

S. A. McDonald's The New Ladies' Mantle And Fur Store.

Fine exhibition of ladies' coats. Our present grand showing of ladies' coats is the best shown in this city for many years, and bear in mind every coat in our store is new, this being our first season in the Ladies' Mantle business. You run absolutely no risk of getting an old garment as every one in our large store is new, direct from the factory.

We give you the full range of the largest Mantle House in Canada as well as first pick from the out put of two others.

It places us in a position to offer you something exceptionally nice at this time.

Do not make the mistake of not seeing our coats as everybody is loud in their praises.

S. A. McDonald

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. H. H. Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally and does from the drop to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists.
