succeeded in jumping out of the sleigh. The horse ran wildly down the street, and but for the celerity of two young men, the sleigh might have been completely demolished.

QUITE an amusing game of hockey was played at Tryon, Saturday, March 3rd between the invincibles of Cape Traverse and the Stars of Tryon. The day was fine and quite a number of people witnessed the game. The play finished. Invincibles 3 Stars 0. J. Dawson, umpire. Several times during the play, the game was stopped by some players who, having got spilt over the ice two or three times, wished to show their pugilistic power. Luckily for both parties it was settled without anyone being killed.

PILES
Can Be Cured and We Can Prove It.

Sample Package Free.—Prove It Yourself.

When we say that we can cure Piles we mean just exactly what we say—nothing more, nothing less. We say it because we know it and stand ready to prove it to you or to any other person. Just as we have said it and proved it to thousands already.

It is because of these thousands that we have cured that we are able to say this.

We have done our part in calling your attention to this fact and it is up to you to do the rest. And we offer you the means of doing so, knowing that you can't and that when you try our wonderful Pyramid Pile Cure you will be so well pleased with it that you will go straight to your druggist and get a box of it.

And more than that, if at any time in the future any person tells you as you have told so many yourself, that they are suffering the agonies of the damned from piles, you will not rest until he or she has bought and is using a box and getting the same relief and cure that you got. We have seen it done.

Here, for instance, is a sample of what a sample did and shows very conclusively that we are dealing in cold, hard facts and not empty assertions. A person who gets a sample never fails to buy.

Mr. John Byrne of 2306 2nd Ave. New York City, writing under date of Jan. 17th, 1906, says: "I received the sample and used it right away. I got so much relief from it after 20 years suffering, that I bought a 50 cent box. The most unbearable pain is almost gone and my fistula has almost disappeared. I had given up all hope of ever being cured. I assure you, gentlemen, I will use every effort to make any of my friends try them, as I can guarantee they are a sure cure."

Pyramid Pile Cure is for sale at every druggist's for 50 cents a box and it is cheap at ten times the price to any one who needs it.

To get a Free Sample send your name and address today to the Pyramid Drug Co., 2220 Pyramid Building, Marshall, Mich.
