A Secret It aids nature a little, that's the only secret about it. We refer to Ayer's Hair Vigor. It feeds the hair, makes the scalp healthy. The hair stops falling out and all dandruff disappears. The result could not be different, for it's the natural way. And it is a splendid dressing, keeping the hair soft and smooth. Why not save what hair you have and get more at the same time? J. C. Ayer Co., Lowell, Mass.

MISS G. KENNEDY, of Sydney, who has been the guest of Mrs. J. A. Murray, Sackville Street, Sheilas, for the past fortnight, has left for Prince Edward Island, where she intends visiting relatives before returning to her home in Cape Breton.

THERE was quite a fall in the temperature yesterday, and by evening time the thermometer had marked several degrees below freezing point. A little snow fell and was rapidly drifted by a strong northerly wind which blew forcefully all day. The disagreeable weather deterred many from going out as usual.

A WOULD-BE BURGLAR who was attempting to break into a house on Brighton Road a night or two ago, received a striking surprise before he accomplished his purpose.—While he was in an humble attitude trying to make an entrance, the young man of the house came quietly along, and with true military genius made an attack upon the rear of the burglar, implanting a kick with such a force and accuracy that the enemy took to flight.

THE Guardian's correspondent at Earnscliffe writes:—Misses Beatrice and Martha McKenzie spent last week in Earnscliffe.—Mrs. R. McKinnon has returned from a pleasant visit with her daughter, Mrs. Truman Jenkins.—Miss Kristofa Sorensen, New York, is visiting her sister, Mrs. Richard Young.—Miss Eunice McGilvray is home from the States on a brief visit.—The recent mail carrying changes in this section are causing great dissatisfaction. Two men are now required to carry the mails from the city to Earnscliffe—only 15 miles. Our people hope this will soon be changed.

THERE arrived on the Island about a week ago James Snelgrove, a former resident of Charlottetown who has been away from home for the past 54 years. He will spend the winter with his sister Mrs. Malcolm McDonald of Georgetown. He lived for 23 years in San Francisco, and was there when the earthquake occurred. After that fatality he moved to Seattle where he established himself. He returned to the Island by way of British Columbia and the improvements all along the route made during the past 40 years impressed him deeply. He has many friends and relatives on the Island who will be glad to hear of his arrival.

FOR the following interesting figures regarding the weather during the month just past The Guardian is indebted to Mr Newbery in charge of the Dominion Meterological office here. The month was exceptionally stormy, and there was excessive precipitation of rain, as will be seen by a comparison of the figures, which are given for the past three years:

November	1906	1905	1904
Mean Max. Temp.	40.0	41.8	38.6
" Min. "	33.6	29.6	29.1
" Range "	6.4	12.2	9.5
Mean Temp.	36.8	35.7	33.8
Precipitation rain and melted snow	8.00	6.12	5.67

During the past month rain or snow fell upon 19 days.

Number two envelope will contain Ernest J. DesRoche's order for $3.00 worth of fruit and confectionery. Have the paper ready.

THE KING'S COUNTY GUARDIAN

MISS CERTRUDE LEWIS, St. Peter's, left Saturday on a visit to Boston.

MATTHEW DORON, Montague, arrived home on Friday last, after spending a few months in Boston.

Sergant P. Bradley, Charlottetown was in Montague last Thursday and Friday, doing some detective work. His success is not known to the public at present.

THE five schooners at Montague have about completed loading. It is unlikely that any more will come to this port, owing to produce moving so slowly.

AT St. Andrews, Nov. 20, Dr. John C. McDonald, Peakes Station, son of Andrew McDonald of the same place, was united in marriage to Miss Helen M. Egan, daughter of David Egan, Mt. Stewart. The bride was attended by her sister Miss Marion Egan, and B. D. McDonald, L. L. B., Winnipeg, supported the groom. The ceremony was performed by Rt. Rev. J. C. McDonald, Charlottetown, assisted by Rev. A. P. McLellan, and Rev. I. R. A. McDonald. At noon dinner was served at the home of the bride's parents and the three reverend gentlemen were among the guests present. The bride's popularity was the prevailing thought for expression throughout all the speeches of the toast list. In the evening a reception was held at which the bride and groom met and received the best wishes of many of their friends. The presents both numerous and expensive showed the sentiments expressed in honor of the bride and groom.

ON Wednesday evening, November 27, a large and intelligent meeting took place in Morell Hall, for the purpose of organizing a Literary and Debating Society. William Aylward was appointed chairman, and in a short and concise speech made known the object of the meeting. Short speeches were then made by H. D. McEwen, R. N. Cox, W. T. Andrson, A. P. Doyle and others, all expressive of the necessity of such a society. The Morrell Literary and Debating Society was then organized with the following efficient officers; President, H. D. McEwen; Vice President, Vernon Webster; Treasurer, Allan J. Webster; Secretary, A. P. Doyle. Executive Committee, H. D. McEwen, Russel Cox, H. R. McEwen and W. J. McDonald. This is a move in the right direction and it is to be hoped that the people will assist in making the society a success. With a Literary and Debating Society the people must soon feel the necessity of their having a stock of good books and before long the Society hopes to have a library attached that will be a credit to Morell. The Literary Society will meet every Wednesday evening at 7 o'clock sharp and all are cordially invited to attend. The subject for next meeting is: "Resolved that seperation from the Dominion of Canada would benefit the Maritime Provinces."
