Farewell Presentation

On Monday evening, March 9th, a large number of friends and neighbors gathered at the home of Mr. and Mrs. Harry Patterson, Cape Traverse, to honor A. B. Austin, who is leaving for the R.C.N. who has been spending his leave in Summerside with his mother, Mrs. Melbourne Howatt.

A delightful evening was spent in music and games and the ladies served delicious refreshments. On behalf of the gathering, A.C. 1 Ira Murphy of the R.C.A.F. read a splendidly worded and appreciative address and Private Lester Patterson of the Nova Scotia Highlanders presented to Austin a handsome military uniform, bearing the crest of the Royal Canadian Navy. It is noteworthy that the three services were thus represented in this little ceremony, all the boys being home on leave from their various units. Austin made a fitting response, thanking his friends for the honor they had done him and for the beautiful ring, after which all joined in singing "For He's a Jolly Good Fellow." The evening was brought to a close with God Save the King.

Shown above left to right are: A. B. Austin Howatt of the Royal Canadian Navy, and left Private Kelsie Howatt of a Highland Regiment. They are sons of Mrs. Howatt and the late Melbourne Howatt of Cape Traverse. Kelsie enlisted in June, 1940, and went overseas, Austin enlisted in June, 1941. Their only other brother, Vernon, enlisted with the R.C.A.F. in April, 1940 but was rejected for physical reasons and is now on the staff of the Bank of Nova Scotia at Dartmouth, N.S.

Happy Woman's Story

Everyone who is subject to any form of indigestion should know of this woman's experience. Advice from one who has had such severe attacks is advice worth having. She writes:—
"I suffered from indigestion, gastritis and constipation, and was so very ill. I had (on medical advice) to live on soda biscuits and milk for three months. Well, a friend advised me to take Kruschen, and now I am pleased to say I am greatly improved. I can eat and enjoy a good meal without any painful after-effects, my skin is clearer—in fact, quite clear—and there is no sign of constipation. I would advise anyone suffering the same to take Kruschen."

(Mrs.) M. R. B. The immediate effect of the several salts in Kruschen is to stimulate your liver and kidneys to normal action and help to free your system of poisonous waste matter. Soon after you start on Kruschen you will find that you are able to enjoy your food without distressing after-effects. Ask for the special

St. Patrick's Day was fittingly celebrated here beginning with high mass at 9 a. m., celebrated by the pastor Rev. J. A. McDonald.

An eloquent sermon on the "Life of St. Patrick" was given by the assistant priest Rev. William Simpson. In the evening an entertainment was put on by the Dramatic Club and their one act play entitled "It will be alright on the night" showed the audience the difficulties of a coach who endeavours to stage a play with a cast of amateurs. This cast well known for their almost professional performances excelled themselves in their difficult roles of "greenies" and their coach Mr. John Cameron played the part of the hot tempered director to perfection. The whole scene was a side splitting performance from the beginning to the end. Other members of the cast were Misses, Pricilla Gavin, and Mae LeClair. Messrs. Charles McInnis, Jerold Gavin, Gerald Desroche, Eugene Perry, Ralph Bernard and the author Mr. Anthony Somers Manager of The Provincial Bank and a new comer to the stage here but by no means an amateur. The vaudeville and choruses were heartily enjoyed and were "encored" as heartily. The final number "Money for your answer" proved a novel and amusing part of the program. Mr. J. B. Morrissey was quiz master assisted by Mr. Hugh Gaudet paymaster. Questions given were difficult but not enough to

kill the quick thinking of the following winners: Mrs. A. J. McDonald, Miss Gloria Bernard, Miss Phelomena Richard and Mr. Gerald Handman. Proceeds of the night was in aid of the Parish and a large sum was realized.
