RUNAWAY ENGINE GOES THROUGH FACTORY WALL

TORONTO, Oct. 24—Racing at a speed of forty miles an hour, a runaway G.T.R. shunting engine, attached to two heavily loaded cars of lumber, crashed through a solid brick wall of the Phillips Manufacturing Company, Ltd., in Carlaw avenue this morning. ... ...

Fortunately the crew of the engine escaped with nothing more serious than a bad shaking up. As the runaway occurred before the employes of the factory began work, none of them was injured. ...

Had the machines in the path of the forty-ton car been manned, the list of fatalities would have been frightful.

The damage is placed at one thousand dollars.

A QUEBEC SURPRISE.

ST. LIN, Que., Oct. 24. — There were some surprises at the official nominations here Monday, when five candidates were nominated. Hon. R. Dandurand publicly repudiated the candidature of Dr Reuben Laurier. Dr. Laurier was duly nominated and made a speech, supported by Walter Reid, M. L. A. for the county, declaring that he would oppose Mr. Seguin and that he wanted to put an end to the tyranny and despotism now rampant in the constituency. During the demonstration, Victor Gaudet read the following telegram signed "R. Dandurand."

"Sir Wilfrid Laurier recognizes no other Liberal candidate in the county of L'Assomption but Mr. Seguin.

The speech of the day was made by Tancrede Pagnuelo, the Conservative candidate.
