BASKET BALL

Beavers Won 21-14

Last night at the Y. M. C. A. the most interesting game of Basket Ball played so far in this present league took place.

The Beavers won but although they are the winners they did not have the game all their own way by any means, for the first half ended 6-8 in favor of the Thumps but superior condition and combination of the Beavers was too much for them in the last half.

It is unfair to mention players for they all excelled themselves and did their best for their respective teams.

Prince Edward Engagement Extraordinary

D.W. GRIFFITH presents "WAY DOWN EAST" Based on Wm. A. Brady's Famous Play by Lottie Blair Parker and Jos. R. Grismer

4-Days—4 Mon. Tues. Wed. Thurs. April 24, 25, 26, 27. 12—MAMMOTH REELS—12

Here you have something more than a motion picture—it is a story of human hearts, unfolded in a simple, soul-reaching way, under the master guidance of Mr. Griffith—a production that will go thundering down the ages just because it is so human.

Announcement Made That D. W. Griffith's "Way Down East" Will Come to the Prince Edward Theatre.

Announced as most remarkable production with which the name of David W. Griffith has yet been associated, his "Way Down East," made for the famous stage play of the same name and which will be shown in this city for the first time at the Prince Edward theatre, beginning Monday, April 24th, for a run of four days.

As is expected, the usual Griffith effects and embellishments are said to be found in this latest work in abundance. It will be presented here with an augmented orchestra furnishing musical accompaniment which even the most spectacular stage offerings could hardly afford to offer on their stage.

Griffith's audience from the simplicity of countryside to the lavishness of city mansions and thus display in a new series of color schemes an array of elaborate effects and backgrounds for a period of time that will be a standard to follow that he must supply the most wonderful in spectacle and the most finished in production. However, there may be those who in anticipation of such things, overlook the greatest of achievements of this master artist in screen production, Griffith seized upon "Way Down East" and paid a pretty sum for the screen rights alone, not for the spectacular opportunities it offered. Any play that can enjoy a vogue among American theatregoers for a period of more than twenty years possesses something more than pastoral humor and striking scenes and "Way Down East" has even in times when most stage offerings had hard slitting.

That the pure love of David W. Griffith in selecting it as her medium of production, the story is that of a woman from time immemorial and Griffith has spared no effort to bring this forth in

all the strength of his vision and art. In doing so, he has moulded a legend of mankind and strikes home to the so-called sterner sex a lesson which has often been forgotten as concerns a single standard for male and female, probably since the age of sin.

To Lillian Gish has fallen the task of essaying Anna Moore for the screen and very likely to posterity. Here is a more far-reaching and human Anna Moore than the spoken stage drama could permit and is such a person as has existed almost from the time of Mother Eve and existed in every community on earth whose foolishness, vanity and egotism of humanity and the inability of man. That Miss Gish has made the most of her opportunity in the role is probably best attested by the fact that in New York alone the leading actors of the day have flocked not once but twice and thrice to view her work and marveled at the same.

Prices—Evening, 78c, 52c, 37c. Matinee, Adults 37c. Children 26c. SEAT SALE OPENS FRIDAY MORNING AT THE THEATRE AT 9.30. MATINEE DAILY AT 2.30. NIGHT 8.15. TICKETS ORDERED BY PHONE WILL NOT BE HELD AFTER 7.30 ON EVENING OF PERFORMANCE
