

### A Grand Result in Nova Scotia.

On February 15th, 1899, the late Thomas S. Whitman, Esq., of Annapolis, Nova Scotia, at age 39, insured his life in THE MUTUAL LIFE INSURANCE CO. OF NEW YORK, for \$5,000, under policy No. 21,565. He paid an annual premium of \$115.10. Instead of drawing his profits in cash he allowed most of them to increase the face of the Policy. The policy was paid as a death claim of \$10,535.35.

Face of Policy.....\$5,000  
Additions to Policy.....5,535.35  
Total.....\$10,535.35

Value as a Death Claim.....\$10,535.40  
45 Premiums paid less Cash drawn.....5,115.00

Profits over cost.....\$5,420.40

This man by investing the comparatively small sum of \$115.10 every 12 months for 45 years has not only had his life insured for that time, but has created an estate worth \$10,535.00. Many men struggle for a life time, and waste yearly far more than the amount of this Premium and die not worth a dollar.

MORAL—Insure your life and have patience and perseverance to continue the policy.

### Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or can-  
disease can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.

**IT'S WHEN YOU HAVE TOOTHACHE**  
That the power of Nerviline quickly makes itself felt. Any aching tooth can be relieved by Nerviline in a few moments by holding the cavity with the pointed end of the stick. A good plan is to rub the gums with Nerviline also. There isn't a single remedy that has so far surpassed the pain-relieving power of Nerviline which acts like magic. Nerviline kills the pain out-right and prevents it from returning. You can't beat Nerviline for toothache or neuralgia; it's the best pain cure made. Price 25c.
