# The EDISON PHONOGRAPH

**NOTHING** can equal the satisfaction there is in offering to your guests a satisfactory form of entertainment, one that takes care of itself, which does not interfere with other forms of amusement, but rather helps them. Such an entertainer is the Edison Phonograph.

**It can amuse the guests** by rendering music, popular or classic, or it can aid them by furnishing dance music, marches and other things played by the best orchestras and brass bands. It costs less than the hiring of even a small orchestra for a single evening's entertainment.

Don't be without an Edison Phonograph if only for the sake of your friends. Hear the new model with the big horn at the nearest Edison store, or write for a booklet describing it.

We Desire Good, Live Dealers to sell Edison Phonographs in every town where we are not well represented. Dealers having established stores should write at once to National Phonograph Company, 100 Lakeside Ave., Orange, N. J., U. S. A.

"SPRUCINE" will not only ward off the attack, but will so strengthen the bronchial tubes and lungs that you will be less liable to further trouble.
