### GIRL'S FEAR OF A SPIDER CAUSES CONFLAGRATION

MONTREAL, Mar. 23—Fear of spiders was responsible for a fire in the home of Israel Segal, Esplanade avenue, this city, according to the evidence of Mary Seurat, a thirteen-year-old girl, in the fire commissioner's court here yesterday. She was making the bed in Mr. Segal's room when she saw a spider crawling on the wall. She tried to burn it with a lighted match, following it with the match into a clothes closet. It was there subsequently that the fire was discovered. Damage of about \$400 was caused.

### VISIONS OF GREAT WEALTH STIR ENGLISH CLAIMANTS

COOTHAM COMMONS, Sussex, England, Mar. 21—Another claimant has arisen to a share in a fortune of \$500,000,000, said to consist in title of extensive lands in the City of New York, leased long years ago to King George III, he since the expiration of the lease, various unsuccessful claims have been advanced but the lawyers of Mrs. Mary Jane Harrison, of Cootham Common, Sussex, England, tell her they think she has a chance. It seems that at the end of the 18th century a certain Robert Edwards, of Perth, Scotland, emigrated to America, made money and purchased land, this land which he obtained for a comparative title, on account of its marshy nature, he afterwards leased to King George III, 99 years, and after the war of independence it passed to the site of the City of New York, Robert Edwards, was drowned while returning to Scotland from America, and efforts to trace his brothers and sisters failed. It is known that the elder brother of the Edwards family was called John, and Mrs. Harrison claims to be the eldest child of Lemuel Richard Edwards, himself the son of John Edwards, brother of Robert.

### CREOSOTED WOOD BLOCKS MAKE AN IDEAL FLOOR FOR STABLE

Wooden flooring for stables has much to recommend it, but unfortunately the conditions connected with its construction and use are especially favourable to decay. Frequent renewals of such flooring often cause owners to adopt more durable and less comfortable material. The Forest Products Laboratories of Canada (Dominion Forestry Branch, Montreal), point out that the remedy lies, not in discarding wood and substituting concrete or stone pavement, but in using wood which has been rendered proof against decay. For this purpose creosoted wood blocks are suggested as possessing the greatest number of advantages as a stable floor. Creosoted wood block flooring is warm and easy under foot, very resistant to wear, easy to clean and has sanitary and vermin-repellent properties combined with a high resistance to decay. Owing to the creosoting of several wood blocks may be obtained at reasonable price and the cost of maintenance is very low.

Tom—What makes you think she doesn't like you?  
Vic—She told me she thought there was a fool in every family.  
"Well, what of that?"  
"I'd just gotten through a moment before telling her that I was an only child."

## Croupy Cold Goes Overnight

Ontario Lady Says Vicks "Has No Equal"

Every mother wants her children to be active and to grow strong through outdoor play. But frequent colds sap their vitality, cause loss of school standing and keep youngsters puny and delicate.

Mothers who use Vicks VapoRub for children's colds find that the kiddies can play outdoors and that their cold troubles can usually be checked overnight.

Applied externally, Vicks acts like a liniment or poultice, in addition, the ingredients are vaporized by the body heat and are inhaled directly into the inflamed air passages. This double action quickly loosens up a cold.

Mrs. A. Lott, of 72 Empress St., London, Ont., writes: "I wish to say for children with croup Vicks is grand and for colds it has no equal. Baby has just come in and wants Vicks put on his hand which he hurt while playing. It is a fine thing and I would not like to be without it in the house."

At all drug stores 50c a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., Montreal, P. Q.

Though Vicks is new in Canada, it enjoys a remarkable sale. Over 17 million jars used yearly.

### MARGARET McCALLUM

In the early morning hours of Saturday, March 3, little Margaret McCallum, fifth child of Mr. and Mrs. Wm. McCallum, Glasgow Rd., passed quietly away at the early age of 5 years and 3 months. The little one had been ill for about five weeks with bronchial pneumonia, and until a short while before the coming of the end good hopes of her recovery were entertained by her loved ones. Some days before her death she was taken to the P. E. Island Hospital. All that medical skill and kind friends could do was done but all to no avail. Her strength was not sufficient to overcome the attack of this much dreaded monster, pneumonia, and on the above mentioned date her little Margaret leaves to mourn the sorrowing father and mother three brothers and two sisters. The brothers are Avalah, John and Staver, and the sisters are Lena and Alvena. Margaret was a very bright and lovable child, and her place in the hearts of her loved ones will long be vacant. Only God with His love can fill that place. But while feeling keenly her loss the parents and other sorrowing ones have consolation of knowing that she passed away from the dangers and terrors of this world of sin, suffering and of sorrow, and that in she will be forever lovingly cared for. The funeral, which was largely attended, was held on the afternoon of Sunday, March 4th. The service was conducted by Rev. R. H. Staver. The pall bearers were: Stanley McRae, Stanley McLeod, Chester McDonald, Bert McDonald, John Ford and Lorne Moorehead. Interment was in the Glasgow Road cemetery.

### PATRICK R. MOONEY

There passed peacefully away at his home, Silver Stream Farm, Peake's Station on March 6, 1923, Patrick R. Mooney, youngest son of the late Hon. Robert Mooney in the seventy-fifth year of his age. Deceased had been in declining health for the past year and last Autumn suffered from an attack of blood poisoning from which he never fully recovered. Though his death was not wholly unexpected, yet it came as a severe shock to his many friends. Although none of his family were with him when he died owing to the blockade in railway traffic, yet his son John A., who visited him each year, had spent the previous summer and fall with him.

During his illness he was frequently attended by his pastor Rev. I. R. A. McDonald, who administered to him the last rites of Holy Catholic Church. Besides his widow, he leaves to mourn, one daughter and five sons; namely Mrs. John Roach of Rumford, Me.; Robert on San Francisco; John A. of Rumford, Me.; Henry of Boston and Donald and Aeneas of Seattle, Wash.; also one brother, James Mooney of Peakes Station and one sister Mrs. Catherine Mulligan of Charlottetown.

A Requiem Mass was sung by the pastor, after which his mortal remains were laid to rest in the adjoining cemetery where lie so many of his kindred.

### MR. DONALD McLEOD.

On Thursday the 8th of February Mr. Donald McLeod, a former resident of Hartsville, passed peacefully away at the home of his son, John McLeod, 17 Hazel street, Bangor, Me., at the ripe old age of 87 years. The deceased moved to Bangor some two years ago where he has since been tenderly cared for by his daughter-in-law, Mrs. John McLeod. When his last illness came all that medical skill and kind friends could do was done but all to no avail. The time of his departure had come, and on the above mentioned date his spirit took its flight. In 1857 Mr. McLeod married Miss Christy McInnis, of Hartsville. Their family numbered nine in all—seven sons and two daughters. One daughter, Isabella, predeceased her father and mother. Mrs. McLeod died four years ago. There are now left to mourn the loss of a kind and loving father seven sons and one daughter. The sons are John, Daniel, Theophilus, James, Alexander and Donald, all of Bangor, Mac and Kenneth, of Springton, P.E.I. and the daughter is Mrs. Wm. McLean of Bradabane, P.E.I. The deceased was one of a family of four brothers and two sisters. Of these one brother and one sister now remain. The brother is John T. McLeod, of New Glasgow, and the sister is Mrs. Wm. McCoubrey, also of New Glasgow. The two brothers, Alexander and Theophilus and one sister, Christy, died some years ago. Mr. McLeod was born in Scotland in 1836 and when quite a young man came to P. E. Island and settled on a farm near Clyde Station. Here he spent the greater part of his life. He was quite widely known, and a large circle of relatives and friends will leave with regret of his passing. But to him this world was becoming more and more lonely. His friends of earlier days are almost all gone. The coming of the end found him ready and the change for him was a welcome one. The funeral, which was quite a large one, was held from the home of his son, Kenneth, in Springton, on the afternoon of Tuesday, February 13. The remains were accompanied from Bangor, Me., by two of his daughters-in-law, namely, Mrs. John McLeod and Mrs. Donald McLeod, of both of Bangor. THE FOX FELT MARKET. Inasmuch as the fur business London has been and is at present greatly affected by the European political situation, Messrs. Fox, Huth & Co strongly advise shippers to watch the trend of events very closely. In the event of the present crisis should give effect of an amicable settlement, as it is now expected to do, and considering the fact that by far the largest bulk of the merchandise in the London Winter Sale was absorbed by England alone, a good Spring Sale may be anticipated.
