The Government dredge under the command of Captain Alex MacLean is doing extensive work at Graham's Boat Harbour at Sturgeon. Considerable work is also being done in repairing the dock on the north side so as to allow better shipping facilities. This work is under the supervision of Mr. Douglas Graham, Gasperaux.

The executive of the Montague Legion held a special meeting last week to discuss the final plans and preparations for the carnival which is to be held in the Curling Rink this week. The event has already been considerably advertised and they are planning to make this one of the best carnivals ever held here, and assure all who attend three nights of excellent entertainment.

On September 22nd, the Montague Legion Band attended the King's County plowing match at Dundas, one of the biggest events on the Island, and which was attended by almost 5,000 people this year. The Band played many selections including a number of old Scottish airs, which were supplemented by vocal solos by Mr. Walter Burdett of Duffdas and Mr. Malcolm Munroe of Whim Road. Another attraction of the band concert was the superb dancing of Mr. Joe Morrison of Dundas. At each performance the crowd gathered around the bandstand, and their hearty approval and appreciation proved to be a source of encouragement and inspiration to the members of the Band. The Band started last April and for the most part the members had to be taught from the beginning, which took the time and patience of both instructor and pupils, but now it is very gratifying to see in their own efforts their attendance at the King's County plowing match, which was the Band's premiere performance, not only proved to be a very enjoyable event, but also was a success financially. A number of boys and girls from Montague staged a tag day which netted the Band a total of \$85.00. Prizes were awarded the two selling the most tickets, the winners being Miss Phyllis MacPherson and Miss Barbara Beck, who were presented with a lovely pair of nylon. Another tag day was staged on Saturday in Montague when the sum of \$15.57 was realized. The winners of prizes were Glen Wigginton and Harry Higginbotham, Jr. The proceeds will be used in buying music, repairing instruments, etc. The instructor, Mr. Archie Hume, well known violinist is highly qualified for his task, having studied music at Mount Allison University, and later in Boston. The Band is also fortunate in having Mr. John Dunham as their haritone player. Mr. Dunham is a former flugel player of the Grenadier Guards, playing under the famous band master, Professor J. Ord Hume of London, England. Other members of the band include: George Boudreault (slide trombone), Charles MacLure (E-flat base), Percy Meyers (2nd E-flat base), Ellyery Shaw (double E-flat base), D. M. MacDonald (bass drum), Ernie Carver (snare drum), Warren Ladner (snare drum), Harold Stewart (cymbals), Clifford Lilly (solo trumpet), William Webster (solo trumpet), Ralph Beck (1st trumpet), William MacLean (alto), Malcolm MacKenzie (alto), Buddy MacKenzie (tenor), Ross Hamilton (tenor). The people of Montague and vicinity are looking forward to hearing the band at the Legion carnival next week. -Lan.

A recent visitor at St. David's Manse was the Rev. W. S. Godfrey, D. D., Superintendent of Home Missions for the Maritime Conference of the United Church. Dr. Godfrey was the Guest Preacher at the 68th Anniversary Services at Sturgeon United Church on Sunday, the 26th. Sept.

Miss Rosalie Kiggins of Charlottetown was a recent visitor to Georgetown, where she was the guest of Mr. and Mrs. P. L. Boudreault. Miss Kiggins will shortly leave for Antigonish, N. S., where she will continue her studies in her X-ray Technician's Course.

Mr. Neil A. Wight left on Thursday for Wood Islands where he has accepted a position night watchman on the Dominion Government Department of Public Works Dredge No. 9, at present engaged in digging operations there.

Among Georgetownians who have recently left for college is John H. Boyce, son of the Rev. and Mrs. S. J. Boyce of St. David's Manse. After completing the course for the Engineering Certificate at Mount Allison, John was employed for over a year by the Dominion Dept. of Public Works at Charlottetown. He has now entered Nova Scotia Technical College, Halifax, to study for his engineering degree.

On Thursday, Mr. A.E. Jenkins, Mr. C.H. Llewellyn and Mr. E.C. MacLaren, Georgetown members of the King's County Board of Trade attended a meeting of that body held in Montague. Also in attendance was Dr. T.V. Grant, Federal Member of Parliament for King's County and a strong delegation from the town of Pictou in Nova Scotia. The purpose of the meeting was to discuss the possibilities of having the car ferry, Prince Edward Island put on the Georgetown-Pictou route.

OGILVIE
Town of the Week

Charlottetown, P. E. I.
OGILVIE FLOUR MILLS PAYS TRIBUTE TO CHARLOTTETOWN FOR OUTSTANDING COMMUNITY ACHIEVEMENT

The slums that disfigure many another Canadian community are unknown in the charming and historic city of Charlottetown - Birthplace of Canada.

Here - where the first meeting which led to Confederation was held in 1864 - clean, well-paved streets, attractive public squares, and beautiful Victoria Park which faces on the noble harbour, are only a few of the many virtues which charm the eye and warm the heart. It is a town from which one takes away nothing but pleasant memories... a town whose civic-minded people are noted for their friendly, self-respecting, and self-reliant qualities.

Yet, until a few years ago, the four public schools of Charlottetown boasted few electric lights and fire escapes were outmoded and inadequate. Then in the fall of 1943, something happened which exemplifies the enterprising spirit of the Gordon Islander.

Mrs. Aveline MacDonald, a young mother whose oldest child was in his second year at school, invited a few other mothers to her home to talk the situation over. That informal gathering marked the founding of the School Improvement League, an organization with a present active membership of around 75 members.

Largely because of the School Improvement League's efforts, Charlottetown youngsters do their school work under modern, eye-protecting fluorescent lights, and learn their lessons guarded from fire by built-in fire escapes. The advancement of education along every possible line is the League's continued aim.

Ogilvie Flour Mills is proud to pay deserved tribute to this worthy body of community-minded women, by naming their town - Charlottetown - The Town of the Week. An Ogilvie contribution of \$100 will be donated toward their work.

LISTEN TO YOUR WOMEN'S EDITOR, KATE AIKEN, NEXT WEDNESDAY, OCTOBER 6 AT 11:30 A.M. A.S.T., OVER STATION CFCY. ON THIS PROGRAM CHARLOTTETOWN WILL BE FEATURED AS OGILVIE'S TOWN OF THE WEEK.

The Town of the Week is selected by Ogilvie Flour Mills on the basis of outstanding community achievement. As a more tangible tribute, Ogilvie also donates \$100 for the benefit of each town selected. Presentation of this award is made on the Kate Aiken Radio Program over a coast-to-coast network.

Mrs. W. E. Scantlebury
1948-49 President of the School Improvement League

for as many months as possible during the year. Strong arguments were presented by various speakers on the necessity for the advantages arising from having a car ferry on this route. The amount of dock construction and improvements necessary before operations could be commenced would in itself provide employment for a great number of local workmen.

Favoured by ideal weather, on Sunday, Sept. 26th, the Sixty-Fifth Anniversary of the opening of the present Sturgeon United Church was fittingly held. Services were conducted by the minister, the Rev. Sidney J. Boyce, B.A. who, on behalf of the congregation, gave a cordial welcome to all who gathered in such large numbers and also to the guest preacher, the Rev. Dr. W. S. Godfrey, Superintendent of Missions for the Maritime Conference of the United Church. Dr. Godfrey gave inspiring messages in which he urged the fullest support of the great institution in the world, the Christian Church, and stressed the need of recruits for the Ministry. The Montague United Church service of praise in the afternoon with Mrs. Howard Vickerson presiding at the organ. An anthem by the choir and solos by Mrs. Storey and Mr. Howard Vickerson added much to the spiritual tone of the gathering. At the evening worship a selection was rendered by the Sturgeon Choir, solos were given by Mrs. Hooley, and Mr. Keith Hooley, and duets by Mrs. Arthur Jenkins and Mrs. Myrtle Babineau. The people of the Sturgeon United Church are greatly encouraged by the cooperation of many friends. Generous offerings were also received.
