Another Offer!

We would like every school girl and every school boy on Prince Edward sland to make an estimate of what they think population of Prince Edward sland is now, write it down and send us, no need to buy anything from us.

Of course they will not enter our regular competition, but they will have a greater interest in our country; and the one whose estimate proves the nearest and reaches us before June 1st, will receive a Silver Watch soon after the official number of the population is made known.

Keep a copy of the figures you send us.
