Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Any one who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Either way, this mixture saves about four-fifths of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for 2 1/2 ounces of Pinex with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

The Grip, Fever, and Other Blood-Poisoning, Prostrating Diseases.

The best course of restorative treatment, purifying the blood, stimulating the liver, building up the whole system is:

Hood's Sarsaparilla the standard blood purifier before eating.

ANOTHER GOOD MEETING.

A powerful address was delivered by Rev. C. R. Freeman at the special evangelistic service in the Baptist schoolroom last evening. These meetings are increasing in interest and attendance. The attendance last evening taxed the capacity of the hall—it has therefore been decided to hold to-morrow's service in the male audience room of the church.

SUDDEN DEATH AT HUNTER RIVER.

Mr. George D. McLeod, a highly respected citizen of Hunter River died very suddenly at his residence yesterday morning. Mr. McLeod is a well known shoemaker and came into the house between 9 and 10 o'clock feeling tired. He lay down to rest on a sofa and suddenly expired. The sad and sudden event was heard of with deep regret. Deceased was about 70 year of age, and leaves to mourn a wife, who has been ill for some time and two daughters and three sons. The daughters are Mrs. George McMillan, Hunter River and Mrs. Ernest Ellis, Tyne Valley; the sons: James, in Littleton, N. H., Grant in Vancouver, B. C. and John also in British Columbia. DIED IN ENGLAND.

Mr. and Mrs. Roland Day, York, have received the sad news of the death in England of their son Roland, who left Charlottetown in 1915, having enlisted for active service with the 55th Battalion. He went from here to Sussex, thence to Valenciennes and after completing his training there proceeded to England arriving there the second week in November. He crossed to France on June 4th having transferred from the 55th Battalion to the 5th Canadian Mounted Rifles. For eighteen months he was engaged as a stretcher bearer and was promoted Sergeant. After the armistice was signed he got two weeks leave of absence in England and was about to rejoin his Battalion when he took ill with influenza. After two months in the hospital he went to York to rejoin his comrades and sad to say, took a relapse and passed away. There are left to mourn besides his parents two brothers, Cecil, hooty operator on the News, New Glasgow, N. S., and Harry and two sisters, Miss Elsie, employed in Stewart's bakery, Charlottetown, and Miss Nellie, at home, to all of whom deep sympathy goes out in their sad loss.

WEDDING BELLS.

At the immaculate Conception Church, Richmond, Wednesday, February, 26th a quiet little wedding took place in the persons of Miss Mary C. Condon and John J. Gaudet. The ceremony and nuptial mass were performed by Rev. J. A. McDonald, Wellington's former Parish priest. The bride was charming in her travelling suit of nigger brown broad-cloth hand embroidered and fur trimmed, with a charming dress hat in contrasting color. Her only ornament being a beautiful pearl and Lacinade Lavaliera, the present of the groom. The brides maid Miss Lillian Hawkes of Chatam, N. B., cousin of the bride was becomingly attired in a one piece dress of Taffeta silk and Georgette Crepe with cape and dress hat. The groomsmen were ably supported by James Condon brother of the bride. After the ceremony the happy couple repaired to the home of the brides parents where a dainty wedding breakfast was served to just the very immediate friends and relations of each. Rev. Father McDonald, in the course of his address, to both bride and groom stated that he was doubly pleased and honored in having performed the marriage cere-

mony as he had baptized and prepared both bride and groom for their first Communion and Confirmation. It is not often given in the lives of two young people to be so fortunate. After the wedding breakfast the bride and groom left on a short wedding trip accompanied as far as Charlottetown by the bridesmaid and groomsmen. The following morning they took the Car-Ferry for New Brunswick, they will visit St. John, Halifax and other cities. The presents were numerous and grand consisting of several handsome cheques, linens, cut glass, silverware, handpainted china and some beautiful pieces of furniture showing the high esteem and popularity of both. The hearty wishes and congratulations of the whole community go with them for a long and happy married life.

Seldom has it been our painful task to record so sad a death as that of Pte. John Goff, son of Mr. and Mrs. George E. Goff, Woodville, Mills, who was accidentally killed in London, England, February 1st while awaiting transportation home.

He enlisted in Amherst, N. S., in the 193rd Battalion three years ago, and crossed to England in October 1916. He was among the first of the men of the Nova Scotia Highland Brigade to come to France, December 5th 1916 and for two years had almost continual fighting with the 55th Battalion. He fought at Vimy Ridge, Pleschendale and many others of the most trying and sanguinary battles of the war, coming out of it all without a scratch, enduring all that a trained soldier could endure, uncomplainingly.

With his battles fought and victory crowned, and his face and heart homeward turned to greet longed-for loving hearts, who braved much dur-

Don't Use Haphazard Blends

HOW can anyone depend upon getting, always, good bread or pastry if one's flour varies from time to time in strength and composition? The composition of wheat changes from time to time. Your blended flour may be all right one time and all wrong next time, due to the changes in the wheat. Most millers have no means of correcting these changes. The result is a haphazard blend. Our completely equipped testing laboratory finds out first what is IN the wheat. Then it is easy to maintain the absolute uniformity of our famous

QUEEN CITY FLOUR

(Milled according to Government Standard)

Use our flour. Then you can always be sure of happy results. It always contains just the correct amount of Ontario winter wheat for flavor and flaky texture—always exactly the right proportion of Manitoba spring wheat for fine big loaves of nourishing, delicious, flaky bread. No occasions occur when extra quantities of expensive shortening are needed to counteract over-strength in the flour when making pastry—and bread always rises properly. Try Queen City Flour for uniformly good baking results.

Splendid Pastry and Bread

Queen City Flour makes pastry of rare delicacy and flaky texture and it makes, equally well, bread of high nourishing quality due to the richness of gluten in the Western hard wheat it contains.
