

Provincial Rifle Shoot Got Away To Great Start

The Provincial Rifle matches started yesterday morning under almost perfect weather conditions. The attendance was not up to that of last year due to the fact that quite a number of out of town riflemen, particularly those from York are busy at the hay. Summerside has done nobly this year with eleven representatives, including Mr. B. I. Rayner, one of the founders of the silver fox industry. Some real good scores were made yesterday, particularly in the Prowse match when Eric Coles and R. L. Coles each scored 100 out of 105 points. Today will be the final of the shoot ending with the Ladies' Challenge Trophy match in which thirty-six riflemen will shoot for thirty-six ladies. This will be on about 5.30 Daylight Saving time. The Governor-General's medals and other trophies will be presented at the close of the Ladies Challenge Match.

Big Entry List for Water Sports

Between 40 and 50 Will Compete In Water Events This Evening, Starting At 7.30.

Postponed several times, and more or less the football of unfavorable circumstances, the aquatic sports will be held tonight at Kensington beach, boasting an array of between 40 and 50 swimmers. The prize list, it may be remarked in passing, totals about thirty practical articles of use, and several gold coins. At 7.30 p. m. event No. 1 gets underway, and there will be no hold up or delay in starting. For this reason, the Guardian is asked to serve notice, that all contestants be on hand by 7.15 p. m. at the latest. Non-competitors who may be swimming, are also advised to keep off the scow and diving stand, so as not to confuse the officials, and take up room required by those entered. Should the weather hold, an extra large crowd is expected to attend. Don't forget the hour, 7.30 p. m.

YARMOUTH FAMILY RECEIVES VALUABLE PREMIUM

Rosebud cut plug makes pipe smoking more popular.

The men are not the only ones who are enjoying Rosebud cut plug smoking tobacco. It is true that they get all the enjoyment out of the tobacco itself, but a Yarmouth family shows how the women

folks can have a share in Rosebud too. By saving up eight complete sets of poker hands, which are packed with Rosebud tobacco, the lady of the household obtained free a beautiful pen and pencil set in the new black and white pearl effect, which is suitable for every member of the family, and an ornament to any writing desk. So that every package of Rosebud which husband or brother or son buys for his own pleasure, brings one or more poker hands to complete the sets which wives and mothers save to obtain valuable and useful presents absolutely free. The large ten cent package of mild, mellow Rosebud cut plug contains one poker hand, the larger fifteen cent package contains two poker hands, and are the best values in quality smoking tobacco on the market today. Write for special premium sheet to Department 128, Post Office Box 1220, Montreal.

Death-Bed Repentance

In its eleventh-hour stampede to catch votes the Mackenzie King Government denounced the trade arrangement with New Zealand, which has proved so disastrous to the Canadian dairy industry; raised the duty on biscuit flour to \$2.03 a barrel; imposed surprisingly high duties on some steel products, while leaving others open to undue competition; placed countervailing duties upon sixteen out of twelve hundred tariff items; and brought down, in rapid succession, two contradictory sets of protective schedules on fruit and vegetables. The haste thus displayed by Ministers at the close of Parliament, to make peace with their judges, reminds us of what the late Goldwin Smith said about the final scene in the death chamber of Charles the Second. The Sage of the Grange described the monarch's confession as occupying half an hour, "a confession which, if at all complete, must have been highly condensed." So we feel, declares the Toronto Mail and Empire, that the Ottawa Government struck the sawdust trail to the penitent bench far too late in its career and with too much speed and confusion to satisfy public opinion to which it now appeals.
