

## A Remarkable Tribute to Gin Pills FOR THE KIDNEYS

In February last, Mrs. J. P. J. Wedge of East Street, Summerside, P.E.I., wrote to a friend in Toronto and among other things said, "Gin Pills are the greatest of all kidney remedies and a medicine which is at present doing me a world of good. They are worth their weight in gold to any sufferer." We asked permission, through a mutual friend, to publish the above extract and received the following testimonial to the great efficacy of Gin Pills.

Summerside, April 24th, 1914.  
Your letter of the 21st, to hand this evening, asking my permission to hand my letter to the National Drug & Chemical Co. You have my full permission to do so, and to them I give the liberty to publish and use my name if they wish, because Gin Pills have done for my husband and myself what no other remedy could do.  
I have advised two other parties to use them; one being my Mother, who has been a great sufferer for upwards of 20 years and one box of Gin Pills cured her so as to enable her to sleep on her left side, something she could not do for many years. The doctors told her they could not cure her but could relieve her by an operation for a floating kidney, but on account of her age they did not think it was advisable for her to undergo. Upon my advice, she tried Gin Pills which cured her and for which she is ever ready to speak in terms of praise.

MRS. J. P. J. WEDGE,  
Remember, you can TRY Gin Pills BEFORE you buy them.  
If the urine shows brick dust deposits or mucus—or is hot and scalding—if you have to urinate too frequently—if there is a burning in the bladder or pain in back—get Gin Pills at once and cure yourself. Gin Pills are sold by all dealers at 50c. a box, 6 for \$2.50 and every box carries with it our spot cash guarantee of satisfaction or money back. Sold in U.S. under the name "GINO" Pills.

**LATE MR. RICHARDS.**—The body of the late Mr. James W. Richards, M. P., was removed from the Queen Hotel to the railway station yesterday afternoon and forwarded to Fort Hill, where interment will take place today, the funeral being at the residence of Hon. Senator Yeo, at 3.30. A large number of citizens, including the Premier and Hon. furduch McKinnon, representing the government viewed the body in the Hotel and accompanied it to the station. There was a large number of floral tributes, including a beautiful wreath from Lieut. Governor and Mrs. Rogers, one from Colonel and Mrs. Rogers and one from the directors and shareholders of the Steam Navigation Company. Numerous wreaths were also received in Ottawa, prominent among them being a magnificent one from the members of the House of Commons. A very handsome cross was given by Senators Murphy and Rowse and splendid wreaths from Mr. Richards' sister, Mrs. Walbank and her family and Mr. and Mrs. A. Lefurgey and from the Government of this province, the Prince County Liberal Association and the family of the late Hon. James Yeo.

The barn of Mr. George Barbour, Thorton, was burned to the ground Sunday morning with all its contents, including two cows, two hogs and one poultry. Incendiarism is generally suspected, and certain circumstances are cited directing the suspicion to two men, Archie and Irving Lewis.

Mr. Barbour, who is a constable and prohibition prosecutor, on Saturday night, in company with Officer Brown, of Alberton, made a raid on the premises of P. B. Lewis and found a barrel of whisky between Lewis' shop and a 100-house. While removing the liquor three gunshots were heard from a nearby barn owned by Lewis, but no one was hit. Irving and Archie Lewis were later arrested, charged with the shooting, and lodged in the town jail, in the cell with a brother, Alvin, who had previously been arrested.

About 12.30 that night, when the officers visited the jail it was found that the prisoners had escaped. Search was made for them, and on Monday Catvin was re-arrested. The others will doubtless be found and tried on a charge of jail breaking, and also on the more serious charge of firing at the officers. The burning of Mr. Barbour's barn, which occurred after they had broken jail, will also, it is said, be inquired into.

John and Nell Penpraise, of Victoria, drove from Charlottetown Friday afternoon. **MEETING OF RATEPAYERS.**—Mr. Martin Gallant, school inspector convened a meeting of the ratepayers of Cape Egmont district at the school house. The meeting took place on Tuesday night, the 15th inst., and was largely attended. Mr. Joseph J. Di Gallant, after having been appointed Chairman, took the chair, and addressed the meeting with the purpose of acquainting the audience with the purpose of the meeting, which he did very minutely. He declared that the subject of teaching agriculture at school is one of the most important questions that the board of education has ever dealt with. Mr. Gallant says that the main object in teaching agriculture at home or at the school to the children is not exactly to make the children imitate the rules and methods of farming, but it is principally and mainly to cause a desire or ambition in the young race of today to expend their energy on their whole life on the soil so faithfully used by their forefathers. Mr. Gallant also spoke on Women's Institutes and he said were prevalent in certain sections, and remarked that these institutes are very valuable especially when treating in the sanitary conditions of school and homes, for the mothers are a far greater lever in preserving the beauty of the youth than the fathers are, for the simple reason that the mothers being continually at home, have as a rule the sanitary conditions of their homes such as ventilation and cleanliness to attend to and would certainly foster the same care towards the school rooms. Referring to school gardens and home projects, Mr. Gallant expressed his desire is to the wives of the people as a whole. The establishing of home projects is a very important matter, and is unanimously carried in favor of the projects. The ratepayers made it obvious that it was almost impossible to have a school garden on account of the scarcity of sufficient ground, especially for the coming season. Discussion on this point was postponed until 10.15, at which time the

## DYSPEPSIA OVERCOME

Tone Up the Stomach with Hood's Sarsaparilla.

When you have dyspepsia your life is miserable. You have a bad taste in your mouth, a tenderness at the pit of the stomach, a feeling of puffy fullness, headache, heartburn, and something nauous.

Dyspepsia is difficult digestion—that is what the word means—and the only way to get rid of it is to give vigor and tone to the stomach and the whole digestive system. Hood's Sarsaparilla, sold by all druggists, is the one medicine which acts on the stomach through the blood and absorbs directly its beneficial effects are felt at once. Improvement begins immediately.

Hood's Sarsaparilla purifies the blood, makes the rich red blood that is needed for perfect digestion, and tones up the whole system. No other medicine can take its place.

WEDNESDAY

**THE LATE COL. FREELAND.**—His many old friends here will hear with regret of the death of Colonel Freeland, which occurred recently at his home in England. Colonel Freeland married the daughter of the late Admiral Bayfield R. N., of this place, and was for many years connected with the Militia here. Four of his sons are at present serving as officers in the British Army. Two, after years of distinguished service in India, are both now holding important posts with the forces in France.

**MRS. COCHRANE DEAD.**—After numerous friends in Charlottetown will learn with deep regret of the death of Mrs. Norton Farrer Cochrane, of Stouffville, Mass., on Monday last, at the age of 32. Mrs. Cochrane before her marriage was Miss Mary Louise Pope, eldest daughter of Mr. and Mrs. Percy Pope, of Charlottetown, where she was very popular, having always taken a prominent part in the young social circles. Her death was wholly unexpected and came as a severe blow to her parents and friends. The funeral, if crossing permits, will take place on Friday, leaving St. Paul's Church at 3 o'clock, thence by train to Sherwood.

**TEACHERS' INSTITUTE.**—Mr. T. C. James addressed the closing session of the Teachers' Institute in the School Board Office last evening. Mr. James has served as a member of the School Board for a number of years and has been associated with the educational life of Charlottetown for a quarter of a century. His address, which dealt with the improvement in education in the city, was therefore much enjoyed by the institute, and while it enlivened the progress made along many lines, did not fail to point out where better work could be done. At the conclusion of the address the thanks of the institute were tendered Mr. James.

**ROLL OF HONOUR.**—From Grace Church, two members have gone forth to serve their country in the present war. These are Grove Carter, son of Benjamin Carter, and Bruce Wannacott, son of Mr. John Wannacott. In commemoration of their meritorious act in volunteering, Grace Church has prepared a roll of honour inscribed with the names of these two young men. This roll, done in several colours, is the pen work of Mr. L. W.

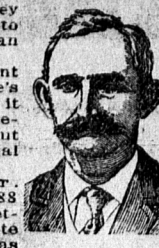

Watson of Charlottetown. It bears the following inscription: "Roll of Honour, 1914. To the honour of Grove Carter and Bruce Wannacott, faithful members of Grace Church, who nobly volunteered to serve their King and country in the great world war, and left the city to join the second Canadian contingent on December 4, 1914. For God, for King, and Country." The photographs of the two young men are placed on either side of the roll. On the top are Union Jacks surmounted by a crown, flanked with monograms of the young volunteers. The border is very artistic. The words "Roll of Honour" are set in a scroll of gold and red. Mr. Watson is deserving of credit for his splendid piece of work. The roll will be suitably framed and will be placed in the church next Sunday.

**PRESENTATION.**—The following fine address, accompanied by a purse of \$21 was presented last Sunday evening, to Mr. George Cameron, of Grand River, prior to his leaving with the Canadian Expeditionary Force for overseas service. Mr. George Cameron.—Dear Sir:—Having heard of your early departure to join the third Canadian expeditionary force, we feel we cannot allow this occasion to pass without expressing to you our grateful thanks for the honor you have conferred on your native parish by your ready response to the call of duty. You have done the uniform in no wild enthusiasm; you have coolly and calmly taken into consideration all the possible risks and dangers, and with the full understanding of what it meant, you have volunteered for the defense not only of this great Dominion but of the whole Empire of which it forms a part. You go, not as a conscript, but as a free man and when the time for fighting comes we know that you will fight as no conscript could. You have set an example which we hope and trust will stimulate others to embrace the duty which lies plain before every man who is in a position to respond to the call. We ask you to accept the accompanying gift, small though it be, as a slight token of the esteem in which you are held by your fellow citizens, and will ever pray that kind Providence may watch over you and that you may return unharmful to your relatives and friends. Signed, Jas. E. Brown, Cornelius McLellan, Emanuel McLellan, on behalf of the parishioners of Grand River.

## Cured Fifteen Years Ago of Piles and Eczema

By Using Dr. Chase's Ointment—Certifies That the Cure Was Permanent.

Some people have tried so many doctors and so many treatments in their search for cure for piles and eczema that they had it difficult to believe there is an actual cure. The strong point about Dr. Chase's Ointment is that it not only brings relief promptly, but brings about actual and lasting cure. In 1897 Mr. Ketcheson, 88 Ontario street, Peterborough, Ont., wrote as follows: "I was troubled for thirty years with itching piles and eczema. I could not sleep at night, and when I got warm the itching was terrible. Eczema covered my legs down to the knees perfectly raw. I have tried

every preparation I could hear of. Seeing Dr. Chase's Ointment advertised, I procured a box, and this Ointment effected a complete cure." On Sept. 23, 1912, Mr. Ketcheson wrote as follows: "I received a letter from you today saying that you found on file a statement made by me 15 years ago. I have always given Dr. Chase's Ointment a good name since it cured me, and shall tell you how I came to use it. "I had suffered for many years from eczema and piles, and had tried doctors and everything I could hear of in vain. Reading about Dr. Chase's Ointment, I purchased it at once, and was soon completely cured. That was fifteen years ago, so there can be no doubt of the cure being a permanent one. I have met a great many people who have been cured by Dr. Chase's Ointment." Dr. Chase's Ointment, 60 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto.

**PROFITABLE TEA AND SALE.**—The Ladies Sewing Circle of the Tryon Presbyterian Church held a concert and bazaar in the Tryon Hall on Wednesday evening, March 3rd. An excellent program was rendered under the management of Mr. Clayton Morrison. The fancy sale was in charge of Mrs. Frank Lang and Mrs. Robert Simmons, and the home made candy was sold by other members of the Circle. The sang sum of \$53.00 being realized.

**ST. PATRICK'S IN IONA.**—St. Patrick's Day was very fittingly celebrated in Iona in the morning. High Mass was sung by Rev. D. Gillis, East Point, in the presence of a large congregation. An earnest and eloquent sermon befitting the occasion was preached by Father Gillis. In the evening the Iona Dramatic Club presented to a large and very appreciative audience the comedy drama "The Blundering Mr. Brown" with the following cast of characters: Mr. Dan-

iel Brown—Richard Gill, Mr. Jack Armstrong—Charles McKenna, Mr. Horton—Joseph Roche, Patrick Dolan—John Naddy, Mrs. Daniel Brown—Miss Marie Gleeson, Clara Brown—Miss Emma Mooney, Bessie Brown—Miss Helen Byrne, Maggie Murphy—Miss Annie McCabe. The plot was a splendid one and was successfully unravelled by the gentlemen and ladies, taking part in a manner that would have done credit to professionals, and that won hearty applause from the audience. It is no exaggeration to say that they all—without exception interpreted their respective parts, very creditably. The specialties between the acts included excellent instrumental music by Miss Lottie Jackson and Messrs. J. J. Bolger and Joseph Farrell, solos (encored) by Rev. Dr. Gillis, Austin McMillan and P. J. McKenna and an address on "The Day We Celebrate" by Rev. Father Smith. The entertainment was brought to a close by the singing of "God Save the King."

## If in Doubt, Make it a Mutual Policy

Because in a Mutual Life Company the entire assets are the exclusive property of the policyholders.

Because in looking back over life insurance history we find that mutual companies are unequalled for stability.

Because in a Mutual Life Company you have all the advantages of other insurance companies with the mutual feature added.

Because two of the largest American companies, realizing the superior advantages of mutuality, have recently sold out their stock and have become mutual.

Although most of the life insurance in the United States is Mutual, yet there is only one Made-in-Canada Mutual Company—founded in 1889—
