Stanley Bros will have an announcement tomorrow morning of their spring millinery opening. On account of the shipment of hats from the Old Country being misplaced for a few days, in the warehouse at Halifax, they were unable to hold the opening last week. This shipment has just arrived and the firm feels confident that these hats will greatly please the ladies of this Province, all having been selected with the greatest care.

T. H. Dorion, proprietor of the Gem Confectionery, is to be complimented on his enterprise. A short time ago he commenced the sale of ice cream cones, which has proved very popular, but his latest is the serving of a delicious sugar water iced with every dash of ice cream. Any person that has tried one of these wafers can better understand their delicious quality, but when taken with ice cream their deliciousness is simply indescribable. Mr. Dorion has commenced the use of the slogan: "We Lead—others follow."

The privilege of a daily dip in the salt water within a few minutes' walk of the Post Office, in absolute privacy, is an advantage that will be offered by the Hillsborough Boating Club for the coming summer. Better than this the new boats being under construction and the old ones being painted and repaired will be a guarantee that there will be no scarcity of boats. Rowing and swimming for four months will fix one up for the long winter and affords an opportunity which will be offered to a limited number of new members.

The marriage of Miss Georgie Smith of this city, and A. M. Wood, Esq., Regina, took place at Regina, Sask., on Wednesday, April 13th, at St. Mary's Church. The groom was ably supported by John J. McDonagh. The wedding gifts were numerous and costly and attested the popularity of the bride. They included a number of substantial cheques. The happy couple have taken up their residence at 2305 Lorne St., Regina. The Guardian joins with the many friends of Mr and Mrs Wood, side in extending best wishes.
