Worthy Of His Hire

By John Burr

We want more and better recruits for the ministry. We want greater ministerial efficiency. Well, then, before questioning why young promising men prefer other walks of life, before asking ministers for failure and inefficiency, it is surely for the people to supply favorable conditions to provide the enabling atmosphere, that will attract suitable entrants to the ministry. Give a minister a living wage, not as in the case so frequently, an insufficient one. Two things fall to be said here frankly and fearlessly. One is that of all trades or professions, the ministry is the only one the economic provision for which has not been re-adjusted in proportion to the cost of living. Next, when regard is had to his long apprenticeship, during which the aspirant to office, not only earns nothing, but has to pay heavily in premiums, to the amount of capital sunk in his preparation for a start in his professional career, the minister is in a position to be called to meet, the minister cannot be said to be adequately remunerated. Surely our Lord's own dictum, "The hire of the laborer, as his hire," is as true of the laborer in the Vineyard of the Lord as it is true of the workman on the fields of earth.

DIOCESAN BD. OF AUXILIARY IN SESSION

The 42nd annual meeting of the P. E. I. Diocesan Board of the Women's Auxiliary opened in St. Peter's Schoolroom at 3 p. m. March 1st, with hymn, Bible reading and prayers.

Mrs. E. V. Bell president was in the chair. Roll call showed a good representation from most parishes.

Mrs. H. McLean of St. Peter's branch extended a cordial welcome to all present. This was fittingly replied to by Mrs. L. A. Moore of Summerside.

Messages of greeting were received from the Dominion Board and 17 Diocesan Boards.

The President in giving her report extended a welcome to all present, voicing the hope that the meetings would prove beneficial to all in giving fresh hope and encouragement.

Mrs. Bell asked all to stand while she read the names of those who had passed to higher service during the past year. She spoke of the Dorcas Department and said this year the outfits are to go to the Bishop Horien Memorial School. She gave a brief history of this school, the Roberta Tillon Memorial Chapel, and Newnam Cottage Hospital, situated at Moore Factory and dedicated last August by the Primate. She hoped this would give an increased interest in the Dorcas work and asked the co-operation of the members in any changes that might be made in the articles for the outfits.

Mrs. Bell mentioned books being sent last year for the traveling libraries and of Sunday Schools in the West being remembered at Christmas time by Sunday Schools and W. A. Branches in this Diocese. In closing the President thanked all for hearty co-operation during her term of office.

Miss E. White of St. Paul's Branch was pleasantly surprised when a Diocesan Life Membership was presented to her in recognition of many years of devoted service. In a few well chosen words Miss White expressed her thanks.

The special speaker for the afternoon was Canon R. H. Haslam, who was for many years in Kanara, India. He said for many years the Church was not awake to its duty to obey the Master's command to spread the Gospel, and when it did realize its responsibility, progress was slow. He spoke of Miss Tillon who founded the Women's Auxiliary in 1885. Canon Haslam reviewed conditions of the world at that time and now and spoke of the transforming power of God's redeeming grace.

Canon Haslam also spoke of the Madras Conference when picked delegates from every corner met to study the problems of day, united under the banner of Christ. The Church is still facing difficulties at home and abroad. We must take an interest in the affairs of the world. What are we doing with our time. The Church is challenged as never before and the love of Christ constrains us. As we seek to meet the challenge?

Mrs. Osh moved a very hearty vote of thanks to Canon Haslam for his inspiring address. This was seconded by Mrs. Coles of Milton and carried by a standing vote. The meeting then adjourned to meet at 10:15 Thursday morning.

Afternoon tea was served by the ladies of St. Peter's W. A. and Diocesan Church Society held a joint service in St. Paul's Church Wednesday evening.

Prominent Dentist Passes On

Dr. Lowell A. Rowe, aged 88, prominent dentist, passed away suddenly at his home on Mt. Vernon street, early Saturday morning, January 28th, 1939.

Death came, following only a few hours of serious illness before which the doctor had enjoyed a social evening at home with wife and friends, while the day had been spent in carrying on the regular duties of his office, peculiarly in keeping with his life, which was to the last deeply devoted to his home and business.

Dr. Rowe was born in Hampton, July 4, 1870, the son of David and Mary (Hamilton) Rowe. He received his early education in the Hampton school and later studied dentistry with Dr. William B. Blackstone of Manchester where he practised for a number of years, and then became associated in a partnership with Dr. George Yeater, also of Manchester. Thirty-one years ago, in August, 1907, he came to Somersville. Here, by all who knew him, he was a successful and popular man in business and social life. He was

Crippling Rheumatism

Rheumatism leaves in its train distorted joints, crooked limbs, crippled hands, and the intense pain is almost unendurable.

In the beginning rheumatism is often due to dyspepsia or indigestion, for if the digestive organs did their duty there would not be any poisonous uric acid in the blood to sow the seeds of rheumatism.

Burdock Blood Bitters invigorates the system, and helps to eradicate the uric acid from the blood which is the cause of the inflammation and pain.
