Miss Lizzie Sullivan and Mr. Vernon Harrington, students of Prince of Wales College, are spending their Christmas holidays at their homes in Clinton. Olive Branch Division is flourishing under its competent W. P. Mr. Walton Toombs. The snow storm of Monday night furnished labor for a number of the youths of Clinton, in cleaning off their rink. They were well rewarded with an hour's skating, after which they repaired to the residence of Mr. Warren, where they were entertained for the remainder of the evening by the two popular teachers of Clinton School with dancing and games.

—OBITUARY.—The death occurred at his home in Montrose, on Thursday, Dec. 24th, of George Hardy, at the advanced age of 61 years. Deceased had been ailing for some time, but a stroke of paralysis hastened his end. Mr. Hardy was a well-to-do farmer and was always a kind and obliging neighbour and a most respected citizen. His wife predeceased him about a year ago. A family of five sons and one daughter is left to mourn, namely, Watson, at home; Robert, Montrose; Fred, Alberton; Herbert, Montrose, and Ernest, Arlington, Mass.; and Bertha at home. He also leaves behind a brother, Robert, of Hills River, and two sisters, Mrs. Donald Ramsay and Mrs. McRae, both of Montrose. Hardy, Arthur Ramsay, Samuel Good, Curtis McRae, and Thomas Hardy. The sympathy of the community is extended to the family in their sad bereavement.—T.

—NORTH ST. ELEANOR'S SCHOOL EXAMINATION.—The semi-annual examination of North St. Eleanor's School, Lot 17, took place on Wednesday, Dec. 23rd, and was quite largely attended. The pupils were examined in the various subjects by their teachers, Miss Kathleen MacEwen, assisted by her sister, Miss Annie, teacher at South West, Lot 16. The pupils acquitted themselves creditably, reflecting much credit on their teacher. The school was nicely decorated for the occasion with evergreens and with the royal colors, red, white and blue. A brief programme, including recitations, dialogues and songs had been prepared and served to amuse the audience between classes. The opening chorus "O Canada" and the favorite war song "Tipperary" were nicely sung by the whole school. Miss MacEwen in conclusion, thanked her pupils for the useful gifts presented her and after many words of praise received by the teacher the examination was concluded by singing God Save the King.

—CHILTON.—On Friday evening last, a most enjoyable evening was spent at the home of Mr. and Mrs. J. Silliker. When a number of invited guests from Chilton and the surrounding vicinity, assembled to show the high esteem which they held for Mr. and Mrs. Howard Clark, who are about to move their abode from among them. During the evening various games were indulged in, amid strains of musical and comic selections from the phonograph. At 10.30 p. m. the guests were summoned to the dining room, where a most sumptuous feast after the manner of Mrs. Silliker's well known style, awaited them. After some time had been spent in satisfying the longings of the inner man with such tempting assortments as is rarely found in a room of its kind, the guests returned to the parlor in orderly form. Mr. Louis W. Pearson was then chosen to preside who after expressing his appreciation for the honor conferred upon him in being chosen to preside over such a worthy gathering, declared the meeting open to any who wished to speak. Mr. N. C. Pearson led, who in glowing terms outlined the friendship which existed between he and his friends, tracing it back to their companionship at their younger days. Mr. Pearson related some humorous incidents which occurred in their days of their younger manhood, and concluded in paying a high tribute to the character and qualities of Mr. Clark, expressing profound regret with their departure from among them. Mr. Chas. Schurman in following, outlined in his well known humorous way, the principles of a good neighbor, as well as his worth in a community, and while regretting their departure concluded in saying that his loss in this community would be some other community's gain. Messrs. J. Silliker, J. McQuarrie, C. Campbell and others also spoke in the most glowing terms of the high qualities of Mr. Clark and regretted very much his departure from among them. Mr. Clark responded in a most suitable way. After the gentlemen had all spoken the ladies in turn resumed the speaking, and in a most admirable way as ladies can, related the sterling qualities of Mrs. Clark and expressed their sincere regrets in her departure from among them. Mrs. Clark very fittingly replied. After the speaking was over a hearty vote of thanks was extended to Mr. and Mrs. Silliker, for the kindness shown them, and the excellent way in which they had entertained them. The meeting then broke up in singing God Be With You Till We Meet Again, and God Save Our King. Succeeding this, Mr. Clark, whose pounds, coincide with his good qualities, he weighing a goodly number over two hundred, enjoyed the exhilarating experience of a thoroughly good bouncing. This being done the parties made for their respective homes in the 'sma hours 'a the mornin'.

Mr. John Stewart ably filled the position as chairman. Other numbers on the programme were a solo by Mr. Russel McKay, "A Roamin'" (encored); also, a solo by Miss Laura MacEwen, "A Perfect Day" (encored) and a reading by Mr. George McKay (encored). —GASPEREAUX.—The semi-annual examination of Gasperaux school was held on the afternoon of Wednesday the 23rd. A growing interest in things pertaining to the education of the youth of this district was manifested on the occasion there being nineteen visitors present. The pupils were examined in the different subjects by their teacher and by their answers gave ample evidence of the value and thoroughness of the training being received. After the examination the teacher in a few words impressed upon those present the absolute necessity of regular attendance if the pupils were to make a success of their school life. He also mentioned the beneficial influence of co-operation assuring the parents it was a source of much encouragement to all concerned in the work of education to see such a goodly number present at this, their public school examination. After these remarks some of the ratepayers expressed themselves in a manner showing appreciation of the services being rendered them by their teacher and congratulating him on the good work being done. Candy was then distributed and after singing "God Save the King" all departed for their homes feeling that the afternoon had been worthily and pleasantly spent.
