MONTREAL, Sept. 23 — (CP) — Industrials generally drifted to lower levels as all groups in that section posted losses in trading on the stock exchange and curb market here today. Mines also were weak in moderately active dealings.

Stock Prices Drop Sharply At New York

NEW YORK, Sept. 23 — (AP) — Stock prices skidded suddenly in the market's final hour today, many leaders losing one to more than two points.

Top-ranking oils, steels, motors, rubbers, and rails were targets in the burst of liquidation that shook the share list out of its narrow range. The flurry of selling put the ticker tape a minute behind floor transactions for the first time since July 29.

Although the slide was of short duration there was little comeback and many issues finished near the day's lows.

Canadian issues were down generally today. Hiram Walker dropped 3-8 while Canadian Pacific and McIntyre each lost 1-4. Dome Mines eased 1-8. On the curb Lake Shore and Giant Yellow Knife were inactive.

Standard Oil (N. J.) dropped 2 1-2 points, closing at 73; Texas Co. touched a new 1947 low and finished off 1-4 at 54 5-8; U. S. Steel was down 2 1-8 at 69. General Motors 1-8 at 57 3-8. Montgomery Ward 2 at 56. Goodrich 1-2 at 53 3-4. American Smelting 1-4 at 61. Santa Fe 1-5-8 at 81 and International Paper 1-2 at 46 3-4. Other prominent losers included Schenley, American Woolen, American Can (dipping to a new low for the year), Phelps Dodge, Owens-Illinois, Union Pacific, Southern Pacific, Western Union, Youngstown Sheet, Air Reduction, Chrysler and Goodyear. Anacosta Wire & Cable after reaching a new 1947 high dropped into losing territory but recovered to finish up 1-4 at 62 7-8. Wilcox Oil at 8 3-4 was up a point.

Gold Stocks In Sharp Decline On Toronto Exchange

TORONTO, Sept. 23 — (CP) — Heavy selling pressure in the last half hour of trading on the Toronto stock exchange today sent golds sharply downward to follow the trend on the New York market. Earlier trading was dull and featureless with golds holding on gains for key issues but the late hour flurry converted gains into relatively sharp losses. Losses in the mine lists outnumbered gains by more than seven to one.

The exchange's closing index listed industrials' golds down 2.19 to 113.72 base metals 81 to 81.05 and western oils 36 to 26.47.

Final half hour trading in mining issues changed the trend from list-less action and narrow price variations to a sagging market. Sectors in the golds were down fractions for Dome, Kerr Addison, Lake Shore and up to 10 cents for Teck Hughes and Wright-Hargreaves. Junior gains were few and the best was three cents for Paymaster while losers included Asakicho, Auclair, Armistice, Campbell, Central Patricia, Cochener, Delnite, Discovery, Donada, East Malartic, Eldora, Giant, God's Lake, Kirkland, Hudson, Kirkland Lake, Lingman, Little Long Lac, Macassa, Madsen, Malartic, Negus, O'Brien, Ogama, Pomour, Powell, Preston, Queenston, San Antonio, Springer, Sullivan Upper Canadian, Sullivan

Base metals posted only minor gains for New Calumet and Waite Amulet while 19 issues were down including Smelters, East Sullivan, Eureka, Falconbridge, Golden Man-Iou, Hudson Bay, Nickel, Labrador, MacDonald, Normetal, Oskosko, Quenont, Sheritt and Steep Rock. Western oils were less active but off for nearly all issues trading.
