Millionaires Whip Montreal Royals 5-3

Sydney Team Surges From Behind In Last Two Periods To Deadlock Playoff Series

(By T. R. WALSH, Canadian Press Staff Writer)

OTTAWA, April 7—(CP)—Sydney Millionaires came from behind to down Montreal Royals 5-3 tonight to deadlock at a game apiece their best-of-five series for the right to represent Eastern Canada in the Allan Cup hockey finals.

Overcoming Royals' first frame lead, the Easteners slapped in three markers in the second without a reply, and then split even on the final period's four tallies.

Little Pete Morin registered a pair for Royals, but Sydney had no double-scorer. The Millionaires' tallies went to Jack Fritz, Steve Latoski, Johnny McCreedy, Dick Kowcinak and Bobby Walton. Russ McConnell counted Montreal's other goal.

Less than 4,000 fans saw the game, second of the series played in Ottawa which had been assigned to Sydney as home ice. The series opened last Wednesday with a 3-3 tie here, and Royals won 3-1 Saturday in Montreal where the round continues Wednesday.

Royals Finish Fast

A surge of power by the smooth Montrealers nearly brought disaster to Millionaires after their field day in the second frame. Dick Kowcinak's marker on relays from Reml Van Daele and Fritz started scoring in the last period and then Montreal turned on the heat to whip in two successive goals, Morin and McConnell doing the honors.

But with four minutes to go Bobby Walton beat goalie Bill Durnan for another Sydney tally and from then on it was Sydney's game. Royals yanked their goalie and sent on six forwards in the last minute and a half but the stunt failed.

A minor free for all started just after the bell with Montreal's Paul Raymond in the thick of it. A whistling drive fired by Raymond caught Dickie over the mouth midway through the first and the Sydney netman came back a little wobbly following a quick patch up.

It was the first real shot of the night at the Sydney net. Dickie had no chance when Morin, flanked by Jerry Heffernan and John Acheson smashed through the Millionaires defence while McCreedy sat out a penalty.

The little centreman's drive zoomed over Dickie's head when the goaler went to his knees. Millionaires threw their best into the fast second period and they caught Royals midway through the frame. Durnan was helpless as Fritz, after grabbing McCreedy's rebound slammed the puck into the net.

Latoski's tally came while Ray Powell and O'Connor sat out tripping penalties. The shot whistled into a high corner. Alternates of both teams were getting ready to go to their dressing rooms when McCreedy snagged a loose puck just past centre and sailed in with Durnan at his mercy. His drive was low and sure

First Period

About 3,500 fans saw the game start. Jack Atchison and Bob Walton raced through on Sydney's first charge, but Bert Janke and Bill Davies broke it up without much trouble. A minute later Janke boarded John McCreedy and was chased.

Russ McConnell and George Snell traded a few shoves and officials broke it up without penalties. Pete Morin got it alone on Bill Dickie but the Sydney goalie bocked. High-sticking brought penalties to Snell and Gerry Heffernan. There was no damage while they were off. Heffernan and Paul Raymond charged Dickie and Raymond's high drive caught the eastern netman in the face. The game halted while he underwent repairs in the dressing room.

Dickie returned with a patch of adhesive tape just above his mouth. McCreedy, racing back after Buddy O'Connor and Jim Haggerty had missed narrowly, had only Bill Durnan to beat. But the Montreal goalie was tops in handling the easterner's wicked drive. Near the 15-minute mark Sydney's power play broke up after McCreedy was penalized for tripping Raymond. Pete Morin, helped by Heffernan and Johnnie Acheson beat Dickie from in close at 14:40.

Second Period

Ronnie Perowne, was chased for interference in the middle frame's first minute. Millionaires threw all they had into a power play but Durnan staved them off with a red-hot display of blocking. Even after Perowne's return Sydney continued to press, but O'Connor and Heffernan broke fast on a cople of tries that nearly clicked. Bud McEachern drew a penalty for tripping and Montreal took over the offensive.

Jack Fritz tied it up for Sydney at 9:05 after McCreedy's bullet drive bounced off the backboards. Fritz picked up the rebound and crammed the rubber past Durnan.

Ray Powell went to the cooler for tripping and Royals applied the pressure. Then O'Connor joined Powell for tripping Steve Latoski near Montreal's goal. With the pair still off, Latoski's drive caught the corner of the net behind Durnan and the easteners were a tally up.

In the period's last minute McCreedy snagged a loose puck and beat Durnan with a low shot

backchecking to offset quick breaks by Haggerty and Raymond. Haggerty held Dick Kowcinak and was chased.

He was still off when Kowcinak, on a double relay from Van Daele and Fritz, whipped in Sydney's fourth goal, Snell was penalized for interference and the Sydney pressure did not relax while he was off. But at 8:07 Acheson and O'Connor helped Morin score his second goal of the game for Royals.

Dickie drew a hand from the crowd for brilliant work on a solo try by O'Connor, Dickie was on his knee in the midst of a scramble when Russ McConnell packed the disc into a corner at 12:30. Assists went to Perowne and Raymond.

Walton took a pass from Fritz at the 16-minute mark and sailed in at top speed to score another for Sydney. With a minute and a half to go Royals yanked their goalie and sent on six forwards

Louis meets Tony Musto in Scrap tonight

ST. LOUIS, April 7—(AP)—The Joe Louis spring carnival, playing one-night stands up and down the countryside, stops off here tomorrow night to put on its display of fist-cuffs and fireworks for the entertainment of everyone—except possibly Tony Musto.

The Brown Bomber "risks" his world heavyweight championship at 9:30 p.m. C.S.T. (11:30 p.m. AST) in the Arena against the short-sized slugger from Chicago, whose only chance to escape what happened to Al McCoy, Red Burman, Gus Dorazio and Abe Simon this season is said to lie in a squat, crouching style and a somewhat better than fair punch.

All kinds of attendance and gate receipt records for St. Louis fistic festivals are expected to be broken, despite the fact that no one but squat Tony has even the faintest idea he'll either last the full 15 rounds or win the fight.

Mt'l Juniors Swamped by Oshawa team

TORONTO, April 7 — (CP) — A deluge broke loose tonight over the heads of Montreal Royals, as Oshawa Genera's, literally flooded the net with pucks, defeating the Quebec team 10-2 to even their best-of-five Eastern Canadian Junior Hockey fina's at a game apiece.

The Generals, winners of the Memorial Cup in the last two seasons, made it evident from the start to the crowd of nearly 5,000 that they were out to avenge their 7-4 loss in the first game Saturday night. They went into the lead less than two minutes after the start and after that it was only a question of how high the score would mount.

Leading the Oshawa attack were Roy Sawyer, Ron Wilson and Ron Nelson, who each scored three goals. Their other tally went to Norm McAtee. The Montreal goals went to Ken Mosdell and Bunny Glover.

Kraut Kids Likely to see Action tonight

BOSTON, April 7—(AP)—Milt Schmidt, centre on Boston Bruins' Kraut line, and little Bobby Bauer, his able right winger, tonight appeared assured of seeing action against Detroit Red Wings tomorrow night in the second game of the Stanley Cup finals.

Schmidt, who retired from the Bruins' 3-2 opening victory last night with a severe charley horse in his left thigh, "baked" that injury for several hours today. Dr. Tom Kelley reported that Schmidt's leg had good freedom of motion and probably would respond to continued heat treatments.

Bauer, who had a cut and a shoulder injury, sat out last night's game. His return to action would make Pat McReavy, the rookie who scored the third and decisive goal against the Red Wings, the 15th man on the Bruins' squad.

Sport Shorts

LONDON, April 7—(CP)—Sport shorts from Britain:—

Sydney Wooderson, who holds the world outdoor record for the mile, may try to lower his mark of 4:06.4 minutes this summer. After finishing fifth in a six-mile race, Wooderson, a corporal in the Pioneer Corps, said cross-country running has kept him in trim and from now on he'll concentrate on the mile.

Len Hutton, England and Yorkshire bastman, won't be on hand for the start of the cricket season. He broke an arm while doing Sergeant-instructor's work in the army.

D. Sherbrooke, a veterinary surgoen, took a gamble and won when he bought Poet Prince steeplechaser with poor wind, for 40 guineas ($187). Careful treatment and good food improved the horse's wind and Poet Prince paid a handsome dividend by winning the £600 Gold Cup at Cheltenham.

When Tom Blower joined the navy he was ordered to take a swim test—two lengths of a pool and float for three minutes in a deck suit. "Not bad, we'll make a swimmer of you yet," said the instructor after Blower completed the test. He didn't learn until later that his "pupil" swam the Channel in 1937.

Lord Burghley, Olympic Games Hurdler, will be nominated for reelection as President of the Amateur Athletic Association at the annual meeting April 19.

Three Maple Leafs players Get awards

TORONTO, April 7 — (CP)—Three members of Toronto Maple Leafs hockey club who made The Canadian Press first all-star National League team were presented with bonus cheques of $2,0 each as a reward by the directors of the club today.

The cheques went to goaler Walter (Turk) Broda, defenceman Wally Stanowski and left winer Sweeney Schriner, who crashed the all-star lineup, and another of the same size went to Bucko McDonald, the big defenceman who came back from a minor-league jo to star on the Leaf rearguard.

The cheques were presented at a luncheon given by the club directors and Manager Conny Smythe for the players. President . W. Bickel said there had been general disappointment because the club had not captured the Stanle Cup "but we will win it next yer—of that there can be no questn."

Presenting the cheques to Stanowski, Broda and Schriner Smythe said "that sum brings te salaries of this trio up to $700 for the season. It is their special award for having made the all-star team."

Noting that the three bous winners all were from westen Canada, Smythe said: "Thy'll all take their cheques wes of the great divide. Let that st as an awakener to you Ontariooys. See that you grab some of hat extra sugar for yourselves."

Smythe paid tribute o Coach Happy Day and his predecessor, Dick Irvin, now coach of Canadiens. "Day did a magificent job but I think many of the players had absorbed hockey fndamentals from good old Dick."

"We know now that we have to improve our team," sid Smythe. "We will improve it." The players had given 100 per cent of their abilities to the club but against Boston we were up against a team that was stronger than I believed it to be."
