MRS MARGARET FITZGERALD

(Alhambra Post-Advocate, Oct. 23.) Mrs. Margaret L. Fitzgerald, a resident of Alhambra for the past 20 years, died Tuesday morning at her home, 307 South Fourth street. Mrs. Fitzgerald was a native of Charlottetown, Prince Edward Island, Canada. She was the granddaughter of Capt. John R. Mayne of the Royal Navy and great granddaughter of Edward R. Mayne, lord chief justice of Ireland, whose family is one of the oldest in England, having come over with William the Norman. For the past 800 years, some member of the Mayne family has been in the English army or navy. Mrs. Fitzgerald was a member of the Holy Trinity Episcopal Church, of Alhambra, where she was organist until a few years ago. She also was a member and vice president of Mrs. Vincent Massey chapter, Daughters of the British Empire. She is survived by her husband Dr. Sydney D. Fitzgerald, two daughters, Miss Laura M. D. Mitchell of Alhambra, and Mrs. Helen W. Sell, of Downey; two sons, Edward H. Mitchell and John F. Mitchell, both of Alhambra; four grand-children; and a sister, Mrs. (Col) Charles Leigh of Charlottetown. Funeral services in charge of Turner, Stevens & Turner, will be held at 2 o'clock Thursday afternoon at the Holy Trinity Episcopal Church. 9745-11-6-31.

ANNOUNCEMENT!

We wish to announce the opening of a branch office in Charlottetown. Temporary stockboards have been erected in the offices of Messrs. G. P. Strong and Company Limited, Richmond Street, and a quotation service covering New York, Montreal, and Toronto Exchanges will be maintained.

Upon completion of alterations to the premises formerly occupied by Messrs. Lambros Brothers, Grafton Street, the joint offices of Mowat and MacGillivray and G. P. Insidious Eye Strain

We use this adjective advisedly. Sufferers from Eye Strain may have perfect vision and therefore do not suspect the presence of any evil defect. The motive power of the entire human organism is Nerve Energy.

Normal eyes, it is computed utilize about 25% of this Nerve Energy, but when Eye Strain is present, a much larger proportion is required. Hence defective eyes through their consumption of an excessive amount of Nerve Energy may seriously affect the functioning of other organs of the body and produce ill health.
