AT ROTARY

At the Rotary Luncheon yesterday, the speaker was His Worship Mayor Miller, who made an earnest appeal to the Rotarians to cooperate with the City Council to have the city looking its best at a time when summer visitors will be here, and also to cooperate in entertaining these visitors.

His Worship pointed out that on June 30th, a large number of excursionists, under the auspices of L'Association Chorale St. Louis de France of Montreal, will arrive here at 7 a. m. and between that time and half past three in the afternoon, some entertainment should be provided for them.

He also referred to the Diamond Jubilee Celebration on Friday, Saturday and Sunday, the 1st, 2nd and 3rd of July. On Friday a tentative programme provides for the following:

9 o'clock—Ringing of bells and sounding of all horns, including auto horns.

9.30—Short service in the various churches.

10.30—Citizens will assemble in the Legislative Council Chamber, where a wreath will be placed on the Confederation tablet by Mrs. Artemas Lord, and an address delivered by Mr. Percy Pope, a near descendant of one of the Fathers of Confederation.

The school children will then march to the Park, where a service of song will be held, and several addresses delivered. This will occupy till about noon.

In the afternoon, horse racing and athletic sports will be held at Summerside.

In the evening the city will be illuminated. There will be a display of fireworks, and it is expected that a boat parade will be held in the harbor.

On Saturday afternoon there will be a race meet at the Charlottetown Driving Park.

On Saturday evening the stores which are closed Thursday night and all day Friday and Saturday forenoon and afternoon will be opened.

In conclusion His Worship made a strong appeal to the merchants of the city to fly the flag. No doubt they respect it so highly that they do not wish to let it wear out. This practice of flying the flag has been rather neglected in the past, and it is a shame and a disgrace that this should be so.

The Directors of the Rotary Club were then appointed a committee to cooperate with the City Council in the carrying out of the Confederation programme.

There was one guest today, Captain Strom, of the steamer "Inga".

A letter was read from the Ottawa Rotary Club, asking that the Charlottetown Club send a boy, the son of a Rotarian, to Ottawa, to be the guest of the Ottawa Club in that city during the National Confederation Celebration. The boy to be between the ages of 12 and 16. It was decided to accept the offer, and the name of the boy will be announced later.

The musical programme included a very acceptable soprano solo by Miss Barbara MacNeill, who was heartily cheered. Miss Roberts Spencer playing the accompaniment.

Past President R. Harold Jenkins was chairman today.

It was decided for the next four months to dispense with evening meetings, all meetings to be held at 1 p. m.

—SOME LOBSTER—Mr. Theodore McNally, Egmont Bay, was in town on Saturday. He relates that on taking up a fleet of 52 lobster traps which had been left in the water all winter, one lobster of huge dimensions was taken in a trap, the full length of which, from tip of nose to tail, was 19 inches, large claw 7 ins. across and feet or claw 1 1/2 ins. long, girt around body 15 ins. weight 13 lbs. extreme length 32 ins. The lobster is still in Mr. McNally's possession and can be seen at any time as he intends getting the lobster mounted and preserved as a souvenir. H

—WELL KNOWN RESIDENT—The death of Mr. Timothy McNeill occurred at his home in Ellis River, Lot 16, on Monday, May 23rd. Mr. McNeill was born ninety years ago in Miscouche and moved to Ellis River, where he has since resided. His wife, formerly Miss Gay, predeceased him a few months. His funeral was held at St. Patrick's Church, Grand River, where religious high mass was sung by his pastor, the Rev. John A. McDonald, who had previously administered to him the last rites of Holy Church. His remains were then laid to rest beside his wife. The pall-bearers were: Messrs. Linus McDonald, Cameron, P. E. I., who was before the court on a charge of theft of lobsters the property of Fred McGee, lobster packer was given three months suspended sentence. The latter case arose out of a contest for the delivery of all the lobsters caught by Jenkins to the McGee firm and his selling of lobsters on the 21st of May to the Maritime Packers at Pictou Island. The decision in the Jenkins case is being appealed from. J. Welford MacDonald, K. C. appeared for the prosecution in both cases was conducted by J. Stanley Fraser, of New Glasgow.

—WELL KNOWN RESIDENT (continued)—By the death of Mr. Martin Condon in the Prince County hospital on Friday, May 6th, Wellington lost one of its most prosperous and influential citizens. Mr. Condon had not been well all winter and had gone to the hospital some weeks previous in the hope that the skilled treatment there afforded might restore him to his wonted health. His illness, however, proved beyond human alleviation and on the above mentioned date he passed peacefully to his reward. He had always led an exemplary life and his upright kindly manner was an inspiration and a comfort to those privileged to know him. The home, where he and his amiable partner so genialy presided was ever open to their friends and there a hearty hand-shake and welcome smile greeted all who came to their fire-side. His place in the home cannot be filled and his loss to the community is irreparable. He had always been a dutiful son of Holy Mother Church and died fortified by her last sacramental rites. His funeral to Immaculate Conception Church was large and attended by the Rev. J. J. McDonald, Grand River, a former Government

pastor of Wellington assisted by the Rev. Joseph Gallant, the present pastor. He leaves to mourn his loss, a widow, two sons and two daughters.

Presentation of Portrait to Archbishop Williams

BISHOP'S CHARGE TO SYNOD REVEREND GOVERNMENT CONTROL AND SAY CONDITIONS ARE BOUND TO IMPROVE

Last week's "Canadian Churchman" dated May 29th has a report of the Synod of the Diocese of Huron at which in recognition of Archbishop Williams' recent elevation to the position of Metropolitan of the ecclesiastical Province of Ontario, and of his Grace's many services to the Church, both in his own diocese and throughout Canada, members of the Synod of Huron at the first business presented to their bishop an oil painting of himself, the work of Wylly Grier.

Subsequent to the presentation in opening his charge to the Synod assembled in Cronyn Hall, London, Ont., the Archbishop, Most Rev. David Williams, congratulated the diocese upon its splendid response to suggestion to increase the widow's pension. The number confirmed during the year was the third largest in history, and notwithstanding removals of clergy from the diocese, next ordination, on June 5th, will see every parish supplied.

Among events of the year in this country, his Grace referred to the Dominion and provincial elections of last year. While he does not look for the millennium because of Government Control in Ontario, the Archbishop believes that if the overwhelming popular majority behead Government Control at the election will place itself loyally behind the Act, conditions are bound to improve. Ill-kept, he adds, is not likely to disappear completely, as long as the heavy exchequer duty on liquor is retained by the Dominion Government.

At the regular monthly meeting of Royal Edward Chapter I. O. D. E. held Monday afternoon in the rooms of the Chapter in the Navy League Building, much important business was transacted. In connection with this sale of roses the thanks of the entire Chapter were tendered to all who helped to make it such a success, especial mention being made of the teams of girls who turned out to work for Miss Wilson, the ladies who gave of their time and energy selling on the streets, the ladies of Montague who also sold roses, the Irwin Printing Company, the Guardian and Patriot Publishing Companies for their generous help in the matter of advertising. Very special thanks were also tendered the following who contributed \$5.00 or over to this worthy fund: Miss Haviland \$5.00, Patons Ltd, \$5.00, Mrs. J. J. MacKinnon \$10.00, R. T. IN MEMORIAM
 MR. STEPHEN PROWSE

Word has been received here of the unexpected death of Mr. Stephen Prowse, who died at his home in Chelsea, Mass., on Saturday last. The funeral takes place on Wednesday from the County Road Church, Chelsea, and the burial will be in Woodland Cemetery.

The late Stephen Prowse was a son of the late Mr. William Prowse of Brackley Point Road, and a brother of the late Lemuel E. Prowse. It is about thirty-five years since he left his native island and located in Chelsea, Mass. He was engaged in the contracting and building business, and achieved considerable success in this line.

Besides being a prominent business man, he was also deeply interested in labour problems, and twice contested Chelsea in the interests of the labour party.

At the time of his passing, Mr. Prowse was about fifty years of age—apparently in the prime of his manhood. He was a life long consistent member of the Methodist Church, and took a lively interest in all that made for the advancement of the community in which he resided.

He leaves to mourn a widow, his aged mother, who is 95 years old and still living on the home-stand, also three sisters and six brothers, all living. Senator B. C. Prowse and Mr. W. B. Prowse are among these.

To the bereaved The Guardian extends sympathy.

10,000 Watch Scots Lose at Toronto

TORONTO, May 30.—The touring Scottish football team, including internationalists met defeat in the third match of their Canadian tour when an eleven representative of Toronto defeated them by three goals to two at Varsity Stadium Saturday afternoon.

The game, played before 10,000 spectators, in ideal weather, proved the most brilliant exhibition of the dribble code ever witnessed in Canada. Never before has a team sent out by either the English or Scottish Association met defeat in Canada.
