HAMPTON.—The many friends of Calvin MacDonald are sorry to hear of his illness, but they hope to see him out soon, able to attend to his duties. Mr. John Dixon, who has been confined to the house for the past three weeks, his many friends are pleased to hear he is recovering.

The Ladies of W.P.S. of Hampton are busy engaged knitting socks for the soldiers overseas. They sent twenty-two pairs recently to Charlottetown to be forwarded to France. Also six pairs given to a mother to be sent to her three sons, who are serving King and Country. The sum of \$11.58 was sent to Rev. Canon Simpson for their adopted prisoner. The members of the Society are grateful to Mrs. H. C. Inman of Manchester, N. H., for the generous donation of \$5.00. The roads of late have been in a bad condition for travelling, but now they have improved so rapidly that the first auto of the season is seen here, owned by Mr. O. K. Myers, Hampton on Saturday last.
