North West Flour

THE BREAD FLOUR

It imparts a delicious flavor that everyone enjoys. Milled from the highest grade of Western hard spring wheat, it is unrivalled for bread-making, but we do not recommend its use for pastry. This requires more delicate qualities than any hard wheat flour can give.

To make delicious, feathery cakes and crisp, flaky pastries use Sensation Flour

FOR CAKES AND PASTRY

Milled from the best Ontario soft winter wheat, this is an ideal pastry flour. It greatly reduces your cost for shortening and other ingredients. One trial of these two flours will convince you of their perfect baking qualities.

MONDAY

The firemen were called out at 1:20 o'clock Sunday morning for a bad fire in the large wooden building, corner Great George and Kent streets, owned by Messrs. Tanton, and occupied by the clothing store of Jenkins & Jay and the vegetable store of Gay & Sons. The blaze seemed to have started near the stove in the vegetable store, and when the firemen arrived it was burning fiercely and spreading through the lower floor of both buildings. Four hose lines were attached to nearby hydrants, but despite these steady streams of water and the untiring efforts of the firemen the total stock in both stores was practically destroyed, and the lower part of the building was very badly gutted. It was two hours before the flames were subdued.

The fire made considerable headway on the second story and there was some damage to the third story as well. There was slight damage also to Mr. A. A. Williamson's auctioneer store on the Kent street side. The principal damage, however, was confined to the two stores of Jenkins & Jay and Gay & Sons. The three plate glass windows facing the street were broken and the interior of the building badly damaged, as well as the loss to the stock, partly by fire and partly by water.

The damage to the stock in the clothing store of Jenkins & Jay is estimated at between \$12,000 and \$14,000, the insurance being \$8,000. The stock of Gay & Sons is insured at \$750, and the damage is estimated at well over \$1,000. There is \$1,000 insurance on the building.

This is without doubt an enviable record and bespeaks well the ability of Miss MacLennan as a typist.

He was a man of a kind and cheerful spirit, whose presence will be missed in the community and the Presbyterian Church, where he was a regular worshipper. A wide circle of relatives and friends were shocked to hear of the death of Mr. Neil McDonald, son of Mr. and Mrs. Donald McDonald, of P. E. I., which occurred in the P. E. I. Hospital on December 16th. Mr. McDonald was a young man of only 24 years, just on the threshold of life, entered the Hospital on November 15th, having taken ill only the day previous while on active duty as chef of the Queen Hotel, where he was one of the most popular employees.

loved by all his fellow workers. He was suddenly stricken on Thursday night and on Friday was taken to the Hospital and operated upon successfully for appendicitis on Saturday. Mr. McDonald was making a good recovery when struck by two weeks later with typhoid and was convalescing nicely from that when he suddenly passed away on Sunday morning with hardly a moment's warning notwithstanding the best of medical skill and attendance. The late Mr. McDonald had only been married a little over one year and leaves to mourn a disconsolate widow, Belle Livingstone, who was daily at his bedside and did all that a devoted wife could do to bring him to renewed health but a divine Providence willed otherwise and he is now at rest in his Father's Heavenly home.

The funeral from his home, 59 recently set up, on Monday was conducted by Rev. Wm. Orr Mulligan, assisted by Rev. Ewen McDougall, and was held at the P. E. I. Railway Station, the remains being forwarded to his old home for burial. The pall bearers were: Messrs. Malcolm Gillis, Neil McLean, Hugh McKay, Thomas Spencer, Fred, Duffy and Daniel McPherson.

THURSDAY

The death occurred in this city last Sunday morning at his home on 161, Easto Street, of Mr. David Conrad Hooper after an illness from heart trouble.

Mr. Hooper was born in Milton 78 years ago where he carried on farming very successfully. He retired from active work nineteen years ago and a year later removed to Charlottetown, where he has since resided.

The late Mr. Hooper was one of the leading residents of Milton. He took a deep interest in everything pertaining to the welfare of the community. He was also active in church work and was one of the

strongest supporters of St. John's Anglican Church.

He was a man of splendid character, respected and esteemed, and of him it may be truly said he was "the very soul of honor." He leaves to mourn a widow, two sons, H. Pope Hooper on the homestead at Milton and B. R. Hooper of Moncton, also five daughters, Mrs. John H. Pierce, and Miss Lillian Hooper of Charlottetown, Mrs. Ambrose Coles, Strassburg, Sask., Mrs. A. C. Kussel and Mrs. Wilfred Corlett of Calgary.

The funeral was held New Year's Day in Milton, the services in St. John's Church being conducted by Rev. H. D. Raymond of this city.

The pall bearers were Major T. E. MacNutt, Messrs. George DeBlois, Donald MacKinnon, Alfred Pickart, Gordon Hughes and Robert Hooper.

BANKRUPTCY COURT.—In the Bankruptcy Court yesterday before the Chief Justice application was made by Mr. Bentley on behalf of the Sims Packing Company to have an assignment filed under the Bankruptcy Act on Dec. 19th set aside as invalid. The application was accompanied by an affidavit by Mr. John Anderson, Mr. Inman opposed the application on behalf of Messrs. Sims and Gandet, maintaining that the Court had no jurisdiction to set aside an authorized assignment. The Court made reference to the unusual nature of the case, the name of the Sims Packing Company, Ltd., appearing on both sides of the record. An assignment under the Bankruptcy Act had been made which on the face of it would be necessary first to destroy the validity of the assignment. Mr. John Anderson was called as the first witness by Mr. Bentley and testified to being the President of the Sims Packing Company, Leung's evidence was given in regard to the last annual meeting of the company and to the present assets and liabilities. Adjudgment was made until 10 a. m. today.

PLEASANT GATHERING.—Mr. and Mrs. Golden Frizzell and family were very agreeably surprised on Christmas Eve when the young people of Eldon and vicinity gathered at their home to wish them the compliments of the season and spend a few social hours. The evening was spent in music, singing and games. Then Santa Claus appeared and Master Victor Frizzell and Earnest MacPherson were made happy by Santa's liberal distribution of fruit and confectionery and other useful articles. The boys showed that those two young hopefuls were not forgotten by their new friends. Mrs. Frizzell was also presented with a beautiful hand-painted biscuit jar. Needless to say she was over come by the thoughtfulness of her new friends. Lunch was then served in Mrs. Frizzell's very capable manner after which she and Mr. Frizzell were bounced and the young people dispersed one and all well pleased and hoping that many more such evenings would be spent in their comfortable and pleasant home.

At Bellevue on Dec. 15th there passed away to his eternal resting place Mr. Angus Nicholson, at the age of 86 years. Mr. Nicholson formerly resided in Flat River and was engaged in farming. Finding the laborious task of farming too arduous for his falling strength he moved to Bellevue to pass their declining years.

Mr. Nicholson was a man of sterling character and endeared himself to all by his kind and genial disposition. Rev. J. A. McLellan of Valleyfield conducted the funeral service assisted by Rev. J. W. M. Hazle of Belfast. His remains followed by many friends and neighbors were interred in the family plot in the old Belfast cemetery.

The death took place early this morning at the family residence, 263 High Street, of Mrs. William Ingram, after an illness of one week, says the Moncton Times of January 2nd.

The late Mrs. Ingram was previously to her marriage, Miss Elizabeth Sample, of Peake's Station, P. E. I., and was only 33 years of age.

Deceased leaves to mourn their loss besides her husband, one son, Roland, her father, Mr. Robert Sample of Charlottetown, P. E. I., two sisters, Mrs. James McGinnis, of Moncton, and Mrs. John E. Proctor, of Hunter River, P. E. I.

The late Mrs. Ingram was well and favorably known throughout the city of Charlottetown and many friends who will regret to learn of her early demise.

Mr. and Mrs. Frederick Buchanan of Churchill will have the heartfelt sympathy of the community in the death of their infant son, Neil Stirling, which took place at his home on the evening of Nov. 23rd at the early age of 3 months 15 days. Although the little one had been in failing health for the past few weeks, yet his kind parents and loving friends always retained fond expectations that with skilled medical aid and tender nursing he would soon be restored to his usual health, but Divine Providence saw otherwise. The funeral which was largely attended took place on Sunday the 25th at Clyde River Presbyterian Cemetery. The service at the house and grave was conducted by the Rev. Colin MacNeven. He leaves to mourn besides his sorrowing partner, one brother and one sister.

The death occurred at Lorens, Atch, after a fatal accident on the 12th inst. of the late Mr. Thomas Shea, of Glenfanning, and the remains were accompanied home for burial by his sister Mrs. Annie Hurean and his brother Mr. Joseph Shea. The funeral took place Dec. 23rd from his father's residence, St. Patrick's Church, Port Augustus. The pall-bearers were Frederick Cumiskey, Eugene Callaghan, Hugh Traifnor, Damon Lynn, R. McDonald, Ernest Lavery.
