MOORE & McLEOD LTD

FOR FASHION AUTHENTICITY

LONDON, Dec. 15.—(CP)—Helping to cope with the rush of Christmas air mails on Empire routes is the Atlantic flying boat Mercury which was in Canada on the trans-Atlantic route experimental hop in July.

Memo composite aircraft is scheduled to make five flights between England and Alexandria before Christmas. At Southampton she takes off from the back of the Maia and goes non-stop to Egypt.

handle the extra mails are three new Imperial Airways 24-ton flying boats, Cabot, Caribou and Conquerors. They are operating between Southampton and Kisumu and between Southampton and Karachi on the South African and Australian routes.

THE DEER FOLLOWED MARY TO SCHOOL "Mary had a little lamb" but in this case it happened to be a fine young maiden that decided to follow a young maiden to school at Hildon on the main line of the Canadian National Railways in Nova Scotia.

school girl came along and scratched his nose. Thereupon, the deer became Mary's companion. The deer wandered in from the nearby woods and permission is being obtained from the governmental authorities to retain and domesticate it.
